Responders may provide volume based pricing allowing deeper discounts on volume purchases (greater than Qty 1)

1. Per Transaction Multiple Unit Discount

Responders may propose a contractual volume discount program or plan based on dollars in a single purchase order or combination of purchase orders submitted at one time by a Participating Entity or multiple entities conducting a cooperative purchase. Include a table indicating the additional discount percentage to be earned by volume purchased at one time.

For Category A only, single purchase order, maximum of 10 ship-to-locations

Minimum Dollar Value Associated with Single Transaction (Column 1)
Maximum Dollar Value Associated with Single Purchase Order (Column 2)
Category A Discount in Addition to the Initial Pricing Level Discount (Column 3)

Column 1	Column 2	Column 3
$50,000	$99,999	Greater than or equal to 1%
$100,000	$199,999	Greater than or equal to 4%
$500,000	$999,999	Greater than or equal to 6%
$1,000,000	No Maximum	Greater than or equal to 8%

2. Cumulative

Responders may propose a cumulative volume discount based on dollars resulting from the cumulative purchases by all governmental purchasers for the duration of their Master Agreement. Include a table indicating the additional discount percentage to be earned by cumulative volume purchased.

Dell will review such deals on a case by case basis and if possible provide an additional discount.

3. Other Discounts

Describe additional discounts available.

For purchases made online via dell.com, Dell is offering an additional .5% discount per category, for example, Category A products have a discount of 13.5% but if purchased online the discount is 14%. Please see the cost response for the complete listing of Dell product categories and discounts.
