

Instructions for Registering in OEMGrants

Enter the following URL into your web browser or select the link; <https://ok.emgrants.com/>

1. Click On “Register”
2. Complete all sections of the Registration Form. Ensure all red cells are completed. OEMGrants will not advance the request with incomplete red cells.
3. For “Applicant Organization” select the organization requesting funds. This would be the organization that legally can apply for funds and will be responsible for the use of the grant funds. If you are registering on behalf or are not affiliated with that applicant, you will need to contact OEM to request a letter of agency. If your organization is not listed, select “Create New Applicant Organization”. You will need to provide your organization’s FIPS, FEIN, and DUNS Number along with contact information.
4. Select “Full Access” if you will be completing the application.
5. Provide a detailed explanation for the reason requesting access. (I, Mr. Jones am requesting access for the City of Smallville to complete an application for the Hazard Mitigation Program for a flooding problem the city is having).
6. Click on “Register” when complete.
7. Complete the registration with assistance from the following screen shots.

Once the registration request is submitted, it will be reviewed. If the request is complete and accurate it will be approved. Upon approval an email confirmation will be received by the Registrant.

About

This site is for the online application and management of the Public Assistance (PA) grant. Public Assistance (PA) is a federal grant program to aid State and local governments in returning a disaster area to pre-disaster conditions. A minimum of 75% of eligible costs is provided to primarily address the repair and restoration of public facilities, infrastructure, or services which have been damaged or destroyed. Eligible applicants include local and Tribal governments as well as certain Private Non-Profit organizations.
