Addendum

This addendum forms a part of the contract document and modifies the original request for proposals as noted below. Please acknowledge receipt of this addendum in the space provided on the submittal form. Failure to do so may subject the Offeror to disqualification.

Date of Issue: January 9, 2015

Addendum Number: Two (2)

CAP Project Number: 15151DB Solicitation

Project Name: Oklahoma Capitol Restoration - Interior Rehabilitation

TO ALL OFFERORS OF CONCERN:

Item #1: The Pre-Proposal Conference/Meeting shall be in Room 535. [Reference "Solicitation for Bids Page 2 of 49" and 002211 - 5, 1.6.A]

Item #2: Additional information is being provided to the Offerors. This consists of scanned drawings and specifications of the original building (not to be considered a complete and accurate set), interior photographs (for reference only), and photographs of leak locations (the leak repairs are the responsibility of the design-builder awarded the Exterior Project, but the design-builder awarded the interior will be required to coordinate with the other design-build team on the repairs being made and repair the interior finishes).

These files may be obtained from the State's ftp site: <ftp://ftp.dcs.state.ok.us> (username: CAP ; password: DCSCAP) from the "15151DB Solicitation" folder.

ALL OTHER DOCUMENTS ARE TO REMAIN THE SAME AND INTACT.
