Approval of Minutes for the October 16, 2008 Meeting

The October Minutes were approved.

Discussion and possible action on determination of the public and private areas in the capitol

Mr. Ellwanger told those present there was a joint meeting between the Arts Standards and the Architectural Grounds Committees to discuss the public and private areas in the Capitol.

Mr. Warden said the public/private areas are shown on the presented color coded floor plans of floors basement through six, dated December 2008 and attached. Areas shown in yellow are public areas where any architectural modifications, décor or displayed artwork must be approved by CPC. Areas shown in blue are public/private areas that are controlled by others with modifications reviewed by CPC and the controlling entity for general compliances with the building design.

The members approved the plan.

Update on "Beyond the Centennial Mural" and review of artist contract

Mr. Ellwanger, said the Arts Standards and the Architectural Grounds Committee to review the contract signed between the artist and Friends of the Capitol. There was no action taken on this item.

New Business

Mr. Richard told those present that he is proposing legislation to create a Capitol Centennial Commission. Mr. Richard said the purpose is to build a legislative momentum necessary to accomplish primarily the infrastructure, but build into to it also all of the remaining architectural desires which should be done concurrent with that. Build the interest for funding but also build in mechanisms that can bring in all aspects of funding.

Adjournment

There being no further business the meeting adjourned at 4:00 p.m.
