

The WSCA RFP for Electronic Monitoring of Offenders has been released to the supplier community by the State of Washington.

The WSCA Electronic Monitoring of Offenders RFP is available to vendors registered on Washington State website "Washington's Electronic Business Solutions" (WEBS) - <http://ga.wa.gov/Business/register.htm> Vendors may choose to register for Commodity Code number 680-71 titled: Prisoner Tracking Devices, Electronic (Wrist and Leg Bands, etc.). Vendors will then be able to download a copy of the RFP and then will automatically be notified if any amendments are released.

State of Washington, RFP Number 00212

Release Date: 4 April 2012

Closing Date & Time: 17 May 2012 at 2:00 p.m. (Pacific Standard Time)

The purpose of this contract is the purchase of vendor-provided equipment and services for the monitoring of offenders through Radio Frequency (RF) electronic monitoring, alcohol monitoring, and satellite monitoring and remote tracking service (GPS). Contracts may be established with several vendors for each of these monitoring services and may be modified as necessary to add new technology or enhancements to existing equipment/service available from the contract vendor.
