A list of optional equipment and/or accessories shall be provided. The list must contain:

- Item
- Description and functionality detail
- Cost of item installed in final delivery of vehicle
- Any changes to listed specifications as outlined above to accommodate options

**PROPOSAL EXECPTIONS:**

Supplier must list any exceptions here to be used as a part of the Proposal evaluation and analysis. Please list the roman numerical on the standard specs or the number for the options when listing any Proposal exceptions.

I, page 1 of 44: Due to Ford and Chevrolet's chassis shortage the 120 calendar day delivery cannot be met. Delivery from Goshen Coach will be 120 calendar days from receipt of chassis.

XXIV, page 10 of 44: Air Conditioning, Carrier model AC-833MAX is no longer available for bus air conditioning systems. Since all other A/C systems were not approved we are quoting Goshen Coach standard air conditioning system manufactured by American Cooling Technology's. ACT is a major manufacture in the bus A/C industry.

Optional Items, #2: CNG Bi-fuel conversion is not available from Westport/BAF or IMPCO. No bid for CNG Bi-fuel for sections I, L, and N.
