Overall size is 5/8" x 13/32".

Outside rim to be raised with the longevity recognition design raised from the recessed background area of the emblem.

The design consists of the letters "O" and "K" being solid and approximately 11/32" in height.

The word "STATE" is raised from a panel in the top of the letter "O" extending from the eleven (11) o'clock to one (1) o'clock position with the word "SERVICE"; also raised from the recessed background area of a panel in the bottom of the letter "O" extending from the seven (7) o'clock to the five (5) o'clock position, for the award years twenty-five (25) through fifty (50), a jewel is to be added in addition to the numeral and is set in the center of the star in the center of the "O".

The numbers 25, 30, 35, 40, 45 and 50 are to be die struck, (not engraved) as in integral part of the emblem in the center of the letter "K" for the 25, 30, 35, 40, 45 and 50 year pins.
