### **SW241 – Firefighter's Equipment Information**

**Please note: All Contractor's Cost Workbook responses are being posted to help Authorized User's determine who is giving the best pricing on products.**

All products listed in Section B of the Workbook are only **example** products. The bidders were asked to provide information on same as or equal products for evaluation purposes. The bidders were asked to list the equal product manufacturer/description, the manufacturer's part number, the list price, the percentage discount and the net cost of that product. The products listed in these Cost Workbooks aren't meant to imply these are the only products available from each Contractor. Each Contractor may or may not provide more products than are listed.

For catalog information, the bidders either provided their website URLs or sent in some catalog pages or both. Those catalog pages will be posted to the website.
