FX-R Turnouts (Coat and Pant)

The items on this page are required for NFPA 1971 compliant coats and pants

The only gear in the industry utilizing Active Posture Design™ (APD). APD is a collection of design elements that are specifically designed to minimize firefighter stress and fatigue by focusing on achieving firefighter comfort & mobility through design rather than by oversizing the garment. This reduces material and bulkiness getting the firefighter in the ready position with design features targeting the center point of a typical firefighter's full range of motion.

FX-M Turnouts (Coat and Pant)

The items on this page are required for NFPA 1971 compliant coats and pants

The latest in the Fire-Dex line of turnouts, FXM features a modern tapered hem coat that is longer in the back and shorter in front giving you maximum coverage where you need it, and just as importantly, less where you don't. In addition, a seamless crotch gusset provides less restriction and more durability

TECGEN PPE Return & Exchange

Goods **will not** be accepted without a valid return goods authorization number (RGA#)*. RGAs are obtainable from your Customer Service Representative. **Returns or exchanges are not permitted past 90 days.**

Gear can be exchanged or returned as long as there is no customization (lettering, additional options) and if it is in completely new, unused condition. Stock (MTS) goods can be returned or exchanged free of charge, and Made-to-Order (MTO) goods can be exchanged/returned with a 25% restocking fee. Customized products cannot be returned or exchanged.

The following part numbers are considered Stock (MTS):

Jackets - XJMT, XJ1T, XJ3T, XJ3B, in sizes MD-2X (Reg and Tall)

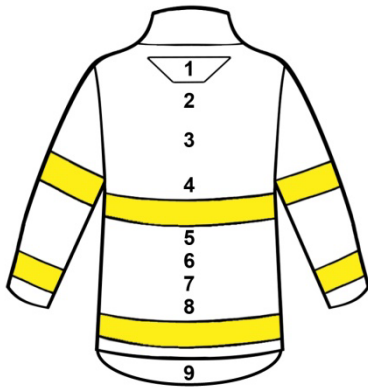

Pants - XPMT, XP1T, XP2T, XP3T, XP2B, XP3B, in sizes MD-2X in 30-32 inseams

All other items are MTO.

Fire-Dex will not accept Return Requests to add options to previously purchased gear. Any additional options and lettering must be requested at the time of order. If options or lettering need added to gear that has already been purchased, these additions will need to be made by an ISP.

*Gear must be from current production standards. All returned goods must be returned clean (in accordance with guidelines of NFPA 1500), to facilitate inspection for proper handling. Goods that have not been cleaned will be sent back freight collect.

Lettering Guidelines

In order to assist you with lettering on your gear, we have developed this lettering chart to help service as a guideline when ordering lettering. The chart highlights the position which corresponds to the numbering listing in FireWriter. Lettering and patch restriction are based on the size of the coat, addition of DexFlex back, and name spelling

Please Note

**An empty space counts as 1 letter

**The bigger the size, the smaller the amount of space between the top and bottom trim

High Visibility Trim Rule

No lettering above top trim unless customer understands that the upper, horizontal trim bar will be lowered to accommodate. In the case of Project Fires, the lettering departments will have to shorten the vertical bars to accommodate the lettering.

High Visibility and Project Fires Rule

The maximum amount of letters to fit BETWEEN the vertical bars on both styles of trim are: a) 3" letters - 6 letters or b) 2" letters - 8 letters

*Note: Positions 3, 6, and 7 are for Multi-Row Lettering Only.

Lettering Patch Guidelines	Maximum 2" Letters	Maximum 3" Letters
Options

SIZING INFORMATION:

Turnout Coats/Jackets: Available in *Even Chest Sizes Only*, 32-74 (measure loosely around body just under the arms). If ordering a 40" chest coat, ours will measure 48" to 50" on the exterior of the coat. This allows for station wear or other clothing to be worn underneath. Standard sleeve lengths (measured from the base of the neck, out over the shoulder and down the arm to the desired length) vary ($\pm \frac{1}{2}$ " Sewing Tolerances) with coat sizes on the chart below.

Pants: Available in *Even Waist Sizes Only*, 28 - 68. (Measure loosely over station wear at point on body where pant waist will be worn. DO NOT add to this measurement or assume sizing comparable with competitors' gear.) If ordering size 36" waist, ours measures 36" on the interior of the waist band. Standard inseam for all sizes is 29"; custom inseams are available with no additional charge.

Fire-Dex also offers women's size pants. When ordering women's sizes include hip measurement.

Additional Charges for Custom Sizing on Coats/Jackets and Pants:

Turnout Coat/Jacket Chest Oversize Charge: Refer to sizing chart for the percentage; this is applied to cost of finished jacket or pant on standard sized products.

Turnout Coat /Jacket Custom Length Charge:

Add 5% to total coat cost for coat lengths 36" to 40"

Add 10% to total coat cost for coat lengths 41" to 45"

Add 20% to total coat cost for coat lengths 46" to 50"

FIRE-DEX® EXPRESS: This gear is shipped in approximately 5 days or less depending on order size. For 20+ set orders contact customer service for delivery estimates.

FIRE-DEX® CUSTOM EXPRESS: Fire-Dex will ship custom gear within five working days from receipt of acknowledged order for a 20% service charge applied. If the order is not shipped in five days then no expedite charge will be applied. Shipment of an acknowledged Custom Express order is guaranteed in five working days or less, or a 20% additional discount will be applied to the order. Choose a 20 working day turnaround time for orders at a 10% service charge. Orders must be acknowledged by Fire-Dex customer service and are subject to materials availability and production capacity. Maximum of 20 sets per order. Available on standard custom options listed on the Fire-Dex price list. Available to established distributors whose accounts are current and in good standing.

Fire-Dex® Measurement Guide

Fire-Dex® Sizing Gear is the most accurate way to measure a person. In the event that sizing gear is not available, follow the instructions below. Use the right side of the guide to mark sizes and not person's data.

- All measurements are taken with arms at sides and at an "at ease" stance.
- All measurements are taken with stationwear on.
- Do not use other manufacturers' measurements.

CHEST – Measure at chest, just below armpits. Bigger is usually better for fit and comfort. Even numbered sizes only, i.e. 32", 34", etc.

*If using a Fire-Dex Sizing Chart for general sizing, we manufacture the larger of the two numbers in each category.

SLEEVE - Measure sleeve lengths from the middle of the back, from the vertebrae at the base of the neck, over the shoulder to the point on the hand that is required (generally done to the thumb crotch). Longer is usually better for protection. Do not bend arm.

*On applicable gear, if a sleeve length is not specified, the standard sleeve length will be shipped.

WAIST - Waist is measured at point where pant will be worn. Bigger is usually better for fit and comfort. The inside of the pants, at the waist, will measure the dimension you place on the order. Even numbered sizes only, i.e. 32", 34", etc.

* If using a Fire-Dex Sizing Chart for general sizing, we manufacture the larger of the two numbers in each category

INSEAM - Inseam is measured from the crotch to the point on the foot that is required.

*On applicable gear, if an inseam is not specified, the standard inseam will be shipped.

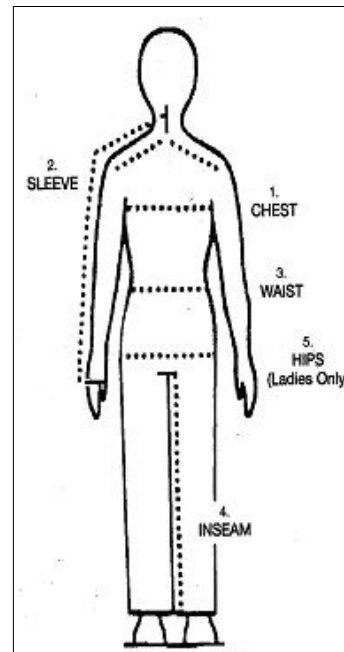

SUSPENDERS - Suspenders are measured from the rear suspender post over the top of the shoulder to the front suspender post. Correct rise pants and rear bib size need to be used.

HIPS (ladies only) - Measure hips at widest point.

Terms and Conditions

Customer Service Policy: This statement does not supersede the terms or conditions of sale that are printed on Bullard sales orders, acknowledgements and packing slips. Instead, it is a guide to our customer service policies. Bullard reserves the right to change product specifications without notice.

Prices: Orders must specify one destination and one shipping date. Prices are subject to change without notice. We attempt to advise our customers of price changes in advance, but cannot guarantee to do so. Orders specifying future shipment are subject to prices effective at the time of shipment. Possession of this price list does not grant the right to distributor discounts.

Minimum Order: Minimum purchase order is \$100.00. Products from other Bullard price lists may be combined to meet minimum or additional charge.

Purchase Order Change Requests: Purchase orders for custom order products are final upon receipt, and cancellation or changes are not permitted. Order modification requests for non-custom products may be requested by contacting the Customer Service Department. We will try to accommodate requests if received within 24 hours of purchase order receipt. Change approvals are not guaranteed.

Terms: Standard terms net 30 days, F.O.B. shipping point.

Freight: Title to goods passes to the buyer upon delivery to the carrier at the Bullard dock. Orders of \$2,500 or more are shipped freight prepaid by Bullard within the continental U.S. via the carrier(s) of our choice. Products from other Bullard price lists may be combined to receive free freight. Orders specifying other means of shipment are shipped collect regardless of order value. To qualify for prepaid freight, orders must specify a single destination and shipping date.

Credit policy: We reserve the right to assess a 1.5% service charge per month on overdue balances. Our credit department is authorized to hold shipments if past due balances are not paid.

Returned goods: All returned merchandise must be in resalable condition. Obsolete, custom-produced or otherwise non-sellable products are non-returnable. No Restocking Fee on returns made within 6 months. A 10% Restocking Fee applies to all returns between 6-12 months. Orders that were originally shipped pre-paid by Bullard (orders over \$2500) will be charged the freight costs associated with the initial shipment. The freight costs will be deducted from the credit amount of the returned products. Refer to the Bullard Return Authorization Request Form on the Bullard Distributor site.

Special Orders: We welcome the opportunity to meet special requirements. However, special orders are accepted with the understanding that we may over-ship and bill accordingly by as much as 10% of the order, due to the special nature of the product.

Drop Shipments: In certain situations, drop shipments may be made to authorized distributor locations or other locations within a distributor's recognized territory. Please contact Customer Service for details.

Information Support Policy: Bullard provides distributors with catalogs, price lists, promotional literature, and other printed material. Generally, this information is provided to the distributor at no cost. However, Bullard reserves the right to charge a distributor when literature requests exceed reasonable levels based on the distributor's annual sales volume. All Bullard literature is available for download from our web site at www.bullard.com.

Streamlight's Limited Lifetime Warranty

Streamlight warrants its products to be free of defects for a lifetime of use except for batteries and bulbs, abuse and normal wear*. We will repair, replace or refund the purchase price of this product should we determine it to be defective. This limited lifetime warranty also excludes rechargeable batteries, chargers, switches and electronics which have a 2 year warranty with proof of purchase. THIS IS THE ONLY WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES ARE EXPRESSLY DISCLAIMED EXCEPT WHERE SUCH LIMITATION IS PROHIBITED BY LAW. You may have other specific legal rights which vary by jurisdiction.

Your particular Streamlight product may have a different warranty that was in place at the time of purchase. Please provide proof-of-purchase when processing a warranty claim. If you have further questions or would like to process a warranty claim, go to www.streamlight.com/support and review Streamlight's FAQ section for locations and information about Streamlight's service center near you, including factory information. If you have any questions on the warranty of your Streamlight product or service, please contact us directly at 800-523-7488/610-631-0600.

*Sidewinder and Sidewinder Compact Series not included in limited lifetime warranty.

DISTRIBUTOR WARRANTY RETURNS PROCESS (FOR PURCHASES MADE WITHIN 30 DAYS):

Akron Brass Company

General Terms and Conditions of Sale

Quotations and Proposals

Unless and except to the extent specially stated otherwise in the applicable quotation or proposal or of the applicable purchase order acceptance:

- All quotations and proposals issued by Akron Brass Company or any of its divisions ("Seller"), all purchase order acceptances by Seller, and all sale transactions by Seller are always upon and subject to these General Terms and Conditions of Sale, and no different, additional, conflicting or inconsistent terms and conditions set forth or referenced in any purchase order shall apply.
- Quotations and proposals issued by Seller are not binding and may be revoked or modified by Seller at any time and, if not earlier revoked, will expire 60 days after the date of issuance.
- All amounts are in US Dollars.

Orders

All orders must contain the following information at a minimum:

- Purchaser Name and Address
- Purchaser Contact Name, Email Address, and Telephone Number
- Purchaser Purchase Order Number
- Seller Part Number
- Item Description
- Item Quantity
- Item Price
- Requested Delivery Date (Date of Receipt at Purchaser's Location)
- All logistics information required for processing and shipment

Export orders must also contain the following information (if known):

- Country of Ultimate Destination
- End User Contact Name, Email Address or Fax Number, and Telephone Number

If an order is submitted in response to a specific quotation or proposal issued by Seller: (i) the quotation or proposal must be referenced in the order, and (ii) the order must state that it is submitted pursuant to such quotation or proposal and is under and subject to all of the terms and conditions of such quotation or proposal, including, unless and except to the extent specifically stated otherwise in such quotation or proposal, these General Terms and Conditions of Sale.

Orders for non-catalog items or special order items may have minimum purchase quantity requirements. Purchaser will be advised of any minimum purchase quantity requirements at the time the order is placed.

Orders for items sold in packaged quantities must be for the full packaged quantity.

All orders are subject to acceptance by Seller, and Seller shall have no obligation under any order unless and until the same is accepted by Seller and a confirmation of acceptance has been issued to Purchaser. To be effective, a confirmation of acceptance must be given in writing or by fax, email or other electronic media.

Unless and except to the extent specifically stated otherwise in Seller's confirmation of acceptance of an order or, if an order is submitted in response to a specific quotation or proposal issued by Seller, as specifically stated otherwise in such proposal or quotation, Seller's acceptance of an order shall always be upon and subject to these General Terms and Conditions of Sale, and any different or additional terms and conditions set forth or referenced in Purchaser's order or otherwise are rejected and shall not apply.

Seller shall have the right to refuse to accept any order for any reason. Without in any way limiting Seller's right to refuse to accept an order, Seller will accept orders only from approved Purchasers who are in good standing.

Price sheets and other Seller literature are not offers to sell by Seller.

The minimum order value is US\$50.00. Orders under US\$50.00 will not be accepted or processed.

Order Cancellations

A request to delay or change shipment after an item has been scheduled for production or shipment may result in a price increase and/or additional charges, including warehousing and rescheduling charges. If the requested delay or change in shipment exceeds 90 days, the request may be treated as a request for cancellation.

All requests to cancel an order must be submitted to Seller in writing.

Seller normally permits orders for catalog items in standard quantities to be cancelled at any time prior to shipment without penalty. Orders for non-catalog items, custom-configured and other special order items may be canceled only upon payment of a cancellation charge as determined by Seller. The cancellation charge may include production cost, engineering expense, selling expense, a reasonable amount for overhead, and a reasonable amount for profit. If an order includes items to special specifications or sizes or of types not in general production, the cancellation charge will include payment for all special work. The minimum cancellation charge is the greater of 25% of the order value or US\$100.00.

Shipping and Dimensions, Sizes and Weights

Scheduled shipping dates are approximate only and not guaranteed and are subject to timely receipt of all necessary information and documentation from Purchaser.

Unless and except to the extent an order expressly states on its face that no partial shipments are allowed and/or that no early shipments are allowed, Seller shall have the right to make partial shipments and to make shipments prior to the scheduled ship date on the order confirmation.

The delivery term for all orders is FCA (Incoterms 2010) shipping dock at Seller's facility from which the items ordered are supplied (either 343 Venture Blvd., Wooster, OH 44691, USA; 607 NW 27th Ave., Ocala, FL 34475, USA; 3656 Paragon Drive, Columbus, OH 43228, USA; or 1736 Westbelt Drive, Columbus, OH 43228, USA).

Seller shall have the right to designate carrier and routing whenever freight is allowed. Where freight is not allowed, Purchaser's designated carriers will be used where practical; provided, however, that Seller has the right to designate other carriers and routing to the extent Seller deems necessary or appropriate. Where freight is not allowed, the freight charge will be prepaid and added to the invoice.

Prices include standard packaging and packing only. Any special packaging or packing requested by Purchaser shall result in additional charges.

Published dimensions, sizes and weights are approximate only and are not guaranteed.

Certified dimension drawings of an item may be obtained from Seller at US\$50 per set.

Seller shall have the right to refuse to ship items to any person or entity or any destination or for any use that it believes to be unlawful.

Pricing and Payment Terms

All orders shall be Cash-In-Advance, Pre-Pay unless other credit terms are established in writing with Seller.

Unless specifically stated otherwise in a written Special Pricing Notification (SPN) published by Seller:

- All prices are in US Dollars, and all payments are to be made in US Dollars
- All prices are FCA (Incoterms 2010) shipping dock at Seller's facility from which the items ordered are supplied. (either 343 Venture Blvd., Wooster, OH 44691, USA; 607 NW 27th Ave., Ocala, FL 34475, USA; 3656 Paragon Drive, Columbus, OH 43228, USA: or 1736 Westbelt Drive, Columbus, OH 43228, USA).
- All prices shall be based on Purchaser's standard discount and Seller's published price list in effect on the date the order is placed. List prices are subject to change without notice. If an order has a requested shipment date for any item that is more than 90 days after the order is placed, Seller reserves the right to revise pricing for the item.
- For Purchasers with prior credit approval, the standard payment term for the price of items and other amounts payable by Purchaser shall be net 30 days from date of invoice so long as Purchaser's account balance is within its approved credit limit. Seller reserves the right to review and revoke a Purchaser's credit approval and/or modify a Purchaser's credit limit at any time.
- For a Purchaser without prior credit approval or whose account balance exceeds its credit limit, at Seller's discretion, the standard payment term for the price of items and other amounts payable by Purchaser shall be payment in full with submission of order.
- Acceptance of payment by credit card shall be at Seller's discretion. If credit card payment is accepted, Seller may impose a processing fee.

No order shall be accepted that reflects prices or payment in any currency other than US Dollars, pricing that differs from Purchaser's standard discount or Seller's published price list in effect on the date the order is placed, a delivery term that differs from the applicable standard delivery term, or a payment term that differs from the applicable standard payment term, unless accompanied by a copy of a duly signed written quotation or proposal to Purchaser or a Special Pricing Notification (SPN) published by Seller reflecting such different currency, pricing, delivery term or payment term.

Unless specifically stated otherwise in a Special Pricing Notification (SPN), all SPNs may be revoked or modified by Seller at any time and, if not earlier revoked, will expire 60 days after the date of publication.

Invoices may be issued at any time after shipment. Partial shipment may be invoiced as the partial shipments are made.

Interest at the rate of 1.5 % per month may be charged on all overdue amounts.

If Purchaser's account with Seller or any other IDEX Unit should become past due or, in the judgment of Seller, Purchaser's financial condition does not justify continuance of production or shipment on the applicable payment terms, Seller may, at its sole discretion, suspend production or shipment and require full or partial payment in advance of production or shipment.

In the event Seller has completed and prepared items for shipment and shipment is delayed by Purchaser for any reason, Seller may invoice Purchaser as if shipment had been made and the amount invoiced shall be due and payable as if shipment had been made. After invoice, items held by Seller as a result of a delay in shipment by Purchaser shall be held at the risk and expense of Purchaser.

Title and Risks

Seller will cease to have any responsibility for items and title and all risk of loss or damage to items shall pass to Purchaser in accordance with the applicable delivery term.

Purchaser should make a visual inspection of shipping containers and packages for obvious damage before "signing off" on the carrier's receipt. If damage is noted, it should be so indicated on the carrier's receipt before acceptance. Lack of damage to the outside of a shipping container or package does not guarantee undamaged contents. Purchaser should open shipping containers and packages and inspect contents promptly after receipt. If contents are damaged, Purchaser should contact the carrier immediately. If contents do not match the order, Purchaser must notify Seller immediately.

Any shortages or order differences reported to Seller more than 30 days after shipment or 10 days after receipt will not be eligible for return, replacement or adjustment by Seller.

Returns

Seller will not consider requests for credit returns made more than 120 days after the date of shipment. No credit returns shall be accepted by Seller unless accompanied by a Return Materials Authorization (RMA) issued by Seller. Seller shall have no obligation to issue an RMA. In order to be returnable for credit, items must be standard items that are new, unused, the same as items currently being offered for sale by Seller, and in their original packaging with all associated documents, including user manuals. Items which are no longer available, discontinued, obsolete, or special order/production, or otherwise deemed not returnable will not be accepted for return. Seller reserves the sole right to determine the returnability of items for credit.

Items which are received in non-returnable condition for credit will be handled in one of the following ways:

- Destroyed with Purchaser's approval
- Returned to Purchaser at its expense
- Refurbished and returned to Purchaser at its expense with its approval
- Partial credit issued to Purchaser at the sole discretion of Seller

Seller will have no responsibility or liability in connection with items returned for credit without an RMA. Credit returns arriving without a valid RMA may be refused. All items returned must be properly packed and identified in accordance with the RMA.

All costs and expenses associated with credit returns shall be borne by Purchaser. Return costs and expenses may include labor, material, administrative, and any other costs and expenses arising out of the return. A minimum 20% restocking charge may be assessed on all credit returns. Any credit will be subject to and conditioned the receipt of the returned items in new, unused, undamaged and saleable condition.

Seller may accept a credit return and waive the restocking or cancellation fee in the event Seller determines that the return was due to an error that was the fault of Seller.

Returns for repair do not require an RMA, but should be registered using the Akron Brass Company website at <http://onlinerepair.akronbrass.com/>. The website includes Seller's repair terms and conditions and allows a return repair packing list and address label to be printed and progress of the repair to be tracked. If use of the website is not possible, information concerning repairs can be obtained by calling the Seller's Customer Care Team at 1-800-228-1161 or writing to Seller at Akron Brass Company, 343 Venture Blvd., Wooster, OH 44691, USA. Repair returns may be subject to a repair estimate fee that will be waived if the repair is made.

All credit and repair returns are at Purchaser's or its customer's sole risk and expense, and any shipping charges on returned items shall be paid by Purchaser or its customer. No collect shipments will be accepted unless authorized in writing in advance by Seller.

Designs, Materials, Components and Discontinuance

Seller may make changes and modifications to the design of any item at any time without affecting any order or making the same changes and modifications to any previously produced or sold item. Actual items shipped may vary in design, look or content from items shown in catalogs, advertisements or other literature. Seller may substitute materials, components and parts for any item at any time without affecting any order or making the same changes and modifications to any previously produced or sold item. Seller may discontinue the production and sale of any item at any time without incurring any liability or obligation in connection with any order or any previously produced or sold item.

Taxes

Purchaser shall pay all sales, use, value added and other taxes, all duties and tariffs, and all other amounts payable to any governmental authority, whether or not presently in effect, imposed upon or payable with respect to the manufacture, sale, transportation, possession, use or delivery of any item purchased by Purchaser, except that Purchaser shall not be required to pay any tax imposed upon or measured by the income of Seller. In the event Seller should pay any tax, duty or tariff, or other amount that is Purchaser's responsibility, Purchaser shall promptly reimburse Seller for such tax, duty or tariff, or other amount on demand.

Any claim by Purchaser that an order is not subject to tax, duty or tariff, or other amount payable to a governmental authority must be supported by an appropriate exemption certificate or other documentation acceptable to tax and custom authorities. Unless a current copy of an appropriate tax exemption certificate or other acceptable documentation is on file at Seller, all such documentation must be submitted to Seller with the order.

Installation, Operation and Maintenance

Seller's installation, operation, and maintenance instructions assume the existence of normal factors and conditions and do not allow for any special factors or conditions that may exist during actual use. Purchaser shall be responsible for ensuring that only properly trained and qualified personnel install, operate and maintain items products purchased from Seller.

Warranty

Products are warranted in accordance with and subject to terms and conditions of Seller's standard Warranty Statement in effect on the date the applicable order is submitted, which standard Warranty Statement is incorporated herein and made a part hereof by this reference.

Seller's standard Warranty Statement is posted on the Akron Brass Company website at www.akronbrass.com/customer-support-warranty/. A copy of Seller's standard Warranty Statement may also be obtained by calling Seller's Customer Care team at 1-844-288-6679 or writing to Seller at Akron Brass Company, 343 Venture Blvd., Wooster, OH 44691, USA.

Liability Limitations

TO THE MAXIMUM EXTENT PERMITTED BY LAW, UNDER NO CIRCUMSTANCES SHALL SELLER HAVE (i) ANY LIABILITY TO PURCHASER, ANY USER OR ANY OTHER PERSON OR ENTITY FOR ANY CLAIM, LOSS, DAMAGE, INJURY, LIABILITY, OBLIGATION, COST OR EXPENSE THAT DIRECTLY OR INDIRECTLY RELATES TO OR ARISES OUT OF THE USE OR FAILURE OF ANY PRODUCT, PART OR OTHER ITEM SOLD BY SELLER OTHER THAN AS SET FORTH IN SELLER'S STANDARD WARRANTY IN EFFECT ON THE DATE THE APPLICABLE ORDER IS SUBMITTED OR (ii) ANY LIABILITY FOR INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF SALES, LOSS OF PROFITS, DOWN TIME, LOSS OF PRODUCTION, LOSS OF CONTRACTS, OR DAMAGE TO REPUTATION OR GOOD WILL, WHETHER OR NOT SELLER WAS AWARE OF OR ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

IN ANY EVENT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, SELLER'S LIABILITY IN CONNECTION WITH ANY PARTICULAR PRODUCT, PART OR OTHER ITEM SHALL BE LIMITED TO THE ORIGINAL PRICE PAID TO SELLER BY PURCHASER FOR SUCH PRODUCT, PART OR OTHER ITEM.

Nuclear Exclusion

PRODUCTS, PARTS AND OTHER ITEMS SUPPLIED BY SELLER ARE "COMMERCIAL GRADE ITEMS" AND MAY NOT BE USED FOR ANY "SAFETY RELATED" PURPOSE, APPLICATION OR FUNCTION AT ANY NUCLEAR POWER PLANT OR OTHER NUCLEAR FACILITY.

Resale or Transfer

If Purchaser resells or transfers any products, parts or other items supplied by Seller (whether sold or transferred in the form provided by Seller or in a modified form or as a component or part of or in connection with other goods or services):

- All warranties, liabilities and obligations in connection with the resale or transfer of such products, parts or other items shall be the sole responsibility, liability and obligation of Purchaser.
- Purchaser shall be solely responsible for determining whether such products, parts or other items conform to and comply with all specifications and technical, commercial, quality, legal and regulatory standards and requirements that may apply in connection with the resale or transfer of such products, parts or other items.
- Purchaser shall be solely responsible for ensuring that such products, parts or other items are fit and appropriate for the purposes, applications and functions for which they may be used after resale or transfer.

Export Controls

Products, parts and other items sold by Seller and related technical information, data, documents and materials are subject to export controls under U.S. Export Administration Regulations and U.S. Department of the Treasury embargo regulations. Purchaser shall strictly comply with all such export controls, shall fully cooperate with Seller in any official or unofficial investigation, audit or inspection that relates to any of such controls, and shall not export, re-export, divert or transfer, directly or indirectly, any product, part or other item sold by Seller or related technical information, data, documents or materials to any party on any U.S. denied party list or destination subject to an embargo or for any use that is otherwise prohibited pursuant to such controls, unless and until Purchaser obtain all required U.S. governmental and regulatory approvals, authorizations and licenses.

☐ Pre-Wired for direct hard wiring

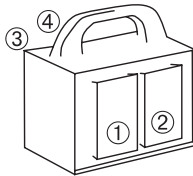

Select one	Description
<input type="checkbox"/>	3 wires for 120V (standard)
<input type="checkbox"/>	3 wires for 240V
<input type="checkbox"/>	4 wires for 240V

Ready for direct wiring to cord set or cord reel.

STEP 2: SELECT FOUR RECEPTACLES

Select the NEMA # configuration for each receptacle by location on the box.

Receptacle	NEMA#	Receptacle	NEMA#
Location 1	_____	Location 3	_____

Location 2 _____ Location 4 _____

NEMA #	Description
5-15	Single 15 AMP, 125V Straight Blade
5-15 Duplex	Duplex 15 AMP, 125V Straight Blade
5-15 GFCI Duplex*	Duplex 15 AMP, 125V Straight Blade
5-20	Single 20 AMP, 125V Straight Blade
5-20 Duplex	Duplex 20 AMP, 125V Straight Blade

NEMA #	AMP/V
5-20 GFCI Duplex*	GFCI, Duplex 20 AMP, 125V Straight Blade
L5-15	Single 15 AMP, 125V Twist Lock
L5-15 Duplex	Duplex 15 AMP, 125V Twist Lock
L5-20	20 AMP, 125V Twist Lock
L5-30*	30 AMP, 125V Twist Lock. (used with direct wire inlet only)

STEP 3: MOUNTING CONTAINER* (OPTIONAL)

☐ Vertical Container

☐ Horizontal Container

All mounting containers include a tread plate finish.

Valve Guide

To place an order: state the style number, inlet and outlet adapters needed (always list inlet adapter first) and the type of handle/actuator. All threaded adapters require thread information. Rigid female adapters are available only with tapered pipe thread (NPT). ***Hose threaded adapters will be supplied with National Hose (NH) thread unless otherwise specified.***

Akron Brass Company

General Terms and Conditions of Sale

Quotations and Proposals

Unless and except to the extent specially stated otherwise in the applicable quotation or proposal or of the applicable purchase order acceptance:

- All quotations and proposals issued by Akron Brass Company or any of its divisions ("Seller"), all purchase order acceptances by Seller, and all sale transactions by Seller are always upon and subject to these General Terms and Conditions of Sale, and no different, additional, conflicting or inconsistent terms and conditions set forth or referenced in any purchase order shall apply.
- Quotations and proposals issued by Seller are not binding and may be revoked or modified by Seller at any time and, if not earlier revoked, will expire 60 days after the date of issuance.
- All amounts are in US Dollars.

Orders

All orders must contain the following information at a minimum:

- Purchaser Name and Address
- Purchaser Contact Name, Email Address, and Telephone Number
- Purchaser Purchase Order Number
- Seller Part Number
- Item Description
- Item Quantity
- Item Price
- Requested Delivery Date (Date of Receipt at Purchaser's Location)
- All logistics information required for processing and shipment

Export orders must also contain the following information (if known):

- Country of Ultimate Destination
- End User Contact Name, Email Address or Fax Number, and Telephone Number

If an order is submitted in response to a specific quotation or proposal issued by Seller: (i) the quotation or proposal must be referenced in the order, and (ii) the order must state that it is submitted pursuant to such quotation or proposal and is under and subject to all of the terms and conditions of such quotation or proposal, including, unless and except to the extent specifically stated otherwise in such quotation or proposal, these General Terms and Conditions of Sale.

Orders for non-catalog items or special order items may have minimum purchase quantity requirements. Purchaser will be advised of any minimum purchase quantity requirements at the time the order is placed.

Orders for items sold in packaged quantities must be for the full packaged quantity.

All orders are subject to acceptance by Seller, and Seller shall have no obligation under any order unless and until the same is accepted by Seller and a confirmation of acceptance has been issued to Purchaser. To be effective, a confirmation of acceptance must be given in writing or by fax, email or other electronic media.

Unless and except to the extent specifically stated otherwise in Seller's confirmation of acceptance of an order or, if an order is submitted in response to a specific quotation or proposal issued by Seller, as specifically stated otherwise in such proposal or quotation, Seller's acceptance of an order shall always be upon and subject to these General Terms and Conditions of Sale, and any different or additional terms and conditions set forth or referenced in Purchaser's order or otherwise are rejected and shall not apply.

Seller shall have the right to refuse to accept any order for any reason. Without in any way limiting Seller's right to refuse to accept an order, Seller will accept orders only from approved Purchasers who are in good standing.

Price sheets and other Seller literature are not offers to sell by Seller.

The minimum order value is US\$50.00. Orders under US\$50.00 will not be accepted or processed.

Order Cancellations

A request to delay or change shipment after an item has been scheduled for production or shipment may result in a price increase and/or additional charges, including warehousing and rescheduling charges. If the requested delay or change in shipment exceeds 90 days, the request may be treated as a request for cancellation.

All requests to cancel an order must be submitted to Seller in writing.

Seller normally permits orders for catalog items in standard quantities to be cancelled at any time prior to shipment without penalty. Orders for non-catalog items, custom-configured and other special order items may be canceled only upon payment of a cancellation charge as determined by Seller. The cancellation charge may include production cost, engineering expense, selling expense, a reasonable amount for overhead, and a reasonable amount for profit. If an order includes items to special specifications or sizes or of types not in general production, the cancellation charge will include payment for all special work. The minimum cancellation charge is the greater of 25% of the order value or US\$100.00.

Shipping and Dimensions, Sizes and Weights

Scheduled shipping dates are approximate only and not guaranteed and are subject to timely receipt of all necessary information and documentation from Purchaser.

Unless and except to the extent an order expressly states on its face that no partial shipments are allowed and/or that no early shipments are allowed, Seller shall have the right to make partial shipments and to make shipments prior to the scheduled ship date on the order confirmation.

The delivery term for all orders is FCA (Incoterms 2010) shipping dock at Seller's facility from which the items ordered are supplied (either 343 Venture Blvd., Wooster, OH 44691, USA; 607 NW 27th Ave., Ocala, FL 34475, USA; 3656 Paragon Drive, Columbus, OH 43228, USA; or 1736 Westbelt Drive, Columbus, OH 43228, USA).

Seller shall have the right to designate carrier and routing whenever freight is allowed. Where freight is not allowed, Purchaser's designated carriers will be used where practical; provided, however, that Seller has the right to designate other carriers and routing to the extent Seller deems necessary or appropriate. Where freight is not allowed, the freight charge will be prepaid and added to the invoice.

Prices include standard packaging and packing only. Any special packaging or packing requested by Purchaser shall result in additional charges.

Published dimensions, sizes and weights are approximate only and are not guaranteed.

Certified dimension drawings of an item may be obtained from Seller at US\$50 per set.

Seller shall have the right to refuse to ship items to any person or entity or any destination or for any use that it believes to be unlawful.

Pricing and Payment Terms

All orders shall be Cash-in-Advance, Pre-Pay unless other credit terms are established in writing with Seller.

Unless specifically stated otherwise in a written Special Pricing Notification (SPN) published by Seller:

- All prices are in US Dollars, and all payments are to be made in US Dollars
- All prices are FCA (Incoterms 2010) shipping dock at Seller's facility from which the items ordered are supplied. (either 343 Venture Blvd., Wooster, OH 44691, USA; 607 NW 27th Ave., Ocala, FL 34475, USA; 3656 Paragon Drive, Columbus, OH 43228, USA; or 1736 Westbelt Drive, Columbus, OH 43228, USA).
- All prices shall be based on Purchaser's standard discount and Seller's published price list in effect on the date the order is placed. List prices are subject to change without notice. If an order has a requested shipment date for any item that is more than 90 days after the order is placed, Seller reserves the right to revise pricing for the item.
- For Purchasers with prior credit approval, the standard payment term for the price of items and other amounts payable by Purchaser shall be net 30 days from date of invoice so long as Purchaser's account balance is within its approved credit limit. Seller reserves the right to review and revoke a Purchaser's credit approval and/or modify a Purchaser's credit limit at any time.
- For a Purchaser without prior credit approval or whose account balance exceeds its credit limit, at Seller's discretion, the standard payment term for the price of items and other amounts payable by Purchaser shall be payment in full with submission of order.
- Acceptance of payment by credit card shall be at Seller's discretion. If credit card payment is accepted, Seller may impose a processing fee.

No order shall be accepted that reflects prices or payment in any currency other than US Dollars, pricing that differs from Purchaser's standard discount or Seller's published price list in effect on the date the order is placed, a delivery term that differs from the applicable standard delivery term, or a payment term that differs from the applicable standard payment term, unless accompanied by a copy of a duly signed written quotation or proposal to Purchaser or a Special Pricing Notification (SPN) published by Seller reflecting such different currency, pricing, delivery term or payment term.

Unless specifically stated otherwise in a Special Pricing Notification (SPN), all SPNs may be revoked or modified by Seller at any time and, if not earlier revoked, will expire 60 days after the date of publication.

Invoices may be issued at any time after shipment. Partial shipment may be invoiced as the partial shipments are made.

Interest at the rate of 1.5 % per month may be charged on all overdue amounts.

If Purchaser's account with Seller or any other IDEX Unit should become past due or, in the judgment of Seller, Purchaser's financial condition does not justify continuance of production or shipment on the applicable payment terms, Seller may, at its sole discretion, suspend production or shipment and require full or partial payment in advance of production or shipment.

In the event Seller has completed and prepared items for shipment and shipment is delayed by Purchaser for any reason, Seller may invoice Purchaser as if shipment had been made and the amount invoiced shall be due and payable as if shipment had been made. After invoice, items held by Seller as a result of a delay in shipment by Purchaser shall be held at the risk and expense of Purchaser.

Title and Risks

Seller will cease to have any responsibility for items and title and all risk of loss or damage to items shall pass to Purchaser in accordance with the applicable delivery term.

Purchaser should make a visual inspection of shipping containers and packages for obvious damage before "signing off" on the carrier's receipt. If damage is noted, it should be so indicated on the carrier's receipt before acceptance. Lack of damage to the outside of a shipping container or package does not guarantee undamaged contents. Purchaser should open shipping containers and packages and inspect contents promptly after receipt. If contents are damaged, Purchaser should contact the carrier immediately. If contents do not match the order, Purchaser must notify Seller immediately.

Any shortages or order differences reported to Seller more than 30 days after shipment or 10 days after receipt will not be eligible for return, replacement or adjustment by Seller.

Returns

Seller will not consider requests for credit returns made more than 120 days after the date of shipment. No credit returns shall be accepted by Seller unless accompanied by a Return Materials Authorization (RMA) issued by Seller. Seller shall have no obligation to issue an RMA. In order to be returnable for credit, items must be standard items that are new, unused, the same as items currently being offered for sale by Seller, and in their original packaging with all associated documents, including user manuals. Items which are no longer available, discontinued, obsolete, or special order/production, or otherwise deemed not returnable will not be accepted for return. Seller reserves the sole right to determine the returnability of items for credit.

Items which are received in non-returnable condition for credit will be handled in one of the following ways:

- Destroyed with Purchaser's approval
- Returned to Purchaser at its expense
- Refurbished and returned to Purchaser at its expense with its approval
- Partial credit issued to Purchaser at the sole discretion of Seller

Seller will have no responsibility or liability in connection with items returned for credit without an RMA. Credit returns arriving without a valid RMA may be refused. All items returned must be properly packed and identified in accordance with the RMA.

All costs and expenses associated with credit returns shall be borne by Purchaser. Return costs and expenses may include labor, material, administrative, and any other costs and expenses arising out of the return. A minimum 20% restocking charge may be assessed on all credit returns. Any credit will be subject to and conditioned the receipt of the returned items in new, unused, undamaged and saleable condition.

Seller may accept a credit return and waive the restocking or cancellation fee in the event Seller determines that the return was due to an error that was the fault of Seller.

Returns for repair do not require an RMA, but should be registered using the Akron Brass Company website at <http://onlinerepair.akronbrass.com/>. The website includes Seller's repair terms and conditions and allows a return repair packing list and address label to be printed and progress of the repair to be tracked. If use of the website is not possible, information concerning repairs can be obtained by calling the Seller's Customer Care Team at 1-800-228-1161 or writing to Seller at Akron Brass Company, 343 Venture Blvd., Wooster, OH 44691, USA. Repair returns may be subject to a repair estimate fee that will be waived if the repair is made.

All credit and repair returns are at Purchaser's or its customer's sole risk and expense, and any shipping charges on returned items shall be paid by Purchaser or its customer. No collect shipments will be accepted unless authorized in writing in advance by Seller.

Designs, Materials, Components and Discontinuance

Seller may make changes and modifications to the design of any item at any time without affecting any order or making the same changes and modifications to any previously produced or sold item. Actual items shipped may vary in design, look or content from items shown in catalogs, advertisements or other literature. Seller may substitute materials, components and parts for any item at any time without affecting any order or making the same changes and modifications to any previously produced or sold item. Seller may discontinue the production and sale of any item at any time without incurring any liability or obligation in connection with any order or any previously produced or sold item.

Taxes

Purchaser shall pay all sales, use, value added and other taxes, all duties and tariffs, and all other amounts payable to any governmental authority, whether or not presently in effect, imposed upon or payable with respect to the manufacture, sale, transportation, possession, use or delivery of any item purchased by Purchaser, except that Purchaser shall not be required to pay any tax imposed upon or measured by the income of Seller. In the event Seller should pay any tax, duty or tariff, or other amount that is Purchaser's responsibility, Purchaser shall promptly reimburse Seller for such tax, duty or tariff, or other amount on demand.

Any claim by Purchaser that an order is not subject to tax, duty or tariff, or other amount payable to a governmental authority must be supported by an appropriate exemption certificate or other documentation acceptable to tax and custom authorities. Unless a current copy of an appropriate tax exemption certificate or other acceptable documentation is on file at Seller, all such documentation must be submitted to Seller with the order.

Installation, Operation and Maintenance

Seller's installation, operation, and maintenance instructions assume the existence of normal factors and conditions and do not allow for any special factors or conditions that may exist during actual use. Purchaser shall be responsible for ensuring that only properly trained and qualified personnel install, operate and maintain items products purchased from Seller.

Warranty

Liability Limitations

TO THE MAXIMUM EXTENT PERMITTED BY LAW, UNDER NO CIRCUMSTANCES SHALL SELLER HAVE (i) ANY LIABILITY TO PURCHASER, ANY USER OR ANY OTHER PERSON OR ENTITY FOR ANY CLAIM, LOSS, DAMAGE, INJURY, LIABILITY, OBLIGATION, COST OR EXPENSE THAT DIRECTLY OR INDIRECTLY RELATES TO OR ARISES OUT OF THE USE OR FAILURE OF ANY PRODUCT, PART OR OTHER ITEM SOLD BY SELLER OTHER THAN AS SET FORTH IN SELLER'S STANDARD WARRANTY IN EFFECT ON THE DATE THE APPLICABLE ORDER IS SUBMITTED OR (II) ANY LIABILITY FOR INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF SALES, LOSS OF PROFITS, DOWN TIME, LOSS OF PRODUCTION, LOSS OF CONTRACTS, OR DAMAGE TO REPUTATION OR GOOD WILL, WHETHER OR NOT SELLER WAS AWARE OF OR ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

IN ANY EVENT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, SELLER'S LIABILITY IN CONNECTION WITH ANY PARTICULAR PRODUCT, PART OR OTHER ITEM SHALL BE LIMITED TO THE ORIGINAL PRICE PAID TO SELLER BY PURCHASER FOR SUCH PRODUCT, PART OR OTHER ITEM.

Nuclear Exclusion

PRODUCTS, PARTS AND OTHER ITEMS SUPPLIED BY SELLER ARE "COMMERCIAL GRADE ITEMS" AND MAY NOT BE USED FOR ANY "SAFETY RELATED" PURPOSE, APPLICATION OR FUNCTION AT ANY NUCLEAR POWER PLANT OR OTHER NUCLEAR FACILITY.

Resale or Transfer

If Purchaser resells or transfers any products, parts or other items supplied by Seller (whether sold or transferred in the form provided by Seller or in a modified form or as a component or part of or in connection with other goods or services):

- All warranties, liabilities and obligations in connection with the resale or transfer of such products, parts or other items shall be the sole responsibility, liability and obligation of Purchaser.
- Purchaser shall be solely responsible for determining whether such products, parts or other items conform to and comply with all specifications and technical, commercial, quality, legal and regulatory standards and requirements that may apply in connection with the resale or transfer of such products, parts or other items.
- Purchaser shall be solely responsible for ensuring that such products, parts or other items are fit and appropriate for the purposes, applications and functions for which they may be used after resale or transfer.

Export Controls

Products, parts and other items sold by Seller and related technical information, data, documents and materials are subject to export controls under U.S. Export Administration Regulations and U.S. Department of the Treasury embargo regulations. Purchaser shall strictly comply with all such export controls, shall fully cooperate with Seller in any official or unofficial investigation, audit or inspection that relates to any of such controls, and shall not export, re-export, divert or transfer, directly or indirectly, any product, part or other item sold by Seller or related technical information, data, documents or materials to any party on any U.S. denied party list or destination subject to an embargo or for any use that is otherwise prohibited pursuant to such controls, unless and until Purchaser obtain all required U.S. governmental and regulatory approvals, authorizations and licenses.
