The Value Added Plan is attached to this Addendum for reference.

# ATTACHMENT A: VALUE ADDED PLAN

This template must be used. The Value Added Plan should identify any value added options or ideas that may benefit the States. The value added claims should be prioritized (identify the most important claims first). The Offeror may add or delete Value Added Claim table templates, but do not exceed the 2-page limit for this section. Do NOT include any identifying information in the Plan. Information listed under the "Documented Performance" line may describe where the Respondent has used the approach or solution previously, and what the results were in terms of verifiable metrics. Example (this example can be deleted to accommodate more claims)
