General information / Website ect.

Please go to www.J&Requipment.com to view our website. You can also log onto www.elginsweeper.com to view all of the sweepers offered on the Oklahoma State Contract.

In addition we offer eco infused technology in many of our sweepers along with CNG options to help reduce the carbon footprint. Eco infused technology allows us to use available horsepower from the chassis to sweep at optimum levels without all the complications of tier4 final high horsepower engines that many of our competitors use. Call today to find out why Elgin is superior.

We also offer the largest selection of sweepers thus allowing us to match the perfect sweeper to the customer's application.

Oklahoma State Contract

RE: J&R Equipment

To whom it may concern,

Please be advised that J&R Equipment is the authorized and approved dealer for selling, installing and servicing the Elgin Street Sweeper line of equipment and the Vactor Manufacturing line of equipment to all governmental entities in the state of Oklahoma.

Please contact me if you should have any questions.

Sincerely,

Tom Sybilrud
Federal Signal Corporation

PH: (405) 495-5110
jandrequipment.com

To whom it may concern:

Any piece of equipment purchased from J&R Equipment llc/ J&R Environmental truck sales includes unlimited training for operators and technicians included with the purchase of a unit. We have after the sale support on service and parts in Oklahoma City or we can do field service work at your location for an hourly rate of \$115.00.

We also offer several different equipment options in CNG/ alternative fuel. Please call if you are interested and we can talk to you about our different offerings.

We also sell, rent or lease equipment with buy back opportunities. We can structure the purchase to meet the customer's needs.

We offer extended warranties and equipment purchases at a discount off of list price.

Thanks for the opportunity

Pricing Pages

Please see attached pricing pages to get the chassis prices and other options available. We offer a 3% discount off of machines and options. Special options are available per request if not listed on the sheets and will be priced at list less 3% discount as well.

Thanks

Rodney Womack

LIMITED WARRANTY

Limited Warranty. Each machine manufactured by ELGIN SWEEPER COMPANY ("ESCO" or the "Company") is warranted against defects in material and workmanship for a period of 12 months, provided the machine is used in a normal and reasonable manner and in accordance with all operating instructions. If sold to an end user, the applicable warranty period commences from the date of delivery to the end user. If used for rental purposes, the applicable warranty period commences from the date the machine is first made available for rental by the Company or its representative. This limited warranty may be enforced by any subsequent transferee during the warranty period. This limited warranty is the sole and exclusive warranty given by the Company.

Exclusive Remedy. Should any warranted product fail during the warranty period, ESCO will cause to be repaired or replaced, as the Company may elect, any part or parts of such machine that the Company's examination discloses to be defective in material or factory workmanship. Repairs or replacements are to be made at the selling Elgin distributor's location or at other locations approved by ESCO. In lieu of repair or replacement, the Company may elect, at its sole discretion, to refund the purchase price of any product deemed defective. The foregoing remedies shall be the sole and exclusive remedies of any party making a valid warranty claim.

The ESCO Limited Warranty shall not apply to (and ESCO shall not be responsible for):

1. Major components or trade accessories that have a separate warranty from their original manufacturer, such as, but not limited to, trucks, engines, hydraulic pumps and motors, tires and batteries.
2. Normal adjustments and maintenance services.
3. Normal wear parts such as, but not limited to, brooms, oils, fluids, filters, broom wire, shoe runners, rubber deflectors and suction hoses.
4. Failures resulting from the machine being operated in a manner or for a purpose not recommended by ESCO.
5. Repairs, modifications or alterations without the express written consent of ESCO, which in the Company's sole judgment, have adversely affected the machine's stability, operation or reliability as originally designed and manufactured.
6. Items subject to misuse, negligence, accident or improper maintenance.

"NOTE" The use, in the product, of any part other than parts approved by ESCO may invalidate this warranty. ESCO reserves the right to determine, in its sole discretion, if the use of non-approved parts operates to invalidate the warranty. Nothing contained in this warranty shall make ESCO liable for loss, injury, or damage of any kind to any person or entity resulting from any defect or failure in the machine.

THIS WARRANTY SHALL BE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE DISCLAIMED.

This warranty is in lieu of all other obligations or liabilities, contractual and otherwise, on the part of ESCO. For the avoidance of doubt, ESCO shall not be liable for any indirect, special, incidental or consequential damages, including, but not limited to, loss of use or lost profits. ESCO makes no representation that the machine has the capacity to perform any functions other than as contained in the Company's written literature, catalogs or specifications accompanying delivery of the machine. No person or affiliated company representative is authorized to alter the terms of this warranty, to give any other warranties or to assume any other liability on behalf of ESCO in connection with the sale, servicing or repair of any machine manufactured by the Company. Any legal action based hereon must be commenced within eighteen (18) months of the event or facts giving rise to such action.

ESCO reserves the right to make design changes or improvements in its products without imposing any obligation upon itself to change or improve previously manufactured products.
