RE: TRAINING PLAN FOR OKLAHOMA STATE CONTRACT SW191 SWEEPERS

Nilfisk, Inc. will provide delivery, installation and training for each machine sold on this contract at no additional charge to the customer. This will be conducted by one of our Certified Authorized Dealers.

Nilfisk, Inc. also provides 24x7 online training at no additional charge to the customer with our Nilfisk University program. Nilfisk University provides an interactive environment for training, access to educational resources, and knowledge sharing that promotes the success of Nilfisk customers, dealers and employees around the world.

*Attaining excellence through active learning.*

Gain a knowledge advantage with Nilfisk University, the cleaning equipment industry's most comprehensive web-based training and interactive learning resource.

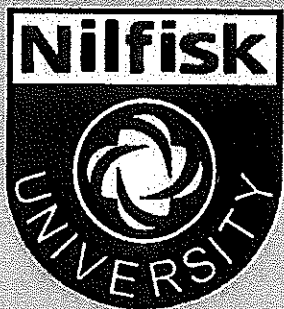

## Your degree in success is just a click away at Nilfisk University.

Customers at all levels stay at the top of their class while attending NilfiskU. Designed and automatically configured for your success and development, NilfiskU gives you exclusive, 24 hours a day, 7 days a week access to equipment support, use and care techniques and product information that other manufacturers don't offer. You'll learn more efficiently and be more productive. Dealers become better prepared to support their customers and customers extend the longevity of their equipment and efficiency of their operators.

You choose the convenient time and learning pace that works for you. Learn from concise, modular training tutorials. NilfiskU brings you the right information for the right people, at the right time.

### Class is in session.

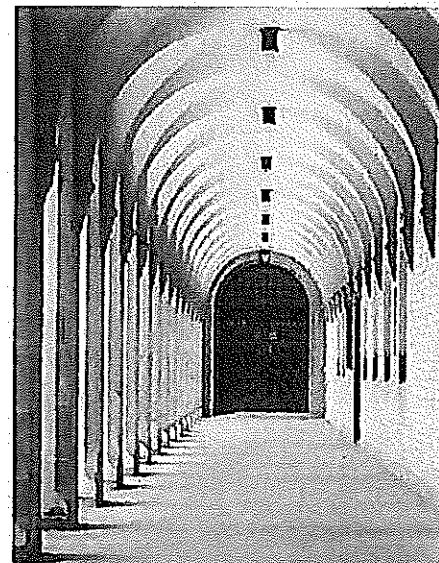

- Learn more quickly and comprehensively.
- Learn at your own pace.
- Access role-based, customized training.
- Apply techniques immediately.
- Stay up to date on knowledge and information.

## Be "in-the-know" faster.

Avoid expensive, out-of-town training sessions and wasting time tracking down critical information. Now the information and tools you need for success are at your fingertips:

- **Operator training**, to help product users know the equipment — inside and out. Spanish lessons available.
- **Technical service training**, to upgrade or refresh technical competencies and better meet the ongoing needs of your business.
- **Customer support training**, to help sharpen skills to better advise and interact with clients.
- **Course quizzes**, at the end of each lesson to prove that the student has learned the material.
- **Student progress reporting**, for managers, trainers and leaders to help guide their company's learning program.
- **Intuitive machine maintenance posters**, accompany use and care lessons for daily reference.
- **Personalized certificates of completion and reward points** for every course completed.
- **Campus store**, open for students to exchange Reward points for novelty merchandise.
- **Theater room**, consolidates videos from YouTube and other sources with product demonstrations and commercials.

*"With NilfiskU, I know my customers and my own people are gaining the knowledge and tools they need to perform better, while my management team can stay focused on fostering long-term relationships."*

Jeff Boarman  
President  
Bortek Industries, Inc.

**Nilfisk**

*"We recognize the power of knowledge and how it helps our team as well as our customers operate more efficiently and be more productive. NilfiskU was created to harness the knowledge capital that we, as partners, can share and utilize in a collaborative academic setting."*

Marty Makowsky,  
NilfiskU Instructor

## Investing in success together.

We at Nilfisk University look forward to strengthening our partnership with you by regularly sharing information and exchanging ideas. You can look for more training content, tools and interactive opportunities to share best practices as we continue to expand NilfiskU.

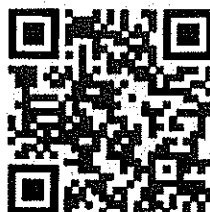

***Join us at Nilfisk University, where our community of equipment users, dealers, product engineers and managers, sales reps and service technicians gather to learn, teach and share at all levels and across all subject areas.***

3. No

4. 10 – 45 Days depending on the machine

5. 100+

6. No

7. For our sweeper products our hydraulic sweepers use 10W-30 standard grade oil. Green products such as a Synthetic Bio-Based 4-cycle engine oil can be used for our equipment.

8. Ordering process is by contacting our government Accounts Department at 888-742-7470 Extention 1. Some of our products are manufactured in different countries with only new chassis selection process and specification by our company Nilfisk, Inc., and then shipped to final assembly and detailed at Springdale, AR. Our larger rider sweepers and equipment is manufactured in Brooklyn Park, MN in our Nilfisk, Inc. production plant.

9. Parts are able to be returned within 30 days of purchase. We do not charge a restocking fee for incorrectly ordered parts.

10. We have three Regional Managers that travel the entire state of Oklahoma along with a large dealer network with locations in Ada, Oklahoma City and Tulsa, and designated National Government Account Manager that has a very extensive contact network to send emails and make direct calls on each of the government agencies. We also have full line color brochures for each of our product brands and literature for each piece of equipment. In addition, we have specialty literature directed for Green Cleaning, Government, healthcare, Education (schools) and University brochures for government accounts.
