SOLICITATION NUMBER AND SOLICITATION RESPONSE DUE DATE AND TIME MUST APPEAR ON THE FACE OF THE SINGLE ENVELOPE, PACKAGE, OR CONTAINER.
- A.2.3. The required certification statement, "Certification for Competitive Bid and/or Contract (Non-Collusion Certification)", OMES-FORM-CP-004, must be made out in the name of the bidder and must be properly executed by an authorized person, with full knowledge and acceptance of all its provisions.
- A.2.4. All bids shall be legible and completed in ink or with electronic printer or other similar office equipment. Any corrections to bids shall be identified and initialed in ink by the bidder. Penciled bids and penciled corrections shall NOT be accepted and will be rejected as non-responsive. In addition to a hard copy submittal, the bidder will also be required to submit an electronic copy. Electronic responses must be submitted in the identical format contained in the solicitation (for example Microsoft Word, Microsoft Excel, but not Adobe PDF). In the event the hard copy of the price worksheets and electronic copy of the price worksheets do not agree, the electronic copy will prevail.
- A.2.5. All bids submitted shall be subject to the Oklahoma Central Purchasing Act, Central Purchasing Rules, and other statutory regulations as applicable, these General Provisions, any Special Provisions, solicitation specifications, required certification statement, and all other terms and conditions listed or attached herein—all of which are made part of this solicitation.

A.3. Solicitation Amendments

- A.3.1. If an "Amendment of Solicitation", OMES-FORM-CP-011, is issued, the bidder shall acknowledge receipt of any/all amendment(s) to solicitations by signing and returning the solicitation amendment(s). Amendment acknowledgement(s) may be submitted with the bid or may be forwarded separately. If forwarded separately, amendment acknowledgement(s) must contain the solicitation number and response due date and time on the front of the envelope. The Central Purchasing Division must receive the amendment acknowledgement(s) by the response due

date and time specified for receipt of bids for the bid to be deemed responsive. Failure to acknowledge solicitation amendments may be grounds for rejection.

- A.3.2. No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in the solicitation. All amendments to the solicitation shall be made in writing by the Central Purchasing Division.
- A.3.3. It is the bidder's responsibility to check the OMES/Central Purchasing Division website frequently for any possible amendments that may be issued. The Central Purchasing Division is not responsible for a bidder's failure to download any amendment documents required to complete a solicitation.

A.4. Bid Change

If the bidder needs to change a bid prior to the solicitation response due date, a new bid shall be submitted to the Central Purchasing Division with the following statement "This bid supersedes the bid previously submitted" in a single envelope, package, or container and shall be sealed, unless otherwise detailed in the solicitation. The name and address of the bidder shall be inserted in the upper left corner of the single envelope, package, or container. SOLICITATION NUMBER AND SOLICITATION RESPONSE DUE DATE AND TIME MUST APPEAR ON THE FACE OF THE SINGLE ENVELOPE, PACKAGE, OR CONTAINER.

A.5. Certification Regarding Debarment, Suspension, and Other Responsibility Matters

By submitting a response to this solicitation:

- A.5.1. The prospective primary participant and any subcontractor certifies to the best of their knowledge and belief, that they and their principals or participants:
 - A.5.1.1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal, State or local department or agency;
 - A.5.1.2. Have not within a three-year period preceding this proposal been convicted of or pled guilty or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) contract; or for violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - A.5.1.3. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph A.5.1.2. of this certification; and
 - A.5.1.4. Have not within a three-year period preceding this application/proposal had one or more public (Federal, State, or local) contracts terminated for cause or default.
- A.5.2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to its solicitation response.

A.6. Bid Opening

Sealed bids shall be opened by the Central Purchasing Division at 5005 N. Lincoln Blvd. Suite 300, Oklahoma City, Oklahoma, 73105 at the time and date specified in the solicitation as Response Due Date and Time.

A.7. Open Bid / Open Record

Pursuant to the Oklahoma Public Open Records Act, a public bid opening does not make the bid(s) immediately accessible to the public. The procurement or contracting agency shall keep the bid(s) confidential, and provide prompt and reasonable access to the records only after a contract is awarded or the solicitation is cancelled. This practice protects the integrity of the competitive bid process and prevents excessive disruption to the procurement process. The interest of achieving the best value for the State of Oklahoma outweighs the interest of vendors immediately knowing the contents of competitor's bids. [51 O.S. § 24A.5(5)]

Additionally, financial or proprietary information submitted by a bidder may be designated by the Purchasing Director as confidential and the procurement entity may reject all requests to disclose information designated as confidential pursuant to 62 O.S. (2012) § 34.11.1(H)(2) and 74 O.S. (2011) § 85.10. Bidders claiming any portion of their bid as proprietary or confidential must specifically identify what documents or portions of documents they consider confidential and identify applicable law supporting their claim of confidentiality. The State Purchasing Director shall make the final decision as to whether the documentation or information is confidential pursuant to 74 O.S. §

85.10. Otherwise, documents and information a bidder submits as part of or in connection with a bid are public records and subject to disclosure after contract award or the solicitation is cancelled.

A.8. Late Bids

Bids received by the Central Purchasing Division after the response due date and time shall be deemed non-responsive and shall NOT be considered for any resultant award.

A.9. Legal Contract

- A.9.1. Submitted bids are rendered as a legal offer and any bid, when accepted by the Central Purchasing Division, shall constitute a contract.
- A.9.2. The Contract resulting from this solicitation may consist of the following documents in the following order of precedence:
 - A.9.2.1. Any Addendum to the Contract;
 - A.9.2.2. Purchase order, as amended by Change Order (if applicable);
 - A.9.2.3. Solicitation, as amended (if applicable); and
 - A.9.2.4. Successful bid (including required certifications), to the extent the bid does not conflict with the requirements of the solicitation or applicable law.
- A.9.3. Any contract(s) awarded pursuant to the solicitation shall be legibly written or typed.

A.10. Pricing

- A.10.1. Bids shall remain firm for a minimum of sixty (60) days from the solicitation closing date.
- A.10.2. Bidders guarantee unit prices to be correct.
- A.10.3. In accordance with 74 O.S. §85.40, ALL travel expenses to be incurred by the supplier in performance of the Contract shall be included in the total bid price/contract amount.

A.11. Manufacturers' Name and Approved Equivalents

Unless otherwise specified in the solicitation, manufacturers' names, brand names, information and/or catalog numbers listed in a specification are for information and not intended to limit competition. Bidder may offer any brand for which they are an authorized representative, and which meets or exceeds the specification for any item(s). However, if bids are based on equivalent products, indicate on the bid form the manufacturer's name and number. Bidder shall submit sketches, descriptive literature, and/or complete specifications with their bid. Reference to literature submitted with a previous bid will not satisfy this provision. The bidder shall also explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. Bids that do not comply with these requirements are subject to rejection.

A.12. Clarification of Solicitation

- A.12.1. Clarification pertaining to the contents of this solicitation shall be directed in writing to the Central Purchasing Contracting Officer specified in the solicitation, and must be prior to the closing date of the solicitation.
- A.12.2. If a bidder fails to notify the State of an error, ambiguity, conflict, discrepancy, omission or other error in the SOLICITATION, known to the bidder, or that reasonably should have been known by the bidder, the bidder shall submit a bid at its own risk; and if awarded the contract, the bidder shall not be entitled to additional compensation, relief, or time, by reason of the error or its later correction. If a bidder takes exception to any requirement or specification contained in the SOLICITATION, these exceptions must be clearly and prominently stated in their response.
- A.12.3. Bidders who believe proposal requirements or specifications are unnecessarily restrictive or limit competition may submit a written request for administrative review to the contracting officer listed on the solicitation. This request must be made prior to the closing date of the solicitation.

A.13. Negotiations

- A.13.1. In accordance with Title 74 §85.5, the State of Oklahoma reserves the right to negotiate with one, selected, all or none of the vendors responding to this solicitation to obtain the best value for the State. Negotiations could entail discussions on products, services, pricing, contract terminology or any other issue that may mitigate the State's risks. The State shall consider all issues negotiable and not artificially constrained by internal corporate policies. Negotiation may be with one or more vendors, for any and all items in the vendor's offer.
- A.13.2. Firms that contend that they lack flexibility because of their corporate policy on a particular negotiation item shall face a significant disadvantage and may not be considered. If such negotiations are conducted, the following conditions shall apply:
- A.13.3. Negotiations may be conducted in person, in writing, or by telephone.
- A.13.4. Negotiations shall only be conducted with potentially acceptable offers. The State reserves the right to limit negotiations to those offers that received the highest rankings during the initial evaluation phase.
- A.13.5. Terms, conditions, prices, methodology, or other features of the bidders offer may be subject to negotiations and subsequent revision. As part of the negotiations, the bidder may be required to submit supporting financial, pricing, and other data in order to allow a detailed evaluation of the feasibility, reasonableness, and acceptability of the offer.
- A.13.6. The requirements of the Request for Proposal shall not be negotiable and shall remain unchanged unless the State determines that a change in such requirements is in the best interest of the State Of Oklahoma.

A.14. Rejection of Bid

The State reserves the right to reject any bids that do not comply with the requirements and specifications of the solicitation. A bid may be rejected when the bidder imposes terms or conditions that would modify requirements of the solicitation or limit the bidder's liability to the State. Other possible reasons for rejection of bids are listed in OAC 260:115-7-32.

A.15. Award of Contract

- A.15.1. The State Purchasing Director may award the Contract to more than one bidder by awarding the Contract(s) by item or groups of items, or may award the Contract on an ALL OR NONE basis, whichever is deemed by the State Purchasing Director to be in the best interest of the State of Oklahoma.
- A.15.2. Contract awards will be made to the lowest and best bidder(s) unless the solicitation specifies that best value criteria is being used.
- A.15.3. In order to receive an award or payments from the State of Oklahoma, suppliers must be registered. The vendor registration process can be completed electronically through the OMES website at the following link: <https://www.ok.gov/dcs/vendors/index.php>.

A.16. Contract Modification

- A.16.1. The Contract is issued under the authority of the State Purchasing Director who signs the Contract. The Contract may be modified only through a written Addendum, signed by the State Purchasing Director and the supplier.
- A.16.2. Any change to the Contract, including but not limited to the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the Central Purchasing Division in writing, or made unilaterally by the supplier, is a breach of the Contract. Unless otherwise specified by applicable law or rules, such changes, including unauthorized written Addendums, shall be void and without effect, and the supplier shall not be entitled to any claim under this Contract based on those changes. No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in the resultant Contract.

A.17. Delivery, Inspection and Acceptance

- A.17.1. Unless otherwise specified in the solicitation or awarding documents, all deliveries shall be F.O.B. Destination. The supplier(s) awarded the Contract shall prepay all packaging, handling,

shipping and delivery charges and firm prices quoted in the bid shall include all such charges. All products and/or services to be delivered pursuant to the Contract shall be subject to final inspection and acceptance by the State at destination. "Destination" shall mean delivered to the receiving dock or other point specified in the purchase order. The State assumes no responsibility for goods until accepted by the State at the receiving point in good condition. Title and risk of loss or damage to all items shall be the responsibility of the supplier until accepted by the receiving agency. The supplier(s) awarded the Contract shall be responsible for filing, processing, and collecting any and all damage claims accruing prior to acceptance.

- A.17.2. Supplier(s) awarded the Contract shall be required to deliver products and services as bid on or before the required date. Deviations, substitutions or changes in products and services shall not be made unless expressly authorized in writing by the Central Purchasing Division.

A.18. Invoicing and Payment

- A.18.1. Upon submission of an accurate and proper invoice, the invoice shall be paid in arrears after products have been delivered or services provided and in accordance with applicable law. Invoices shall contain the purchase order number, a description of the products delivered or services provided, and the dates of such delivery or provision of services. An invoice is considered proper if sent to the proper recipient and goods or services have been received.
- A.18.2. State Acquisitions are exempt from sales taxes and federal excise taxes.
- A.18.3. Pursuant to 74 O.S. §85.44(B), invoices will be paid in arrears after products have been delivered or services provided.
- A.18.4. Payment terms will be net 45. Interest on late payments made by the State of Oklahoma is governed by 62 O.S. § 34.72.
- A.18.5. Additional terms which provide discounts for earlier payment may be evaluated when making an award. Any such additional terms shall be no less than ten (10) days increasing in five (5) day increments up to thirty (30) days. The date from which the discount time is calculated shall be the date of a proper invoice.

A.19. Tax Exemption

State agency acquisitions are exempt from sales taxes and federal excise taxes. Bidders shall not include these taxes in price quotes.

A.20. Audit and Records Clause

- A.20.1. As used in this clause, "records" includes books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of computer data, or in any other form. In accepting any Contract with the State, the successful bidder(s) agree any pertinent State or Federal agency will have the right to examine and audit all records relevant to execution and performance of the resultant Contract.
- A.20.2. The successful supplier(s) awarded the Contract(s) is required to retain records relative to the Contract for the duration of the Contract and for a period of seven (7) years following completion and/or termination of the Contract. If an audit, litigation, or other action involving such records is started before the end of the seven (7) year period, the records are required to be maintained for two (2) years from the date that all issues arising out of the action are resolved, or until the end of the seven (7) year retention period, whichever is later.

A.21. Non-Appropriation Clause

The terms of any Contract resulting from the solicitation and any Purchase Order issued for multiple years under the Contract are contingent upon sufficient appropriations being made by the Legislature or other appropriate government entity. Notwithstanding any language to the contrary in the solicitation, purchase order, or any other Contract document, the procuring agency may terminate its obligations under the Contract if sufficient appropriations are not made by the Legislature or other appropriate governing entity to pay amounts due for multiple year agreements. The Requesting (procuring) Agency's decisions as to whether sufficient appropriations are available shall be accepted by the supplier and shall be final and binding.

A.22. Choice of Law

Any claims, disputes, or litigation relating to the solicitation, or the execution, interpretation, performance, or enforcement of the Contract shall be governed by the laws of the State of Oklahoma.

A.23. Choice of Venue

Venue for any action, claim, dispute or litigation relating in any way to the Contract shall be in Oklahoma County, Oklahoma.

A.24. Termination for Cause

- A.24.1. The supplier may terminate the Contract for default or other just cause with a 30-day written request and upon written approval from the Central Purchasing Division. The State may terminate the Contract for default or any other just cause upon a 30-day written notification to the supplier.
- A.24.2. The State may terminate the Contract immediately, without a 30-day written notice to the supplier, when violations are found to be an impediment to the function of an agency and detrimental to its cause, when conditions preclude the 30-day notice, or when the State Purchasing Director determines that an administrative error occurred prior to Contract performance.
- A.24.3. If the Contract is terminated, the State shall be liable only for payment for products and/or services delivered and accepted.

A.25. Termination for Convenience

- A.25.1. The State may terminate the Contract, in whole or in part, for convenience if the State Purchasing Director determines that termination is in the State's best interest. The State Purchasing Director shall terminate the Contract by delivering to the supplier a Notice of Termination for Convenience specifying the terms and effective date of Contract termination. The Contract termination date shall be a minimum of 60 days from the date the Notice of Termination for Convenience is issued by the State Purchasing Director.
- A.25.2. If the Contract is terminated, the State shall be liable only for products and/or services delivered and accepted, and for costs and expenses (exclusive of profit) reasonably incurred prior to the date upon which the Notice of Termination for Convenience was received by the supplier.

A.26. Insurance

- C.1.6.** The Contract(s) resulting from this solicitation is intended to be an instrument that can be used by all Authorized Users for the majority of their MRO supply needs. Both resellers/distributors and manufacturers are invited to respond to this RFP.

The Contracting Officer listed will be responsible for managing price changes, market basket modifications, and overall contract management, including addendums and Contract performance.
- C.4.2.** Each subcategory listed in Section C.2 is divided into two tiers in this RFP:
- C.4.2.1.** Tier 1: Market Basket (fixed price portion)
 - C.4.2.2.** Tier 2: Discounts from manufacturer list or publicly available price lists for selected category.
- C.4.3.** Bidders should provide fixed pricing (Contract Pricing) including standard delivery costs for products listed in Tier 1. The State reserves the right to update the Tier 1 list of items at any time during the contract.
- C.4.4.** For Tier 2, Bidders are requested to provide a discount off of the list price for the subcategories listed. This discount will be applied to the list price to come up with the Contract Pricing (inclusive of Standard delivery) for Tier 2 products. Additionally, Bidders can add manufacturers or related categories to the list and offer discounts off of those percentage discounts.
- C.4.5.** Bidders are requested to quote an up-charge for Rush delivery as a percentage mark-up on the Contract Price. Similarly Bidders are also asked to quote a discount for In-Store Pick Up as a percentage mark-down on the Contract Price. This mark-up and mark-down will be applicable on all items. Bidders are not required to operate brick-and-mortar stores and offer in-store purchases, but in keeping with the State's search for a best-value solution, they are highly encouraged to do so.
- C.4.6. Tier 1 details:** Bidders are urged to submit proposals for at least 50% of the market basket products in any subcategory; otherwise, the State may, at its discretion, disqualify the Bidder from that subcategory. Pricing for all items on the market baskets will be fixed pricing (discount-off-list or cost-plus will not be accepted).
- C.4.7. Tier 2 details:** The discounts offered off of the list price for Tier 2 items will be held constant over the course of the contract. When requested, Bidder/Bidder will provide list price for any Tier 2 manufacturer or product group. There is a separate attachment (Attachment A-1) for Bidder to offer a blanket catalog discount from other related categories, and Bidder shall name the source of the list prices against which the discount will be calculated, and the resulting standard delivered prices.
- C.4.8.** Authorized Users will be permitted to purchase items from Tiers 1 and 2; The State reserves the right to update the Tier 1 list of items at any time during the contract. New price lists that are released by the Bidder, subsequent to the initial price list, may include new products, but new products will be subject to the same Tier 2 discounts for the appropriate manufacturer, product type, and subcategory.

C.5. Service Level Requirements and Expectations

Section C.5.1 lists the State's Mandatory Service Level Requirements. Bidders must indicate whether they are able to meet these service level requirements in Attachment B: Business and Technical Proposal Response Template (Mandatory Service Level Requirements). Bidders that are unable to meet any of these service level requirements shall be eliminated from consideration for an award.

Section C.5.2 lists the State's Desired Service Level Expectations. These expectations are desired by the State and the State will evaluate these responses as part of the technical/qualitative evaluation. Bidders must indicate whether they are able to meet these service level expectations in Attachment B: Business and Technical Proposal Response Template (Desired Service Level Expectations).

Mandatory Service Level Requirements and Desired Service Level Expectations shall be met at no additional cost to the State.

C.5.1. Mandatory Service Level Requirements

This section of the document contains Mandatory Service Level Requirements that the successful Bidder is

required to meet at NO extra charge. Bidders who cannot meet Requirements C.5.1.1 through C.5.1.6 shall be qualified on the grounds of non-responsiveness.

- C.5.1.1.** For all products sold, Bidder must be an original manufacturer, authorized distributor, or dealer authorized by manufacturer. If requested, Bidder must be able to identify an account number with manufacturers represented.
- C.5.1.2.** Each product sold will have a minimum of manufacturer's standard warranty.
- C.5.1.3.** Proposed pricing will remain fixed for the first six (6) months of the contract. Requests for additional increases in pricing for contract items will be limited to twice a year.
- C.5.1.4.** If any prices fluctuate between the time of order and delivery, Bidder shall charge the prices in effect as of the order date.
- C.5.1.5.** The Bidder will not invoice service fees or additional costs to the Authorized Users during the term of the contract. For instance, there will be no small order, minimum order, special order, shipping (except Rush delivery as specified in the Cost Proposal), hazardous materials, pallet, or fuel charges or surcharges.
- C.5.1.6.** Delivery to End Users: Authorized Users are located throughout the State, both within and outside of major metropolitan areas. Whenever possible, Authorized Users will work with Bidder to develop regular delivery schedules. All deliveries must be made on days and times acceptable to Authorized Users.

Standard orders must be delivered to end users within 15 business days after receipt of order. Special order items shall have an estimated delivery date at time of order. Rush orders to end users must be delivered next day after receipt of order.

Acceptable hours for deliveries vary by location, and some facilities do not accept palletized deliveries. It is Bidder's responsibility to determine the acceptable delivery times and packing requirements for each customer at the time the first orders are placed.

The following three requirements (sections C.5.1.7, C.5.1.8, and C.5.1.9) apply to secure facilities only (primarily within the Department of Correction):

- C.5.1.7.** Bidders' employees must comply with the security requirements at each facility. Authorized Users are responsible for alerting Bidder to these requirements before or while placing their first order. Bidder must comply with all security and identification procedures at each location, at no cost to Authorized Users.

Common security restrictions include:

Identification: All of Bidder's employees, while working on State property, must carry or display acceptable identification. Requirements vary by Authorized User. For instance, some facilities require a visible photo ID badge, while correctional facilities may require a valid driver's license instead.

Vehicle Security: In many locations, drivers must turn off vehicle motors and lock cab doors whenever their truck is unattended.

Patient/Offender Contact: Delivery personnel must minimize interaction with offenders or patients, and must report any verbal contact to the Authorized User before leaving the site.

- C.5.1.8.** Drivers who enter secure facilities must have prior approval to enter from security staff, generally involving a background check to ensure that they are not convicted felons. Bidder shall comply with any requests from the Contracting Officer to reassign a driver from a delivery route, whether or not the driver has passed the background check. At some facilities, trucks will be searched prior to entry and exit, causing up to a 30 minute delay each way.
- C.5.1.9.** At most secure facilities, drivers cannot have any weapons (including jack knives or box cutters), cell phones, pagers, drugs, tobacco products or any item deemed to be potential contraband. Correctional officers can hold these items for drivers at the delivery sally-port and return them as the driver exits the grounds. Any illegal items will not be returned.

C.5.2. Desirable Service Level Expectations

This section of the document contains Desirable Service Level Expectations that the Bidder is expected to perform

at NO extra charge. All Mandatory Requirements listed in Section C.5.1 supersede the Desirable Service Level Expectations listed below. Bidders are required to indicate any inability to provide the Desirable Service Level Expectations by indicating as such in Attachment B Business and Technical Proposal Response Template (Desired Service Level Expectations). In addition, Bidders are required to propose alternatives to Desirable Service Level Expectations that cannot be met.

- C.5.2.1. Response Time:** The Bidder should respond to all communications no later than one business day. Bidder's failure to respond within one business day may result in a documented performance complaint
- C.5.2.2. Fill Rate:** The Bidder should maintain a Fill Rate of 98%. The fill rate will be calculated by each Facility, by dividing the number of line items delivered on time by the number of line items ordered for delivery during that month and multiplying the result by 100 to arrive at the percent (%) fill rate.
- C.5.2.3. Invoice Accuracy:** The Bidder should strive to achieve invoice accuracy of 100% as measured by SKUs ordered.
- C.5.2.4. Delivery Standards:** Bidder should make deliveries on dates and times acceptable to Authorized Users. If a regular delivery day falls on a State holiday, Authorized Users and Bidder may determine an alternate date.

The Bidder should deliver the Products by the delivery date specified in any executed Attachment, Appendix, or Order referencing the Agreement. The Bidder should ensure Delivery Date standards are met 97% of the time.

Most facilities require inside delivery. Bidder should unload products and deliver to specified interior locations at no additional charge, if Authorized User requires inside delivery. To expedite delivery, Bidder's delivery trucks should be equipped for varying dock heights.

Deliveries should be complete by the delivery date noted on the order, unless otherwise modified by mutual consent of the Authorized User and Bidder. Should an emergency situation occur, causing a delivery to be delayed until after Authorized User's normal delivery hours, Bidder should contact the Authorized User by phone no less than one (1) hour before the end of Authorized User's normal receiving time for late delivery approval.

Bidder is responsible for rescheduling delivery to a time acceptable to Authorized User at no charge. If there is no mutually acceptable date and time to reschedule, or if a late delivery means Authorized User should procure products elsewhere, Authorized User may cancel all or a portion of the late delivery at no charge.

Poor planning by Bidder does not constitute an emergency, nor do delays caused by other customers on a delivery route. Authorized User will have final determination of whether or not to accept late deliveries.

- C.5.2.5. Palletized Delivery Requirements:** Some facilities do not accept palletized deliveries. Others have size restrictions or maximum height requirements. Authorized Users will alert Bidder to special requirements while or before placing their first order. Bidder should not use any State equipment, including pallet jacks, to unload deliveries.

If product(s) is on a pallet, all package labels should be visible on the outside of the pallet. Bidder should load products onto pallets putting like items together on the same pallet, heavier items on the bottom of the pallet. Fragile items should not be put on the bottom of a pallet.

Pallets of same quality may be exchanged at time of delivery. That is, pallets from previous deliveries may be returned to delivery driver. However, pallets used for current delivery may not be returned if product is not unloaded immediately, at the Authorized User's discretion.

- C.5.2.6. Non-Delivery:** After notification of impending short or out-of-stock items, Authorized User may cancel balance of incomplete deliveries without penalty. Authorized User may purchase shorted items that cannot be supplied by the Bidder by date required elsewhere.
- C.5.2.7. Overall Customer Satisfaction:** Bidder should develop a plan to conduct a quarterly survey of end-users to determine the level of customer service satisfaction experienced by Authorized Users, and should conduct such a survey upon request from the Contracting Officer. Both the raw and analyzed survey results should be provided to the Contracting

Officer. The following includes some of the areas to be measured on the survey: Responsiveness, Communication, Courtesy, Competence, Effectiveness, and Overall Satisfaction.

- C.5.2.8.** Ordering Methods: Bidders should have a local Oklahoma telephone number or a toll free (800) number. Each Authorized User will be responsible for placing its own orders, which may be accomplished by written purchase order, telephone, fax or computer on-line systems. The State encourages Bidders to have online ordering capabilities, such as a dedicated State website, to facilitate online orders. In the response, please include screenshots of the relevant web interface.
- C.5.2.9.** Payment Options: Authorized Users will pay the Bidder by check, electronic funds transfer, or with the State's authorized P-card (credit card). The State currently uses a Visa branded P-card.

- C.5.2.11.** Rush Delivery: Bidders should be able to provide Rush Delivery to Authorized Users within a 24 hour window. Explain your rush delivery capabilities in your response.

- C.5.2.12.** Shipping: The State is committed to recycling and reuse of packaging materials. Some Authorized Users may also require shrink wrapping. Authorized Users will inform Bidder of any such requirements.
- All hazardous materials should be shipped per all Federal and State regulations.
- All products should be shipped in a manner which will enable the receiving person(s) to easily check the shipment with the invoice.
- C.5.2.13.** Return of Product: Any materials delivered in poor condition, in excess of the amount authorized by the requisition form or not included on the requisition form or purchase order may, at the discretion of the Authorized Users, be returned to the Bidder at the Bidder's expense within 30 days. Credit for returned goods shall be made immediately once the Bidder receives the returned goods.
- If any product is returned to a Bidder for failure of performance, the Bidder will, at the State's discretion, refund all amounts paid to the Bidder for such product or replace the product, and the following shall apply:
- Within twenty (20) days of written notification by the Authorized User, the Bidder should make arrangements for the return of the product.
- The Bidder should bear all shipping and insurance costs.
- Bidder should be liable for damages to the product, unless caused by fault or negligence of the Authorized User that occur during the return process.
- Please describe your return policy in detail.
- C.5.2.14.** Returns Due to User Error: Bidder should provide for return of unopened items ordered in error for up to 30 calendar days from delivery. For all returns of unopened items or returns due to user error, returns should be provided free-of-charge as long as they occur at a regularly-scheduled delivery time. Otherwise, Authorized Users should be responsible for all costs associated with the preparation of the product for shipping, and all shipping costs to the Bidder's nearest service location for such returns; no additional charges are allowed, including restocking fees.
- Bidder should issue a credit to Authorized User's account as soon as items have been received by the Bidder.
- C.5.2.15.** Post-Order Customer Service: The Bidder should provide to all Authorized Users a single point of contact (and a backup) to handle questions and resolve problems that arise. At least one Customer Service Representative should be available during standard business

hours in the Central time zone, regardless of the time zone where Bidder is located. All service representatives should have access to information to provide immediate response to inquiries concerning the status of orders (shipped or pending), delivery information, back-order information, statewide contract pricing, contracted product offerings/exclusions, contract compliance requirements, and general product information. Representatives should be available by email, fax, or phone (local or 800 number).

- C.5.2.16. Price Verification:** The Bidder should be able to provide manufacturer price lists and its own list price lists at the State's request in order for the State to verify Tier 2 pricing. The Bidder should have its own auditing system to verify that correct pricing is being offered to the State. In addition, the State reserves the right to audit Bidder records in order to identify discrepancies. If discrepancies are found, at a minimum, the Bidder will refund the State the difference and may be subject to other legal remedies.
- C.5.2.17. Bidders should offer all rebates and special offers (including commercial and consumer offers) made available by the manufacturer, in addition to contracted pricing.**
- C.5.2.18. Quality Assurance and Warranty Guarantee:** The Bidder should guarantee its products to be free from defects in materials and workmanship, given normal use and care, over a minimum of the manufacturer's warranty period. The Bidder should agree to repair and/or immediately replace without charge (including freight both ways) to Authorized Users any product or part thereof that proves to be defective or fails within the warranty period as specified.
- C.5.2.19. Product Availability:** The State should not allow any cancellation of Tier 1 products without an equal and acceptable replacement approved by the Contracting Officer. Bidders should communicate manufacturer's discontinuation of any products to the Contracting Officer in writing within twenty (20) business days of notification by manufacturer. In such instances, Bidders should work with the Contracting Officer to identify and implement alternative options that will maintain or reduce costs associated with the replacements. Bidders should be prepared to offer detailed quarterly reports if requested by the State, displaying removed SKUs off of Market Basket and suggested replacements. Invoices shall denote all items and quantities as ordered. Any shorted items shall be noted as "out-of-stock."
- C.5.2.22. Receiving Procedures and Order Inspection:** State personnel may inspect and verify deliveries. Products may be matched against the packing slip and order specifications. Authorized Users may identify and reconcile delivery discrepancies of quantity or quality after delivery. Product delivered will also be inspected at time of use and is subject to refusal/return for issues of quality.
