

**Price and Cost  
Attachment A**

Supplier Name: KPRIME TECHNOLOGIES

**Instructions for Mandatory Equipment only:**

Enter description/part number starting with line 6, Column B, replace the current description with your products description/part number, if needed replaced only.

Enter the cost for each line item's cost/list price, quantity, discount off list and the total amount for the line. If you are submitting an equivalent product provide the description in column H.

This is for comparison purposes.

Change quantity, column D, to zero (0) if there is no charge or if you are not including this in your response. If not including, enter in the description that you are "not providing and decline" in writing.
