Bidder Instructions

Information related to the Bid submission process is contained in these Bidder Instructions. Prospective Bidders are urged to read the Solicitation and these Bidder Instructions carefully. Failure to do so shall be at the Bidder's risk.

1 Definitions

The following terms, when used in these Bidder Instructions, shall have the following meanings:

- **1.1 Alternate Bid** means a Bid which contains an intentional substantive variation to a basic provision, specification, term or condition of the Solicitation.
- **1.2 Amendment** means a written change, addition, correction or revision to the Solicitation by the State agency issuing the Solicitation.
- **1.3 BAFO** means a best and final offer requested by the State agency issuing the Solicitation.
- **1.4 Bid** means an offer a Bidder submits in response to the Solicitation.
- **1.5 Bidder** means an individual or business entity that submits a Bid in response to the Solicitation.
- 1.6 Bid Packet means the order described in these Bidder Instructions in which all Bidders shall insert the relevant sections of a Bid and which shall be the format for all submitted Bids.
- **1.7 OAC** means the Oklahoma Administrative Code.

2 Instructions Compliance

These Bidder Instructions are not part of the Contract resulting from the Solicitation; however, compliance with these Instructions is material to the determination of whether a Bid is responsive. Terms, requirements and specifications may be stated or phrased differently than in a previous solicitation irrespective of past interpretations, practices or customs. Solicitation requirements are altered only by written Amendment and verbal communications from any source whatsoever are of no effect. In no event shall the Bidder's failure to read and understand any term or condition in the Solicitation or related documents constitute grounds for a claim after award of the Contract.

3 Communications and Questions Concerning Solicitation

The Contracting Officer listed on the Bidder Instructions Cover Page is the only individual the Bidder should contact, or communicate with, regarding any questions or issues with the Solicitation or a bid. Failure to comply with this requirement may result in the Bid being considered non-responsive or not considered for further evaluation.

3.1 General Questions

- **A.** Bidder may submit general questions concerning the specifications of the Solicitation online at cini.zacharia@omes.ok.gov. Questions received via any other means will not be addressed.
- **B.** Questions should be concise, identify the document, include specific section references and avoid use of tables or special formatting (use simple lists).

3.2 Clarification Questions

The State reserves the right, at its sole discretion, to request clarifications of Bid information or to conduct discussions for the purpose of clarification with any or all Bidders. The purpose of any such discussion shall be to ensure full understanding of the Bid. If clarifications are made because of such discussion, the Bidder(s) shall put such clarifications in writing. Bidder answers that are outside scope of the clarification questions shall be disregarded. Oral explanations or instructions provided to a potential bidder is not binding.

4 Administrative Review

- A Bidder that believes the Solicitation requirements or specifications, or Bid Response Due Date, are unnecessarily restrictive or limit competition may submit a request for administrative review, in writing, to the Contracting Officer. The State shall promptly respond in writing to each written administrative review request, and where appropriate, issue a revision, substitution or clarification through an Amendment. Requests for administrative review of technical or contractual requirements shall include the reason for the request, supported by information, and any proposed changes.
- 4.2 If a Bidder fails to notify the Contracting Officer of an error, ambiguity, conflict, discrepancy, omission or other error in the Solicitation known to Bidder, or that reasonably should have been known by Bidder, the Bidder accepts the risk of submitting a Bid and, if awarded the Contract, shall not be entitled to additional compensation, relief or time by reason of the error or its later correction.

5 Solicitation Amendments

- 5.1 Any Solicitation Amendment shall be set forth at the same online link as the Solicitation.
- 5.2 It is the Bidder's responsibility to check the State's website frequently for any possible Amendments to the Solicitation that may be issued. The State is not responsible for the Bidder's failure to download any amendment documents required to complete a Bid.

6 Confidentiality Request

Unless otherwise specified in the Oklahoma Open Records Act, Central Purchasing Act, or other applicable law, documents and information a Bidder submits as part of or in connection with a Bid are public records and subject to disclosure after contract award pursuant to OAC 260:115-3-9². However, a public Bid opening does not make the Bid immediately accessible to the public. All

13 Evaluation

- 13.1 A responsive Bid will proceed to the evaluation process. Unless the Solicitation specifies that "best value" criteria will be used to determine award, Bids shall be evaluated on "lowest and best" criteria.

Negotiations may be conducted in person, in writing or by electronic means and shall only be conducted with potentially acceptable Bids.
- 14.2 Negotiations could entail discussions on products, services, pricing, contract terminology or any other issue material to an award decision or that may mitigate the State's risks. In the event of prolonged contract negotiations due to the number and/or significance of exceptions taken, lack of Bidder
