

ATTACHMENT A

This Solicitation is a Contract Document and is a request for proposal in connection with the Contract awarded by the Office of Management and Enterprise Services as more particularly described below. Any defined term used herein but not defined herein shall have the meaning ascribed in the General Terms or other Contract Document.

Purpose

The Contract is awarded on behalf of the Oklahoma Department of Wildlife Conservation (ODWC). ODWC is seeking bids for 4,200 cubic yards of clay. Clay will be delivered to JA Manning State Fish Hatchery.

1. Contract Term

The initial Contract term, which begins on the effective date of the Contract, is one year.

2. Mandatory Contract Specifications

2.1 4,200 Cubic Yards of Clay

2.1.1 Material is to be of adequate permeability and quality. Permeability shall be less than $K = 5 \times 10^{-7} \text{ M/S}$.

2.1.2 Clay shall be void of foreign materials and rock.

2.2 Materials must be delivered to the following address:

ATTN: Tyler Wright

18795 State Hwy. 49

Lawton, Oklahoma 73507

2.3 Delivery of material shall be coordinated with the project manager.

2.3.1 Supplier must clear all shipments with agency prior to shipping any portion of this contract.

2.4 This contract is for an indefinite quantity and the State may, or may not, buy the quantity mentioned in this contract.

2.5 Material will be sampled and any material not meeting minimum specifications shall be removed from job site at Supplier's expense. At any time during the project, hauling can be stopped by manager in order for permeability test to be conducted.
