EXHIBIT C
MESA STANDARD TERMS AND CONDITIONS

1. **INDEPENDENT CONTRACTOR.** It is expressly understood that the relationship of Contractor to the City will be that of an independent contractor. Contractor and all persons employed by Contractor, either directly or indirectly, are Contractor's employees, not City employees. Accordingly, Contractor and Contractor's employees are not entitled to any benefits provided to City employees including, but not limited to, health benefits, enrollment in a retirement system, paid time off or other rights afforded City employees. Contractor employees will not be regarded as City employees or agents for any purpose, including the payment of unemployment or workers' compensation. If any Contractor employees or subcontractors assert a claim for wages or other employment benefits against the City, Contractor will defend, indemnify and hold harmless the City from all such claims.
2. **SUBCONTRACTING.** Contractor may not subcontract work under this Agreement without the express written permission of the City. If Contractor has received authorization to subcontract work, it is agreed that all subcontractors performing work under the Agreement must comply with its provisions. Further, all agreements between Contractor and its subcontractors must provide that the terms and conditions of this Agreement be incorporated therein.
3. **ASSIGNMENT.** This Agreement may not be assigned, either in whole or in part, without first receiving the City's written consent. Any attempted assignment, either in whole or in part, without such consent will be null and void and in such event the City will have the right, at its option, to terminate the Agreement. No granting of consent to any assignment will relieve Contractor from any of its obligations and liabilities under the Agreement.
4. **SUCCESSORS AND ASSIGNS, BINDING EFFECT.** This Agreement will be binding upon and inure to the benefit of the parties and their respective permitted successors and assigns.
5. **NO THIRD-PARTY BENEFICIARIES.** This Agreement is intended for the exclusive benefit of the parties. Nothing set forth in this Agreement is intended to create, or will create, any benefits, rights, or responsibilities in any third parties.
6. **NON-EXCLUSIVITY.** The City, in its sole discretion, reserves the right to request the materials or services set forth herein from other sources when deemed necessary and appropriate. No exclusive rights are encompassed through this Agreement.
7. **AMENDMENTS.** There will be no oral changes to this Agreement. This Agreement can only be modified in a writing signed by both parties. No charge for extra work or material will be allowed unless approved in writing, in advance, by the City and Contractor.
8. **TIME OF THE ESSENCE.** Time is of the essence to the performance of the parties' obligations under this Agreement.
9. **COMPLIANCE WITH APPLICABLE LAWS.**
 - a. **General.** Contractor must procure all permits/licenses and pay all charges and fees necessary and incidental to the lawful conduct of business. Contractor must stay fully informed of existing and future federal, state, and local laws, ordinances, and regulations that in any manner affect the fulfillment of this Agreement and must comply with the same at its own expense. Contractor bears full responsibility for training, safety, and providing necessary equipment for all Contractor personnel to achieve compliance throughout the term of the Agreement. Upon request, Contractor will demonstrate to the City's satisfaction any programs, procedures, and other activities used to ensure compliance.
 - b. **Drug-Free Workplace.** Contractor is hereby advised that the City has adopted a policy establishing a drug-free workplace for itself and those doing business with the City to ensure the safety and health of all persons working on City contracts and projects. Contractor will require a drug-free workplace for all Contractor personnel working under this Agreement. Specifically, all Contractor personnel who are working under this Agreement must be notified

in writing by Contractor that they are prohibited from the manufacture, distribution, dispensation, possession, or unlawful use of a controlled substance in the workplace. Contractor agrees to prohibit the use of intoxicating substances by all Contractor personnel and will ensure that Contractor personnel do not use or possess illegal drugs while in the course of performing their duties.

- c. **Federal and State Immigration Laws.** Contractor agrees to comply with the Immigration Reform and Control Act of 1986 (IRCA) in performance under this Agreement and to permit the City and its agents to inspect applicable personnel records to verify such compliance as permitted by law. Contractor will ensure and keep appropriate records to demonstrate that all Contractor personnel have a legal right to live and work in the United States.
 - i. As applicable to Contractor, under the provisions of A.R.S. § 41-4401, Contractor hereby warrants to the City that Contractor and each of its subcontractors will comply with, and are contractually obligated to comply with, all federal immigration laws and regulations that relate to their employees and A.R.S. § 23-214(A) (hereinafter collectively the "Contractor Immigration Warranty").
 - ii. A breach of the Contractor Immigration Warranty will constitute a material breach of this Agreement and will subject Contractor to penalties up to and including termination of this Agreement at the sole discretion of the City.
 - iii. To ensure Contractor and its subcontractors are complying with the Contractor Immigration Warranty, the City retains the legal right to conduct random verification of the employment records of any Contractor or subcontractor employee who works on this Agreement, including the inspection of the papers of such employees. Contractor agrees to assist the City in regard to any random verification performed.
 - v. Neither Contractor nor any subcontractor will be deemed to have materially breached the Contractor Immigration Warranty if Contractor or subcontractor establishes that it has complied with the employment verification provisions prescribed by Sections 274a and 274b of the Federal Immigration and Nationality Act and the E-Verify requirements prescribed by A.R.S. § 23-214(A).
- d. **Nondiscrimination.** Contractor understands and acknowledges that it is the policy of the City of Mesa to promote non-discrimination. As such, Contractor represents and warrants that it does not discriminate against any employee or applicant for employment or person to whom it provides services because of race, color, national origin, age, disability, religion, sex, sexual orientation, gender identity and expression, veterans' status, marital status, or genetic information, and represents and warrants that it complies with all applicable federal, state, and local laws and executive orders regarding employment. In performance under this Agreement, Contractor and Contractor's personnel will comply with applicable provisions of the following laws (as amended): Title VII of the U.S. Civil Rights Act of 1964, Section 504 of the Federal Rehabilitation Act, the Americans with Disabilities Act (42 U.S.C. § 12101 *et seq.*), and any other applicable non-discrimination laws and rules.
- e. **State Sponsors of Terrorism Prohibition.** Per A.R.S. § 35-392, Contractor must not be in violation of section 6(j) of the Federal Export Administration Act and subsequently prohibited by the State of Arizona from selling goods or services to the City.
- f. **Israel Boycott Divestments.** In accordance with the requirements of A.R.S. § 35-393.01, if the Agreement requires Contractor to acquire or dispose of services, supplies, information technology or construction, then, by entering into this Agreement, Contractor certifies that it is not currently engaged in, and agrees for the duration of the Agreement to not engage in, a boycott of Israel.

10. **SALES/USE TAX, OTHER TAXES.**
- a. Contractor is responsible for the payment of all taxes including federal, state, and local taxes related to or arising out of Contractor's services under this Agreement including, by way of illustration but not limitation, federal and state income tax, Social Security tax, unemployment insurance taxes, and any other taxes or business license fees, as required. If any taxing authority should deem Contractor or Contractor employees an employee of the City, or should otherwise claim the City is liable for the payment of taxes that are Contractor's responsibility under this Agreement, then Contractor will indemnify the City for any tax liability, interest, and penalties imposed upon the City.
 - b. The City is exempt from paying certain federal excise taxes and will furnish an exemption certificate upon request. The City is not exempt from state and local sales/use taxes.
11. **AMOUNTS DUE THE CITY.** Contractor must be current and remain current in all obligations, whether or not related to the Agreement, due to the City during the performance of services under the Agreement. Payments to Contractor may be offset by any delinquent amounts due the City or fees and charges owed to the City.
12. **PUBLIC RECORDS.** Contractor acknowledges that the City is a public body, subject to Arizona's public records laws (A.R.S. § 39-121 *et seq.*) and any documents related to this Agreement may be subject to disclosure pursuant to state law in response to a public records request or to subpoena or other judicial process.
- a. If Contractor believes documents related to the Agreement contain trade secrets or other proprietary data, Contractor must have notified the City pursuant to Mesa Procurement Rules Section 2.1 or notified the City with a notification statement specifically identifying the trade secrets or other proprietary data that Contractor believes should remain confidential.
 - b. In the event the City determines it is legally required to disclose pursuant to law any documents or information Contractor deems confidential trade secrets or proprietary data, the City, to the extent possible, will provide Contractor with prompt written notice by certified mail, fax, email or other method that tracks delivery status of the requirement to disclose the information so Contractor may seek a protective order from a court having jurisdiction over the matter or obtain other appropriate remedies. The notice will include a time period for Contractor to seek court ordered protection or other legal remedies as deemed appropriate by Contractor. If Contractor does not obtain such court ordered protection by the expiration of said time period, the City may release the information without further notice to Contractor.
13. **AUDITS AND RECORDS.** Contractor must preserve the records related to this Agreement for six (6) years after completion of the Agreement. The City or its authorized agent reserves the right to inspect any records related to the performance of work specified herein. In addition, the City may inspect all payroll, billing or other relevant records kept by Contractor in relation to the Agreement. Contractor will permit such inspections and audits during normal business hours and upon reasonable notice by the City. The audit of records may occur at Contractor's place of business or at City offices, as determined by the City.
14. **BACKGROUND CHECK.** In accordance with the City's current background check policies, the City may conduct criminal, driver history, and all other requested background checks of Contractor's Authorized Dealer's personnel who would perform services under the Agreement who will have access to the City's information, data, or facilities. Any officer, employee, or agent that fails the background check must be replaced immediately for any reasonable cause not prohibited by law.
15. **SECURITY CLEARANCE AND REMOVAL OF CONTRACTOR PERSONNEL.** The City will have final authority, based on security reasons: (i) to determine when security clearance of Contractor personnel is required; (ii) to determine the nature of the security clearance, up to and including fingerprinting Contractor personnel; and (iii) to determine whether any individual or entity may provide services under this Agreement. If the City objects to any Contractor personnel for any

reasonable cause not prohibited by law, then Contractor will, upon notice from the City, remove any such individual from performance of services under this Agreement.

16. **DEFAULT.**

- a. A party will be in default of the Agreement if that party:
 - i. Is or becomes insolvent or is a party to any voluntary bankruptcy or receivership proceeding, makes an assignment for a creditor, or there is any similar action that affects Contractor's capability to perform under the Agreement;
 - ii. Is the subject of a petition for involuntary bankruptcy not removed within sixty (60) calendar days;
 - iii. Conducts business in an unethical manner as set forth in the City Procurement Rules Article 7 or in an illegal manner; or
 - iv. Fails to carry out any term, promise, or condition of the Agreement.
- b. Contractor will be in default of this Agreement if Contractor is debarred from participating in City procurements and solicitations in accordance with Article 6 of the City's Procurement Rules.
- c. **Notice and Opportunity to Cure.** In the event a party is in default then the other party will provide written notice to the defaulting party of the default. The defaulting party will have thirty (30) days from receipt of the notice to cure the default, unless the default is of a nature that it is reasonably anticipated to affect the health, safety or welfare of the public and, in such an event, the non-defaulting party may require a minimum seven (7) days to cure the default from the date of receipt of the notice; the cure period may be extended by mutual agreement of the parties, but no cure period may exceed ninety (90) days. A default notice will be deemed to be sufficient if it is reasonably calculated to provide notice of the nature and extent of such default. Failure of the non-defaulting party to provide notice of the default does not waive any rights under the Agreement. Failure of the defaulting party to cure the default will entitle the non-defaulting party to the election of remedies specific to the party as set forth in section 17 below.
- d. **Anticipatory Repudiation.** Whenever the City in good faith has reason to question Contractor's intent or ability to perform, the City may demand that Contractor give a written assurance of its intent and ability to perform. In the event demand is made and no written assurance is given within ten (10) calendar days, the City may treat this failure as an anticipatory repudiation of the Agreement entitling the City to terminate the Agreement in accordance with section 17(a) below.

17. **REMEDIES.** The remedies set forth in this Agreement are not exclusive. Election of one remedy will not preclude the use of other remedies. In the event of default:

- a. The non-defaulting party may terminate the Agreement, and the termination will be effective immediately or at such other date as specified by the terminating party.
- b. The City may purchase the services or materials required under the Agreement from the open market, complete required work itself, or have it completed at the expense of Contractor. If the cost of obtaining substitute services exceeds the contract price in the Agreement, the City may recover the excess cost by: (i) requiring immediate reimbursement by the Contractor to the City; (ii) deduction from an unpaid balance due to Contractor; (iii) collection against the proposal and performance security, or (iv) a combination of the aforementioned remedies or other remedies as permitted by law. Costs in this Subsection (b) include any and all, fees, and expenses incurred in obtaining substitute services and expended in obtaining reimbursement including, but not limited to, administrative expenses, attorneys' fees, and costs.
- c. The non-defaulting party will have all other rights granted under this Agreement and all rights at law or in equity that may be available to it.
- d. Neither party will be liable for incidental, special, or consequential damages.

18. **CONTINUATION DURING DISPUTES.** Contractor agrees that during any dispute between the parties, Contractor will continue to perform its obligations until the dispute is settled, instructed to cease performance by the City, enjoined or prohibited by judicial action, or otherwise required or obligated to cease performance by other provisions in this Agreement.
19. **TERMINATION FOR CONVENIENCE.** The City reserves the right to terminate this Agreement, in part or in whole, for its sole convenience upon thirty (30) calendar days' written notice. Contractor acknowledges that, as with any termination permitted under this Agreement, in the event of a termination for convenience, Contractor is only entitled to payment in accordance with section 22 (Payment to Contractor Upon Termination); Contractor will not be entitled to any anticipated lost profits had the Agreement been performed to completion.
20. **TERMINATION FOR CONFLICT OF INTEREST (A.R.S. § 38-511).** Pursuant to A.R.S. § 38-511, the City may cancel this Agreement within three (3) years after its execution, without penalty or further obligation, if any person significantly involved in initiating, securing, drafting, or creating the Agreement for the City becomes an employee or agent of Contractor.
21. **TERMINATION FOR NON-APPROPRIATION AND MODIFICATION FOR BUDGETARY CONSTRAINT.** The City is a governmental agency which relies upon the appropriation of funds by its governing body to satisfy its obligations. If the City reasonably determines it does not have funds to meet its obligations under this Agreement, the City will have the right to terminate the Agreement without penalty on the last day of the fiscal period for which funds were legally available. In the event of such termination, the City agrees to provide written notice of its intent to terminate thirty (30) calendar days prior to the stated termination date.
22. **PAYMENT TO CONTRACTOR UPON TERMINATION.** Upon termination of this Agreement for any reason, Contractor will be entitled only to payments authorized under the Agreement for those services performed or materials provided in accordance with the Agreement up to the date of termination, and any authorized expenses already incurred up to such date of termination. The City will make final payment within thirty (30) calendar days after the City has both completed its appraisal of the materials and services provided and received Contractor's properly prepared final invoice.
23. **NON-WAIVER OF RIGHTS.** There will be no waiver of any provision of this Agreement unless approved in writing and signed by the waiving party. Failure or delay to exercise any rights or remedies provided herein or by law or in equity, or the acceptance of, or payment for, any services hereunder, will not release the other party of any of the warranties or other obligations of the Agreement and will not be deemed a waiver of any such rights or remedies.
24. **INDEMNIFICATION; LIABILITY.**
- a. To the fullest extent permitted by law, Contractor agrees to defend, indemnify and hold harmless the City, its elected officials, agents, representatives and employees (collectively, including the City, "City Personnel") from and against any and all liabilities, demands, claims, suits, penalties, obligations, losses, damages, causes of action, fines or judgments of any kind, including costs, attorneys', witnesses' and expert witnesses' fees, and expenses incident thereto (all of the foregoing, collectively "Claims") imposed upon or asserted against City Personnel by a third party relating to, arising out of or resulting from, in whole or in part: (i) an allegation related to defects of workmanship or materials in any product manufactured by Contractor provided under this Agreement; (ii) an allegation related to negligent acts, errors, mistakes or omissions in the installation or any other service related to Contractor's products provided pursuant to this Agreement and/or performed by Contractor or its officers', agents', or employees' (collectively, including Contractor, "Contractor Personnel") or Contractor's authorized subcontractor, including any Authorized Dealer; (iii) negligent acts, errors, mistakes or omissions of Contractor Personnel; or (iv) failure of Contractor Personnel to comply with or fulfill the obligations established by this Agreement. Contractor's indemnification, duty to defend and hold harmless City Personnel in this Subsection (a) will apply to all Claims against City Personnel except Claims arising solely from the negligence or intentional acts of City Personnel.

- b. The City assumes no liability for the actions of Contractor Personnel and will not indemnify or hold Contractor Personnel or any third party harmless for Claims relating to, arising out of or resulting from, in whole or in part, this Agreement or use of Contractor Personnel-provided services or materials.
25. **WARRANTY.** All products bearing trademarks of Contractor are warranted in accordance with the provisions of the written Limited Warranty and Owner's Manual applicable to such products, as may be amended from time to time. Additionally, Contractor warrants that it will take reasonable steps to ensure the Authorized Dealer Network's services will be performed in a good, workman-like and professional manner.
- If the product was involved in and suspected to have caused or contributed to the cause of an accident, the City shall promptly notify the Contractor's local commercial representative. In the event that Contractor desires to inspect any such products, the City shall arrange for their transportation at the expense of Contractor in accordance with its instructions. EXCEPT AS EXPRESSLY STATED IN THE CONTRACTOR LIMITED WARRANTIES, CONTRACTOR HEREBY DISCLAIMS ALL OTHER WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF NON-INFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY.
26. **THE CITY'S RIGHT TO RECOVER AGAINST THIRD PARTIES.** Contractor will do nothing to prejudice the City's right to recover against third parties for any loss, destruction, or damage to City property and will, at the City's request and expense, furnish to the City reasonable assistance and cooperation in obtaining recovery, including assistance in the prosecution or defense of suit and the execution of instruments of assignment in favor of the City.
27. **NO GUARANTEE OF WORK.** Contractor acknowledges and agrees: (i) it is not entitled to deliver any specific amount of materials or services, or any materials or services at all, under this Agreement; and (ii) the materials or services will be requested by the City on an as needed basis, at the sole discretion of the City. Any document referencing quantities or performance frequencies represent the City's best estimate of current requirements, but will not bind the City to purchase, accept, or pay for materials or services which exceed its actual needs.
28. **OWNERSHIP.** All deliverables, services, and information provided by Contractor or the City pursuant to this Agreement (whether electronically or manually generated) including without limitation, reports, test plans, and survey results, graphics, and technical tables, originally prepared in the performance of this Agreement, are the property of the City and will not be used or released by Contractor or any other person except with prior written permission by the City.
29. **USE OF NAME.** Contractor will not use the name of the City of Mesa in any advertising or publicity without obtaining the prior written consent of the City.
30. **PROHIBITED ACTS.** Contractor acknowledges the applicability of A.R.S. § 38-504 which prohibits a person who, within the preceding twelve (12) months, is or was a public officer or employee of the City from representing another person (including Contractor) before the City on any matter for which the officer or employee was directly concerned and personally participated in during their service or employment by a substantial and material exercise of administrative discretion. Further, while employed by the City and for two (2) years thereafter, public officers or employees are prohibited from disclosing or using, without appropriate authorization, any confidential information acquired by such person in the course of his or her official duties at the City.
31. **FOB DESTINATION FREIGHT PREPAID AND ALLOWED.** All deliveries will be FOB destination freight prepaid and allowed unless otherwise agreed.
32. **RISK OF LOSS.** Contractor agrees to bear all risk of loss, injury, or destruction of Contractor's goods or equipment incidental to Contractor providing the services and materials under this Agreement and such loss, injury, or destruction will not release Contractor from any obligation hereunder.

33. **SAFEGUARDING CITY PROPERTY.** Contractor will be responsible for any damage or loss to City real or personal property when such property is the responsibility of or in the custody of **Contractor or its personnel.**
34. **WARRANTY OF RIGHTS.** Contractor warrants it has title to, or the right to allow the City to use, the materials and services being provided and that the City may use same without suit, trouble or hindrance from Contractor or third parties.
35. **PROPRIETARY RIGHTS INDEMNIFICATION.** Without limiting the warranty in section 34, Contractor will without limitation and at its expense defend the City against all claims asserted by any person or arising from or in any way connected with an actual or alleged claim that the product delivered under this Agreement infringes or otherwise violates the intellectual property rights of any person or entity and must, without limitation, pay the costs, damages and attorneys' fees awarded against the City in any such action, or pay any settlement of such action or claim. Each party agrees to notify the other promptly of any matters to which this provision may apply and to cooperate with each other in connection with such defense or settlement. If a preliminary or final judgment is obtained against the City's use or operation of the items provided by Contractor hereunder or any part thereof by reason of any alleged infringement, Contractor will, at its expense and without limitation, either: (a) modify the item so that it becomes non-infringing; (b) procure for the City the right to continue to use the item; (c) substitute for the infringing item other item(s) having at least equivalent capability; or (d) refund to the City an amount equal to the price paid, less reasonable usage, from the time of installation acceptance through cessation of use, which amount will be calculated on a useful life not less than five (5) years, plus any additional costs the City may incur to acquire substitute supplies or services.
36. **CONTRACT ADMINISTRATION.** The contract will be administered by the applicable Purchasing Officer and/or an authorized representative from the using department (collectively "Contractor Administrators"); all questions regarding the Agreement will be referred to the Contract Administrators. If authorized by the Contract Administrators, supplements or amendments may be written to the Agreement for the addition or deletion of services. Payment will be negotiated and determined by the Contract Administrators.
37. **FORCE MAJEURE.** Failure by either party to perform its duties and obligations will be excused by unforeseeable circumstances beyond its reasonable control, including acts of nature, acts of the public enemy, riots, fire, explosion, legislation, and governmental regulation. The party whose performance is so affected will, within five (5) calendar days of the unforeseeable circumstance, notify the other party of all pertinent facts and identify the force majeure event. The party whose performance is so affected must also take all reasonable steps, promptly and diligently, to prevent such causes if it is feasible to do so or to minimize or eliminate the effect thereof. The delivery or performance date will be extended for a period equal to the time lost by reason of delay, plus such additional time as may be reasonably necessary to overcome the effect of the delay, provided however, under no circumstances will delays caused by a force majeure extend beyond one hundred-twenty (120) calendar days from the scheduled delivery or completion date of a task unless agreed upon by the parties.
38. **COOPERATIVE USE OF CONTRACT.** The City has partnered with OMNIA Partners' and entered into various cooperative purchasing agreements with other Arizona government agencies, including the Strategic Alliance for Volume Expenditures (SAVE) cooperative. Under the SAVE Cooperative Purchasing Agreement, any contract may be extended for use by other municipalities, school districts and government agencies in the State of Arizona with the approval of Contractor. Any such usage by other entities must be in accordance with the statutes, codes, ordinances, charter and/or procurement rules and regulations of the respective government agency who also must register with OMNIA Partners'.

The City currently holds or may enter into Intergovernmental Governmental Agreements (IGA) with numerous governmental entities. These agreements allow the entities, with the approval of Contractor, to purchase their requirements under the terms and conditions of this Agreement.

A contractor, subcontractor or vendor or any employee of a contractor, subcontractor or vendor who is contracted to provide services on a regular basis at an individual school shall obtain a valid fingerprint clearance card pursuant to title 41, chapter 12, article 3.1. A school district governing board shall adopt policies to exempt a person from the requirements of this subsection if the person's normal job duties are not likely to result in independent access to or unsupervised contact with pupils. A school district, its governing board members, its school council members and its employees are exempt from civil liability for the consequences of adoption and implementation of policies and procedures pursuant to this subsection unless the school district, its governing board members, its school council members or its employees are guilty of gross negligence or intentional misconduct.

Additionally, Contractor will comply with the governing body's fingerprinting policy of each individual school district and public entity. Contractor, subcontractors, vendors and their employees will not provide services on school district properties until authorized by the school district.

Orders placed by other agencies and payment thereof will be the sole responsibility of that agency. The City is not responsible for any disputes arising out of transactions made by others.

39. **FUEL CHARGES AND PRICE INCREASES.** No fuel surcharges will be accepted. No price increases will be accepted without proper request by Contractor and response by the City's Purchasing Division.
40. **NOTICES.** All notices to be given pursuant to this Agreement must be delivered to the parties at their respective addresses. Notices may be sent via personally delivery, certified or registered mail with postage prepaid, overnight courier, or facsimile. If provided by personal delivery, receipt will be deemed effective upon delivery. If sent via certified or registered mail, receipt will be deemed effective three (3) calendar days after being deposited in the United States mail. If sent via overnight courier, or facsimile, receipt will be deemed effective two (2) calendar days after the sending thereof.
41. **GOVERNING LAW, FORUM.** This Agreement is governed by the laws of the State of Arizona. The exclusive forum selected for any proceeding or suit, in law or equity, arising from or incident to this Agreement will be Maricopa County, Arizona.
42. **INTEGRATION CLAUSE.** This Agreement, including all attachments and exhibits hereto, supersede all prior oral or written agreements, if any, between the parties and constitutes the entire agreement between the parties with respect to the work to be performed.
43. **PROVISIONS REQUIRED BY LAW.** Any provision required by law to be in this Agreement is a part of this Agreement as if fully stated herein.
44. **SEVERABILITY.** If any provision of this Agreement is declared void or unenforceable, such provision will be severed from this Agreement, which will otherwise remain in full force and effect. The parties will negotiate diligently in good faith for such amendment(s) of this Agreement as may be necessary to achieve the original intent of this Agreement, notwithstanding such invalidity or unenforceability.
45. **SURVIVING PROVISIONS.** Notwithstanding any completion, termination, or other expiration of this Agreement, all provisions which, by the terms of reasonable interpretation thereof, set forth rights and obligations that extend beyond completion, termination, or other expiration of this Agreement, will survive and remain in full force and effect. Except as specifically provided in this Agreement, completion, termination, or other expiration of this Agreement will not release any party from any liability or obligation arising prior to the date of termination.
46. **A.R.S. SECTIONS 1-501 and 1-502.** Pursuant to A.R.S §§ 1-501 and 1-502, any person who applies to the City for a local public benefit (the definition of which includes a grant, contract or loan) must demonstrate his or her lawful presence in the United States. As this Agreement is deemed a local public benefit, if Contractor is an individual (natural) person or sole proprietorship,

Contractor agrees to sign and submit the necessary documentation to prove compliance with the statutes if applicable.

47. **AUTHORITY.** Each party hereby warrants and represents that it has full power and authority to enter into and perform this Agreement, and that the person signing on behalf of each is properly authorized and empowered to enter into the Agreement. Each party further acknowledges that it has read this Agreement, understands it, and agrees to be bound by it.
48. **UNIFORM ADMINISTRATIVE REQUIREMENTS.** By entering into this Agreement, the Contractor agrees to comply with all applicable provisions of Title 2, Subtitle A, Chapter II, PART 200—UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS contained in Title 2 C.F.R. § 200 et seq.
