Vendors

In order to best support the State of Oklahoma's technology and solution requirements, Carahsoft is able to provide several complementary vendor products that are associated with Adobe's products and services, and may be purchased in conjunction with a customer's Adobe acquisition.

Adobe revolutionizes how agencies engage with ideas and information, transforming and extending state and local government services to provide a richer, more productive, and trusted experience with constituents and agency personnel - anytime, anywhere, and through any medium.

For state and local government agencies requiring engaging high-consequence online learning, CoSo offers an award winning Captivate Prime in a FedRAMP environment IL-2, a purpose-built Secure Private Cloud platform for virtual classroom training, and personalized headless LMS services, to Complete the Solution for eLearning.

MeetingOne's products and services are designed to integrate functionality and facilitate business communications such as informational webinars, virtual classes for eLearning programs, internal online trainings, administration relations, day to day meetings, and large events of any kind.

Milestone Based Implementation & Partner Services

Similar to the installation services provided by Adobe, Carahsoft fully supports the capabilities and competencies of the Adobe Authorized Solution Partner community to offer additional professional services with hourly or project/milestone based offerings.

Resellers

HiEd, Inc. is an Adobe Platinum Reseller and State of Texas certified HUB Vendor (Women-Owned) specializing in software volume licensing for academic and government institutions.
