Subject: CY22/MY23 Pricing Surcharge Update – Freightliner & Western Star

Dear Dealer Partners,

As discussed with you yesterday, the continued challenging global and domestic economic conditions have made it necessary for Daimler Truck North America (DTNA) to implement an additional pricing surcharge on all MY23 Freightliner & Western Star trucks (details below). Increases are in addition to the \$2,900 - \$4,500 Total MY23 Surcharge announced in December 2021 for CY22/MY23 units.

This new surcharge will be applied on CY22 units with a schedule build date starting May 30th, 2022. Units with a schedule build date on or before May 29th, 2022 are price protected and will not be impacted by the newly updated surcharge.

DTNA is committed to release MY24 Pricing in Q3/2022.

Below are the updated Model Year 2023 Pricing Surcharge Details:
