Pricing

G. PRICE AND COST

At the time of RFP submission, Course Providers must acknowledge and agree to the following pricing changes:

G.1. Per Oklahoma Administrative Code 777:15-1-4. Each course offered through the Oklahoma online course catalog must be offered at a price that does not exceed the lowest price at which the course is offered for use or sale to any state, public school, or school district in the United States. The price of any course or item or service for the course must automatically be reduced to the extent that, and at the same time as, the price is reduced or offered for a lesser fee elsewhere in the United States. A course or item or service for the course must be provided free of charge or at a price discount to the same extent that it is provided to any state, public school, or school district anywhere in the United States.

Edgenuity acknowledges and agrees to the pricing changes outlined in item G.1. The pricing provided on the following pages includes the lowest single unit prices offered for the Oklahoma course list. Standard volume discounts apply for larger implementations.

Edgenuity is proposing the following pricing options:

- Edgenuity courses with Instructional Service
- Edgenuity courses – content only

Pricing is per student, per semester course unless otherwise noted. Please see the tables provided on the following pages.

Professional Development

Professional development training will be tailored to meet the precise teacher, student, and program needs of the District. Training options include onsite training days, webinars, follow-up training, and coaching. eCommunity resources, step-by-step guides and best practice information are included at no additional cost.

Training can be purchased as needed:

Description	Price
Onsite training day (6 hours)	\$2,500 per day
Webinar training (2 hours)	\$500 per session

Additional Information:

Advanced Placement® Courses

As part of the College Board's requirements for Advanced Placement coursework, each student must use a hard-cover textbook to complement the online Edgenuity AP coursework (with the exception of AP French Language & Culture and AP Spanish Language & Culture). Hardcover textbooks are an additional cost to be purchased from a third party.

Integration

Edgenuity provides integration with a variety of SIS and LMS providers. If a District chooses an integration option, specific information will be needed to provide final costs. Only applicable costs will apply.

Volume Discounts

Contact the Account Executive with larger implementations for volume discount.
