COMMENTS:

Mandatory Vendor Registration prior to award:
 Effective January 1st, 2011, acquisitions issued by agencies under the authority of Title 74 require vendors to register with Central Purchasing prior to award. Vendors will not be required to register to submit a bid response but will be required to register prior to being awarded a contract and prior to each renewal of an award.

ORAL AGREEMENTS: No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in the ITB or purchase order contract. All modifications to the purchase order contract must be made in writing by the Oklahoma Military Department Contracting and Procurement Office.

DEBARMENT/SUSPENSION: In accordance with 31 USCA 6101, Executive Order 12549, the contractor certifies that they are not presently or have not in the last three (3) years been debarred, suspended or proposed for debarment, declared ineligible by any federal department or agency, or convicted of a fraud-related crime.

AUDIT AND RECORDS CLAUSE: (a) As used in this clause, "records" includes books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of computer data, or in any other form. In accepting any contract with the State, the successful bidder agrees any pertinent State or Federal agency will have the right to examine and audit all records relevant to execution of the resultant contract. (b) The successful bidder is required to retain all records relative to this contract for the duration of the contract term and for a period of three years following completion and/or termination of the contract. If an audit, litigation, or other action involving such records are started before the end of the three year period, the records are required to be maintained for three years from the date that all issues arising out of the action are resolved or until the end of the three year retention period, whichever is later.

CANCELLATION AND TERMINATION: This contract shall be considered to be in force until the expiration date or until 30 days after notice has been given by either party of its desire to terminate the contract. Immediate cancellation shall be administered when violations are found to be an impediment to the function of the agency and detrimental to its cause, or when conditions preclude the 30 day notice.

UNAVAILABILITY OF FUNDING: The terms of this agreement and any purchase order issued for multiple years under this agreement is contingent upon sufficient appropriations being made by the Legislature or other appropriate governing entity. Notwithstanding any language to the contrary in this agreement or in any purchase order or other document, a procuring agency may terminate its obligations under this agreement if sufficient appropriations are not made by the Legislature or other appropriate governing entity to pay amounts due for multiple year agreements. The procuring agency's decisions as to whether sufficient appropriations are available shall be accepted by the Vendor and shall be final and binding.
