

Instructions

Suppliers submitting a proposal for Firefighter's Equipment are to complete the required exhibits for Exhibit 3, 4, 5, and % Discount in this Workbook. The Example Products/Manufacturers/Descriptions listed in each exhibit are examples of the types of products needed and the specifications for those products are located in Exhibits 3, 4, and 5. The Supplier's products should meet or exceed those referenced specifications. Please note: This contract is for items the firefighter wears, carries, or use to do their job. Anything that remains attached to a vehicle is excluded.

Exhibit 3 - Example Firefighter's Equipment - Station Wear

Suppliers are to list their company name and complete D, E, F, G, and H for each product. The Supplier's products should meet or exceed the example products' specifications. Suppliers should bid on as many items as possible. Supplier's products should be listed in the Supplier's catalogs(s).

Exhibit 4 - Structural Firefighter's Equipment

Suppliers are to list their company name and complete D, E, F, G, and H for each product. The Supplier's products should meet or exceed the example products' specifications. Suppliers should bid on as many items as possible. Supplier's products should be listed in the Supplier's catalogs(s).

Exhibit 5 - Wildland Firefighter's Equipment

Suppliers are to list their company name and complete D, E, F, G, and H for each product. The Supplier's products should meet or exceed the example products' specifications. Suppliers should bid on as many items as possible. Supplier's products should be listed in the Supplier's catalogs(s).

% Discount - Percentage Discount Off Manufacturer's List Price

Supplier's are to list their percentage discount off the manufacturer's list price for each category of products.
