Milkmakers Lactation Tea

Product Description

Drink tea, feed baby, repeat. Smooth and distinctly delicious, Milkmakers Lactation Tea is made with nettles, fennel, and oat straw. These botanically are traditionally used to support breast milk production. Ingredients include Organic Zante Currants, Organic Rooibos, Organic Nettle, Organic Fennel, Organic Lemon grass, Organic Ginger, Organic Oat straw, and Natural Coconut Flavor.

Features

Organic ingredients. Savor the ripe sweetness of coconut with a crisp blend of lemongrass and ginger. Small batch tea. Blended by hand and minimally processed to protect herb integrity. Silken fabric tea bags. Flavor can freely unfurl for a full-bodied, potent cup of tea. Just 1 or 2 cups per day. Enjoy it hot or cold. Fenugreek-free. No unpleasant side effects.

UpSpring Milkflow Fenugreek and Blessed Thistle Citrus Flavor Drink Mix

Product Description

Milkflow Citrus drink mix is a delicious concentrated blend of natural herbal extracts including fenugreek and blessed thistle. Milkflow's powder drink mix full of fenugreek and blessed thistle helps you stay hydrated more so than pills. Whether you're a new mom who's anxious about breastfeeding or returning to work and stressed about pumping, we're here to help. Milkflow is a concentrated blend of natural herbal extracts including fenugreek and blessed thistle known as galactagogues that help promote healthy breast milk supply. Fenugreek and blessed thistle have long been a go-to for breastfeeding moms.

Features

Fenugreek powdered drink mix to help stimulate milk production
Refreshing Citrus flavor! No artificial anything! All natural, gluten-free and non-GMO
Metabolisms vary but you may see a difference within the first week
Great, hydrating alternative to fenugreek pills, elixirs or teas
Mix with 6 Ounce water, juice, or in a smoothie. Enjoy!

Earth Mama Angel Baby Mama-To-Be Tea Sampler

Product Description

USDA Certified 100% Organic, Certified Kosher and Non-GMO Project Verified herbal teas formulated for pregnancy's most common discomforts. We've put four of Earth Mama Angel Baby's best sellers in one easy-to-try sampler box.

Ginger-minty Organic Morning Wellness Tea is a comforting way to help get you through those morning queasies that often last all day. Delicious and soothing Organic Heartburn Tea was lovingly created to help turn down the furnace in your belly. Organic Peaceful Mama Tea combines calming herbs in a

delectable blend to help ease a mama's busy head and agitated body. Organic Third Trimester Tea was formulated as a safe, delicious blend of vitamin and mineral packed herbs historically used for labor preparation and as a uterine toner. All Earth Mama teas are naturally caffeine free in easy to brew tea bags. 85% post-consumer recycled and recyclable cartons.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Made in the USA

Features

Ginger-minty Morning Wellness Tea is a comforting way to help get you through those morning queasies that often last all day.

Delicious and soothing Heartburn Tea was lovingly created to help turn down the furnace in your belly.

Peaceful Mama Tea combines calming herbs in a delectable blend to help ease a mama's busy head and agitated body. And yummy Third Trimester Tea blends beneficial herbs especially to nurture all those mama parts gearing up for your angel baby's arrival.

UpSpring Milkflow Fenugreek and Blessed Thistle Concentrated Capsules

Product Description

Milkflow is all natural, gluten free, Non GMO and does not contain any artificial ingredients or fillers.

Take Milkflow capsules once a day and let your breast milk flow! Milkflow's high potency formula packs 3,600 mg of Fenugreek Seed Extract (concentrated at 10:1) into each serving plus Blessed Thistle and other herbs known to help naturally promote healthy breast milk supply. That means you only have to take 2 easy to swallow Milkflow capsules per day as opposed to 6 plus capsules with other brands.

Features

All natural Fenugreek and Blessed Thistle capsules to promote healthy breast milk supply

2 capsules deliver a concentrated blend of Fenugreek seed extract, and other herbs, at recommended levels to increase supply

No artificial anything, gluten free, Non GMO with no added fillers or artificial ingredients

Lactation consultant recommended

Contains 100 vegetarian capsules

Boobie Bar Oatmeal Chocolate Chip The Original Herbal Lactation Bar

Product Description

We combined the wholesomeness of oatmeal with the decadence of every girl's best friend, chocolate, into a soft and chewy bar created exclusively for lactating women. No more pills to swallow, no more teas to brew - Because we packed all your daily milk-boosting herbs into a just One bar which you can eat on the go. Eat it straight as a bar or throw it in a shake, crumble it on your favorite yogurt, or cover it with a nut butter of your choice for an easy meal on the go to support a healthy milk supply. The many ways to eat your daily Boobie Bar® are endless!

Enfamil Newborn Non GMO Infant Formula, Powder

Features

No genetically engineered ingredients
Enfamil Newborn is designed specifically for newborns through 3 months
Choline & DHA, important brain-nourishing nutrients
Inspired by the nutrition of breast milk, Enfamil Newborn has an easy-to-digest protein blend patterned after early breast milk
A tailored level of Vitamin D to ensure your baby gets the amount recommended by expert - 400IU vitamin in just 27 fl oz
Designed to help support baby's immune health

Enfamil Infant Formula, Ready to Use, 2 Fluid Ounce Nursette Bottles

Product Description

Enfamil Premium Formula is clinically-proven to support your baby's development in all three important ways: growth, brain and eye, and immune system. It is clinically proven to result in IQ scores that are similar to those of breastfed infants. Clinical studies show that the longer you feed your baby Enfamil Premium Formula, the better his visual development at 12 months.

Similac Advance Ready to Feed Formula

Product Description

Complete nutrition for Your Babys First Year. Similac has EarlyShield: In addition to having DHA/ARA, we're the only formula that has Lutein, an important nutrient babies can only get from breast milk or Similac. It's especially helpful now, during critical brain and eye development. Brain & Eye: Lutein to support eye health & DHA/ARA for brain & eye development. Immune Support: Immune supporting nucleotides & Prebiotics for digestive health. Strong Bones: Exclusive palm olein oil-free fat blend supports excellent calcium absorption.

Features

Excluding inherent sources
Prior to the introduction of solid foods

Gerber Good Start Stage 1 Gentle Non-GMO Ready to Feed Infant Formula Nursers

Product Description

Gerber Good Start Gentle formula is modeled after the complete nutrition and gentleness of breast milk. It has Comfort Proteins, small proteins that are easy for tiny tummies to digest. Comfort for your baby means happiness for all.

Features

3 Fluid Ounce nursers, 8 count - Makes 8, 3 Fluid Ounce bottles

Stage 1, birth-12 months: Modeled after the complete nutrition and gentleness of breastmilk with Comfort Proteins, small proteins for little tummies that are easy to digest

Our closest formula to breastmilk and has a blend of DHA & prebiotics, important components found in breastmilk

Non GMO: Not made with genetically engineered ingredients

Enfagrow Stage 3 Toddler Next Step Natural Milk

Product Description

Enfagrow Premium Toddler formula is a nutritious alternative to milk, and has the DHA to help support brain development. It has iron, vitamin C and vitamin E, and over 25 nutrients to help support growth and development.

Enfamil Infant Formula, Powder

Product Description

Enfamil® PREMIUM™ now has Natural Defense™ Dual Prebiotics. We've improved the formula you trust to make it even more beneficial for your baby.

Improved Enfamil PREMIUM with a unique, dual prebiotic blend, now promotes the growth of good bacteria throughout more of your baby's digestive tract than our previous formula. Your baby's digestive tract is home to 70% of its immune system.

Designed to act more like breast milk, our new, patented dual prebiotic blend now works longer in the digestive tract for more complete support compared to our previous formula.

Prebiotics feed the good bacteria, found naturally in the digestive tract where 70% of your baby's immune system is located. And emerging science suggests prebiotic may support your baby's developing immune system. With Improved Enfamil Premium you can give a formula designed to help support your baby's natural defenses.

Proven healthy development for your baby. Improved Enfamil PREMIUM still has Triple Health Guard™. It's a clinically proven formula to promote growth, to improve brain and eye development, and to support the immune system too.

Including new Natural Defense Dual Prebiotics and Triple Health Guard, Improved Enfamil PREMIUM provides your baby complete nutrition at every feeding, in a formula designed to help support his immune system.

Plus the latest in immune system support with benefits for respiratory and digestive health, you're supporting your baby's budding immune system.

Similac for Supplementation

Product Description

Similac for Supplementation Infant Formula with Iron is gentle nutrition that complements breastfeeding. This milk-based powder comes in a 1.45 lb (658 g) container and is geared for birth to 12 months.

Enfamil A.R. Infant Formula for Spit Up, Powder

Product Description

All babies spit-up from time to time, but frequent spit-up is a concerning feeding problem in infants. Enfamil A.R. formula is proven to significantly reduce frequent spit-up, giving moms the assurance that their baby is getting and keeping all the nourishment they need to grow healthy .

Features

Designed to flow smoothly and thicken slightly in baby's tummy
More balanced nutrition than adding rice cereal to formula
Includes our blend of DHA and ARA to support baby's brain and eye development

Gerber Good Start Stage 1 Gentle Non-GMO Powder Infant Formula

Product Description

Gerber Good Start Gentle formula is not only inspired by how the nutrition of breast milk supports healthy growth and development, but also by how gentle it is on your baby's developing body. Since the digestive system is still developing throughout the first year of life, it is important to provide nutrition that is gentle for your baby.

Features

23.2 Ounce containers, Pack of 2 - Makes 82, 4 Fluid Ounce bottles
Stage 1, birth-12 months: Modeled after the complete nutrition and gentleness of breastmilk with Comfort Proteins, small proteins for little tummies that are easy to digest
Our closest formula to breastmilk and is the only powder infant formula with a blend of DHA, prebiotics & probiotics, important components found in breastmilk
Non GMO: Not made with genetically engineered ingredients

Enfagrow Toddler Next Step Vanilla Milk Drink Ready to Drink 8 Fluid Ounce Bottles - 6 Pack

Product Description

Enfagrow Toddler Next Step is part of Enfamil® staged nutrition line and is nutritionally balanced for toddlers 1-3 years of age. Two servings of Enfagrow Toddler Next Step a day help complement your toddler's diet and help fill the DHA nutritional gap.

Enfagrow Toddler Next Step is a milk based nutritional toddler beverage that has brain-nourishing DHA.

Enfagrow Toddler Next Step helps nourish healthy brain development and has DHA, iron, and 20 other nutrients to help support healthy growth.

Features

Nutritionally tailored to complement the diet of toddlers 1-3 years old. Neuro Support™ blend of nutrients such as DHA and iron to help nourish the rapid brain growth that happens in the first three years.

Natural Defense® Dual Prebiotics® blend designed to help support digestive health; Available in delicious Natural Milk and Vanilla flavors

Easy convenient for on the go

Similac Sensitive Infant Formula

Product Description

Similac Sensitive has EarlyShield: In addition to having DHA/ARA, we're the only formula that has Lutein, an important nutrient babies can only get from breast milk or Similac. It's especially helpful now, during critical brain and eye development. Brain & Eye: Lutein to support eye health & DHA/ARA for brain & eye development. Immune Support: Immune supporting nucleotides & Prebiotics for digestive health. Strong Bones: Exclusive palm olein oil-free fat blend supports excellent calcium absorption.

For Fussiness and Gas Most babies are fussy and gassy at times. But if it seems your baby has more frequent fussiness and gas, it could be a sign that he may need another baby formula. You can trust Similac Sensitive to provide a strong start for your baby's developing digestive system due to lactose sensitivity. Not intended for use in infants or children with galactosemia.

The Facts About Similac Sensitive are: Easy to digest, specially made with a unique blend of carbohydrates for less fussiness and gas, milk-based and it's kosher.

Enfamil ProSobee Soy Infant Formula, Powder

Product Description

Enfamil ProSobee for Sensitive Tummy Soy Infant Powder Formula is soy-based, milk-free formula for when a soy formula is preferred. No other soy formula has been shown to solve common feeding problems more effectively than Enfamil ProSobee LIPIL. Carbohydrate-sweetness levels similar to lactose, the main carbohydrate found in breast milk. Includes LIPIL, our blend of DHA and ARA, two nutrients also found in breast milk that promote brain and eye development.

Features

Enfamil ProSobee for Sensitive Tummy Soy Infant Powder Formula is designed to be naturally easy on baby's tummy

Made with plant-based proteins, fats, and carbohydrates

Soy-based, milk-free and lactose-free

Sucrose (table sugar)-free

DHA at expert-recommended levels

Earth's Best Organic Sensitivity Infant Formula

Product Description

USDA Organic - Low Lactose formulation designed to Ease Fussiness & Gas. DHA and ARA for Brain & Eye development. Iron fortified and Kosher.

Features

USDA Organic
Low Lactose Formulation
Ease Fussiness and Gas
DHA and ARA for Brain & Eye development

Enfamil Pregestimil Nursette Ready to Feed Formula 24 Calorie

Product Description

Specifically designed for infants who have trouble absorbing fat or who may be sensitive to intact proteins.
Contains 55% of the fat from MCT oil which is more easily absorbed by babies with some GI problems.
Hypoallergenic and lactose-free.
Has DHA and ARA, nutrients also found in breast milk that promote brain and eye development.
Easy-to-digest, balanced nutrition for baby's first 12 months

Earth's Best Toddler Formula Milk Drink

Features

USDA organic, kosher.
Patterned after breast milk: high quality protein, carbohydrates, vitamins, minerals and essential fatty acids DHA and ARA.
DHA and ARA are naturally found in breast milk for baby's brain and eye development.
Provides 17 mg DHA and 100 calories per serving.
Has a whey to casein ratio that is almost identical to mother's milk.
Uses organic lactose and organic glucose solids as a carbohydrate source.
Nutritionally complete, iron fortified formula.
Easy to digest.
Meets all FDA requirements for infant nutrition.

Hospital performance for consistent pumping sessions
Two pumping rhythms for comfort
Integrated lithium-ion battery
More milk in less time with 2-Phase Expression® Technology when double pumping, compared to single pumping
Consistent pumping sessions featuring hospital performance in a personal-use breast pump
Flexibility to choose from multiple pumping rhythms
Our quietest breast pump for discretion in all situations, including late night pumping sessions

Lansinoh Manual Breast Pump

Product Description

Convenient and portable, the Lansinoh Manual Breast Pump is ideal for occasional use at home or away. The two pumping modes, Stimulation and Expression, help you gather more milk in less time while the ergonomic easy-express handle reduces hand fatigue. It's the ONLY pump to include two sizes of flanges, standard (25mm) and large (30.5mm), to ensure a perfect fit. The Lansinoh Manual Breast Pump is also a part of the Lansinoh Pump-Store-Feed solution. You can now pump directly into one bottle, attach NaturalWave Nipple to feed right away or seal to store breastmilk until needed, a smooth process to providing what baby needs.

Features

Two modes, Stimulation & Expression, for more milk in less time
ComfortFit flanges - Includes 2 sizes (standard & large) for ideal suction & fit

Ergonomic easy-express handles reduces hand fatigue
Fewer parts - simple to use, simple to clean
Wide-neck bottles that fit across the Lansinoh range, use one bottle to pump, store and feed
Also includes the NaturalWave Nipple, cap and collar and samples of the #1 selling breastmilk storage bag
BPA Free

Lansinoh Smartpump Double Electric Breast Pump

A Smarter Way to Pump! Lansinoh's New Smartpump™ Double Electric Breastpump uses Bluetooth® technology to connect seamlessly to the Lansinoh Baby App to track pumping sessions, baby's activities and more, simplifying your pumping routine. Three customizable pumping styles mimic baby's natural feeding pattern to maximize milk production and comfort. Hygienic closed system design guarantees no milk backup in tubing or motor for easier cleaning.

Features

Connects to your smartphone and the Lansinoh Baby App for tracking, reminders and more
3 customizable pumping styles mimic baby's natural feeding patterns to maximize milk production
Hygienic, closed system keeps milk from entering tubing or motor to help prevent mold and bacteria
Independently adjustable suction and comfort modes
BPA and BPS Free
Includes AC Adapter or can be used with 6 AA batteries for on the go pumping (batteries not included)
Two sizes of ComfortFit™ flanges with soft flexible rims for ideal fit and comfort
Cooler bag with ice pack, four bottles
Two bottle stands and a carrying tote
Lansinoh's wide-neck bottles make milk transfer easier and are compatible with the Lansinoh® NaturalWave® Nipple, so you can pump, store, and feed baby all with the same bottle.

Example Pump Accessories

Medela Quick Clean Micro-Steam Bags

Product Description

Medela's unique and powerful Quick Clean Micro-Steam Bags are designed and tested for disinfecting breastpump parts and feeding accessories. Proven effective to eliminate harmful bacteria and germs by 99.9%. Complete steam-cleaning in just 3 minutes. Faster than boiling and more effective than dishwashing. Each bag will hold two breastshield and valve assemblies or two, 5oz collection bottles and caps. 5 reusable bags per box (up to 20 uses per bag = 100 uses). Easy to store and transport.

Features

Fast & complete in just 3 minutes
Unique - faster than boiling and more effective than dishwashing
Easy-to-use - Just add water and heat in the microwave
Economical - 5 reusable bags per box (up to 20 uses per bag - 100 uses)
Chosen for you and your baby - All parts that come into contact with breastmilk are BPA/DEHP free.

Munchkin Latch Pump Brushes Set - 3 Count

Product Description

Stop struggling to get the built-up gunk out of your breast pump parts. The Latch Pump Brush from Munchkin is specially designed to make this otherwise irritating task much easier. The conical design of the large brush head fits perfectly in your breast pump shield and the two mascara style brushes work wonders on small parts and conveniently store in the handle.

Features

- Base of the large brush acts as a stand for the smaller brushes
- 3-in-1 brush design; brush handle stores two small brushes
- Specially designed brush head fits most leading pump shields
- Orange connector brush scrubs even the smallest openings
- Blue valve brush bristles are flexible to clean especially hard-to-reach areas

Charlotte Breast Pump Tote by Bananafish

Product Description

You've committed to the wonderful cause of expressing breast milk for your baby to help provide the best possible nutritional start for your child. But that doesn't mean you need to lug around a heavy, uncomfortable and boring bag for your pump. Feel chic instead with the Charlotte Breast Pump Tote from Bananafish. This stylish gray tote with cream trim provides the perfect, organized space for you to shuttle your pump to work, events, and errands as needed. A side pocket opens to reveal a wide pocket sized to fit all standard breast pumps. The pocket flap has a special place for a photo of your baby, to help stimulate emotion and breast milk flow while pumping. Inside the bag are pockets specially designed for bottles and pump parts, and a side pocket is sized for your cooler bag. Zippered pockets allow you to store smaller items, and a key fob is included to help you keep track of your keys. This bag is easy to carry with long shoulder straps.

Features

- Stylish bag to carry your breast pump and accessories.
- multi pockets designed to hold pump and all accessories.
- flap pocket has place for babies photo to help stimulate emotion and breast milk flow
- fits all best selling breast pumps
- Easy to carry with long shoulder straps.

Features

Soft, wipeable fabric
For babies up to 16 Pounds
Designed for baby's awake time
Handle for easy carrying and travel
Must-have product for newborns

My Brest Friend Nursing Pillow

Product Description

It's easy to stay comfortable and secure while nursing Baby with the My Brest Friend Nursing Pillow in Sunshine Poppy. The wrap-around design of the My Brest Friend pillow secures to the body to help Mom and Baby maintain ideal positioning and latch-on.

My Brest Friend was developed to help moms maintain good posture during feeding in order to prevent

sore backs and necks. The arm and elbow rest eliminate shoulder stress while the adjustable silent release strap naturally adjusts to all different sizes. The My Brest Friend pillow now comes with extra soft baby plush fabric and the deluxe strap on the nursing pillow has a VELCRO-brand closure and silent-release buckle to make it easy to take this wearable pillow on and off without disrupting Baby. The My Brest Friend Wearable Nursing pillow includes convenient pockets for accessories.

The My Brest Friend Feeding Pillow is designed to help eliminate lower back pain due to improper support while nursing as well as minimize the movement of baby during feeding. The My Brest Friend Pillow features feeding risers on the top of each pillow to raise the baby's head, aiding ingestion and digestion. This feature was incorporated into the design based upon the recommendations of lactation consultants.

Features

Back rest helps you maintain good posture during feeding, preventing sore backs and necks.

Wrap around design secures to the body, helping mom and baby maintain ideal positioning and latch on.

Arms and elbow rests eliminates shoulder stress.

Firm, flat front cushion eliminates gap between you and your baby, which keeps the baby from rolling in or away during feeding.

Silent release buckle allows you to take the pillow off silently while baby is sleeping after feeding.

Leachco Cuddle-U Original Nursing Pillow & More

Product Description

Versatile Cuddle-U nursing pillow and support system can be used as an adjustable nursing pillow, infant safety seat, reflux relief and playtime support system in one. Wigglers are held securely in place with the U-shaped design and adjustable seat wrap. It can even be easily adjusted to meet the needs of newborns and growing infants and is generously sized for all-around comfort. Plus, the proper positioning helps to enhance digestion and reduce reflux. A must-have for c-sections. Outer fabric is 65% polyester/35% cotton; inner fabric 100% polyester; filling 100% polyester fiber. Measures 19 3/4" L x 23 1/4" W x 6 3/4" D. Machine wash. Made in the USA.

Bamboobies Chic Nursing Shawl

Product Description

Unlike bright, apron-style nursing covers, the Bamboobies Chic Nursing Shawl is stylish and discreet. The Chic Nursing Shawl is multi-use fashion as it doubles as a cool shawl for a night out and a nursing cover-up when you need it. Great for maternity, nursing and beyond! Perfect for travel and for hiding a post-baby belly. Soft and light bamboo and organic cotton jersey fabric stretches to fit and flatter your changing body. The Bamboobies Chic Nursing Shawl is made "one-size fits most." This item is made in the USA of bamboo rayon, organic cotton and spandex.

Mamma-Kin KoalaKin Hands Free Breastfeeding Sling Pouch

Product Description

The KoalaKin, Hands Free Nursing Sling is a fully adjustable sling/carrier created for moms who need a little extra support in order to achieve their breastfeeding goals. The KoalaKin nursing pouch helps you bond with your nursing baby by freeing your hands for extra snuggles, diaper checks, and even reading. Recommended by lactation consultants and CPSIA and ASTM certified, KoalaKin positions your little one for a good latch and gives you the support you need to breastfeed successfully. Ergonomic and fully adjustable, KoalaKin can also help you enjoy breastfeeding while reducing back and arm strain, such as tendonitis and carpal tunnel.

Features

Fits moms sizes 2-14.
Easy and comfortable hands free breastfeeding.
Ease hand, arm and back strain from holding your baby in the same position
Engage with older siblings as you discretely breastfeed.
Unclick the pouch and easily lay your sleeping baby down without waking baby.

Example Nursing Bras & Tops

Example Nursing Pads, Shields & Nipple Creams

Lansinoh Disposable Nursing Pads

Product Description

The Lansinoh Disposable Nursing Pads offer effective, discreet protection from leakage. A special absorbent polymer and stay-dry lining draws milk and moisture away from the breasts and into the core of the pad, keeping your skin and clothing dry. These sanitary pads are wrapped individually, so you can easily take a few with you in a purse. The pads are made in an ultrathin, no-show design and are kept in place with 2 adhesive strips, so you can use them comfortably in public with little risk for embarrassment.

Lansinoh Contact Nipple Shield

Product Description

Use for latch-on challenges such as flat or inverted nipples, tongue/lip tie, and overactive let-down. Includes two shields and protective case.

Features

Ultra-thin, super-soft, flexible 100% silicone

Special cut-out design for maximum skin-to-skin contact

BPA/BPS Free

Includes two shields and protective case

Medela Regular Nipple Shield

Product Description

Medela Nipple Shields, worn over the nipple and areola, have a special design that allows an uninterrupted flow of breast milk, while providing a larger surface for the baby to latch on to. Available in two sizes, Nipple Shields offer maximum comfort for mothers whose doctors recommend use of a nipple shield to help with latch-on difficulties. The Contact Nipple Shield also offers an open section that allows baby to stay in touch with mother's familiar smell. Medela Nipple Shields are individually packed to ensure sterility. Because Nipple Shields may diminish the stimulation needed to sustain lactation, they should be used only with the supervision of a professional.

Lansinoh Breastfeeding Starter Set

Product Description

Everything mom needs to successfully start and continue breastfeeding! This set is perfect for a new mom and will help her to address common challenges for new breastfeeding moms. Includes best-selling Lansinoh® HPA® Lanolin, recommended by lactation consultants and doctors in the USA. Also includes best selling Lansinoh Disposable Nursing Pads, Therapearl 3-in-1 Breast Therapy packs, and Latch Assist nipple everter.

Upspring Wellmom Organic Coconut Oil Nipple Balm

Product Description

One of the biggest challenges to breastfeeding is the pain of sore and cracked nipples. No matter how much you love breastfeeding, with sore and cracked nipples, there is a bit of dread. Wellmom Organic Coconut Nipple Balm soothes, expedites healing and moisturizes tender skin. What's Inside: Wellmom Organic Coconut Nipple Balm does not contain lanolin, petrolatum, or parabens so you don't have to remove the balm before breastfeeding baby. UpSpring's Wellmom Organic Coconut Nipple Balm contains the natural goodness of coconut oil, to exfoliate and soften sensitive skin and calendula oil, to help repair damaged tissue and reduce inflammation. Made with USDA organic certified ingredients, Wellmom Organic Coconut Nipple Balm goes on smooth and immediately helps to soothe sensitive skin. Using a Coconut oil base, Wellmom Nipple Cream is organic and can be left on while breastfeeding. Ingredients: Organic coconut oil, organic beeswax, organic sunflower seed oil, organic shea butter, organic cocoa seed butter, organic calendula flower extract, organic rosemary seed extract. Directions: Apply to sore, cracked nipples after each feeding. Wellmom Nipple Balm can also be used on chapped lips, and dry skin areas such as elbows, knees and feet - Soothes, protects and repairs sore or cracked nipples for comfortable breastfeeding Made with all natural ingredients. Does not contain lanolin, petroleum, paraben, gluten and GMOs and does not need to be removed before breastfeeding Lightweight, non-greasy texture Made in the USA and recommended by Lactation Consultants Can also be used on chapped lips, and dry skin areas such as elbows, knees and feet.

Features

- Soothes and repairs cracked nipples
- Natural alternative to lanolin
- Free of fragrance, gluten and GMOs
- Certified organic ingredients

Lansinoh Brand Lanolin Topical Breast Cream

Product Description

Lansinoh HPA Lanolin Topical Breast Cream is completely natural, pure and safe and recommended for treating sore nipples. Lansinoh Lanolin Breast Cream contains ultra-pure, medical-grade lanolin to soothe, heal and protect dry, cracked skin. Endorsed by La Leche League International, the leading authority on breastfeeding, Lansinoh is the only lanolin available that contains no preservatives or additives of any kind, so it does not have to be removed before nursing.

Features

- Lansinoh HPA Lanolin heals and protects sore, cracked nipples. This soothing cream is 100% natural.
- #1 treatment for breastfeeding moms
- Safe for Mom and Baby. Does not need to be removed before breastfeeding.
- Tube is BPA free.

Example Bottles

Comotomo 8 Ounce Baby Bottle 2 Pack

Product Description

Comotomo Baby Bottles feature an innovative and sensible design to most closely mimic natural breastfeeding. Our naturally shaped, soft, silicone nipples are ideal for babies who have trouble transitioning from nursing to bottle-feeding. Your little one will love to hold onto the skin-like, soft and squeezable body that is like no other bottle in the world. And you will fall in love with our wide-neck design for brushless, stress-free, cleaning bliss! Our bottles are equipped with truly innovative vents that are smartly designed to prevent colic, while completely eliminating annoying leaks. They are quite possibly the most thoughtful bottles ever made.

*250ml/8oz bottles come with medium flow nipples (2 hole) ideal for 3-6 months.

Tommee Tippee Closer To Nature 9 Ounce Fiesta Fun Time Baby Bottles 6 Pack

Product Description

Bring the party to feeding time with the Fiesta Fun time collection. Color is an essential part of how your baby sees the world and now you can introduce an array of color with this specially coordinated packs for boys and girls, making it easy to brighten your day by playing with color.

The collection contains six brightly coloured Closer to Nature Bottles, with all the revolutionary features you have come to expect from Tommee Tippee. The closer to nature's award-winning range of Bisphenol A free (BPA) baby bottles are designed to promote content and easy feeding times for parents and baby. We've designed the unique, easy-latch-on nipple shape with breastfeeding experts to mimic the natural flex, stretch and movement of mom's breast. Together with the bottle's super-sensitive Easi-Vent valve, this encourages your baby's intuitive feeding action for comfortable, relaxed feeding.

Philips Avent BPA Free Natural 9 Ounce 3 Pack Bottles

Product Description

Philips AVENT SCF644/32 Natural 9 Ounce Pink Deco Owl Bottles combine the most Natural way to bottle feed with a sweet, trendy design. The wide, breast-shaped nipples on the Natural bottle promote Natural latch-on so you can easily combine breastfeeding and bottle feeding. The unique comfort petals inside the nipple increase softness and flexibility without nipple collapse, and the innovative twin valve anti-colic newborn-flow nipple helps newborns feed comfortably and easily. The ergonomic shape makes it comfortable for parents to hold and easy for small fingers to grasp. Assembly is simple with only a few parts and the wide bottle neck makes filling and cleaning easy. These Natural bottles are made from polypropylene, a BPA free material, and work with all nipples and caps from the Natural line.

Features

Clinically proven to significantly reduce fussing
Anti-colic system allows air into bottle instead of your baby's tummy
Ergonomic shape that your baby can handle and hold
Compatible with the entire Philips Avent Classic product range
Fun, colorful design with cute moon graphics

Package contents: Three Classic 9 Ounce pink deco bottles, three Classic slow flow nipples, three adapter rings, and three bottle caps.

Dr. Brown's 9 Ounce 2-in-1 Wide Neck Transition Bottle

Product Description

Dr. Brown's Options: The market's first convertible bottle that can be used with or without the vent system. The new vent system is designed to grow with baby, and we recommend using this system to experience all the health benefits of our bottle. It helps reduce feeding problems, helps digestion and helps preserve vitamins. Some moms and dads find removing the vent a convenient option as their baby's feeding becomes more developed. The nipple venting creates a paced flow, and provides a feeding experience similar to most nipple-vented bottles. Options bottles are BPA-free and made in the USA. Includes Level 3 Nipple for babies 9 months and 1 Sippy Spout to help baby transition from bottle to cup. Super-soft silicone spout is easy to drink from and spill-proof when not in use. Sippy Spout fits Dr. Brown's Wide Neck Options Bottles.

Features

9 ounce Wide Neck Options Bottle Sippy Spouts helps baby transition from bottle to cup

Super-soft silicone spout is easy to drink from

Spill-proof when not in use

Includes 9 ounce Options Bottle, Level 3 Nipple, and 1 Sippy Spout for use only on Dr. Brown's Wide Neck Options Bottles

Lansinoh mOmma Feeding Bottle 8 Ounce - 3 Count

Product Description

Designed specifically for breastfeeding babies, the Lansinoh mOmma Bottle with NaturalWave Nipple is the perfect bottle for when you are apart from your baby. Based on more than 50 years of research, the NaturalWave Nipple enables baby to engage in the same natural sucking actions learned at the breast allowing for a smooth transition from breast to bottle and back again.

PTPA Award Winner

Features

Includes level 2 medium flow nipple 1 Month And up and cap for on-the-go convenience

Easy to hold for mom, dad, and baby

MAM 3 Pack 9 Ounce Anti-Colic Bottle

Product Description

Awards

What To Expect Moms-Love it Award (2015)

The innovative MAM Anti-Colic Bottle was developed together with medical practitioners and developmental psychologists to meet baby's feeding needs at every stage. MAM bottles are available in an assortment of colors and playful design motifs. All bottles utilize MAM's patented, ultra soft silicone nipple for an easy transition between breast and bottle and feature leak-proof caps that help keep bottles clean when not in use.

Anti-Colic Patented ventilation holes in the bottle's base regulate the pressure balance of baby's milk, allowing milk to flow evenly without bubbles or air pockets for reduced gas and colic symptoms. Ultra Soft Symmetrical Nipple Like the MAM pacifier nipples, the nipple on the MAM Anti-Colic Bottle features a symmetrical shape and brushed silicone feel. The MAM Ultra Soft Silicone nipple makes switching between breastfeeding and bottle especially easy. Easy to Clean. Wide openings at both ends allow for effortless filling and cleaning, and an innovative self-sterilizing feature lets busy parents sterilize an empty bottle in the microwave with a few simple steps.

The spill-proof cap protects nipple from dirt and also works as measuring cup thanks to integrated scale - even for the smallest amounts.

BPA Free and Baby Safe Like all MAM products, the MAM Anti-Colic Bottle is BPA-free, PVC-free, lead-free and CPSIA-Compliant.

Features

Comes with a "2" medium flow nipple

The MAM soft silicone nipple makes for an easy switch between breastfeeding and bottle-feeding

Patented base ventilation systems provides a smooth milk flow which reduces air swallowed by baby, gas and burps

Convenient self-sterilizing feature saves parents' time and ensures babies' safety

Playtex 9 Ounce Ventaire Bottles 3 Pack

Product Description

Playtex knows babies best for better beginnings. The VentAire is uniquely designed to reduce colic, gas and spit-up through a bottom venting system that helps reduce air ingestion.

Comfortable Feeding

Advanced Venting System: Unlike most bottles that pull air through the nipple, the VentAire is uniquely designed to reduce colic via its bottom venting system that helps reduce air ingestion. Micro-channel vents keep air at the back of the bottle as baby drinks so virtually no air mixes with the milk and gets into baby's tummy.

Unique Angled Design: Pediatricians and moms alike love the angled design of the VentAire bottle. The angled design promotes semi-upright feeding which is recommended by pediatricians to help prevent ear infections.

Wide design: The bottle's wide design makes this bottle ideal for moms who are breastfeeding and/or bottle feeding.

Versatility

The VentAire is compatible with all Playtex nipples and caps for greater feeding flexibility. It's easy to mix and match bottles and nipples for the perfect combination that fits your babies evolving preferences.

Playtex provides two distinctive Playtex bottles for a comfortable feeding, anytime and anywhere. Use the VentAire for at home use, and the Nurser with Drop-Ins Liners for on the go convenience.

All Playtex VentAire bottles come standard with a Playtex NaturaLatch Silicone nipple. Designed to be most like mom, the NaturaLatch nipple encourages proper latching and promotes healthy, active feeding.

Features

Uniquely designed to reduce colic

Bottom vent helps reduce air ingestion.

Angled design promotes upright feeding, recommended by pediatricians to help prevent ear infections.

Available in 6oz and 9oz and in Pink, Blue or Clear Bottles

Always BPA-free.

Example Nipples

Dr. Brown's BPA Free Standard Nipples 2 Pack

Product Description

Dr. Brown's BPA Free Nipples reduce colic, vomiting, reflux, burping, and gas. Prevents air bubbles from forming in milk or formula. Helps reduce fluid in the ear. Prevents nipple collapse.

Tommy Tippee Closer to Nature 2 Pack Nipples

Product Description

With Closer to Nature's award-winning range of BPA free Bottles, switching between breast and bottle feeding becomes easier than ever before. We've designed the unique, easy-latch-on teat shape with breastfeeding experts to mimic the natural flex, stretch and movement of a mum's breast. Together

with the bottle's super-sensitive valve, this encourages your baby's intuitive feeding action for comfortable, relaxed feeding.

Features

BPA FREE

Philips Avent Anti-Colic Baby Bottle - Fast Flow Nipple

Product Description

Philips Avent SCF424/27 Anti-colic baby bottle Fast Flow Nipple lets babies control the flow of milk like breastfeeding, which can reduce spit-up and overeating. Philips Avent's anti-colic valve flexes to keep air in the bottle and out of your baby's tummy, a feature that reduces fussing and colic. In a clinical trial, two-week-old infants fed with a Philips Avent Anti-colic baby bottle experienced less colic than babies fed with a conventional bottle, with the greatest difference seen at night. Designed for babies at least 6 months old, these four-hole nipples offer a fast flow. The nipple is made of flavorless, odorless silicone that resists discoloring and stickiness. The nipple's soft, rounded shape promotes feeding for babies who nurse from both the breast and a bottle. The Anti-colic baby bottle BPA Free nipples are dishwasher safe and can be sterilized by boiling for five minutes or by using a sterilizer.

Features

Nipple features 4 holes ideal for babies 6 months old and up

Clinically proven to reduce colic

Compatible with all Philips Avent Classic bottles

BPA-Free

Dishwasher safe

Lansinoh mOmma NaturalWave Peristaltic Nipple - 2 Count

Product Description

The Lansinoh mOmma NaturalWave Peristaltic Nipple is substantiated through over 50 years of research that shows that when baby's use it, they are utilizing the same actions they use when nursing naturally. It is the ideal product for breastfeeding moms who will be apart from their babies, due to work or other reasons, so they can know that their baby will more easily go from breast to bottle and back to breast because this nipple minimizes the potential confusion or preference towards an artificial nipple that does not allow baby to engage the same natural-like actions. Allows baby to mimic natural sucking rhythm. BPA Free. AVS - Air Ventilation System reduces intake of gas, a potential cause of colic or spit up. 100% silicone is supersoft, flexible and long lasting.

MAM Nipples 2 Pack

Product Description

MAM Size 2 Medium Flow Nipple

The MAM Size 2 Medium Flow Nipple was developed together with medical practitioners and developmental psychologists to meet baby's feeding needs at every stage. MAM's patented, ultra soft silicone nipple is designed to mimic mother's breast and never collapse during drinking.

Ultra Soft Symmetrical Nipple

The ultra-soft, orthodontic MAM nipples are expertly textured and shaped to mimic a mother's breast,

making the transition between breast and bottle smooth and easy.

Convenient Design

MAM nipples fit all MAM bottles and sippy cups.

BPA Free and Baby Safe

Like all MAM products, MAM nipples are BPA-free, PVC-free, lead-free and CPSIA-Compliant.

Playtex BreastLike Shape Nipple

Features

Slope of area around nipple mimics the breast.

Available in Slow, Medium, and Fast Flow

Silicone, BPA-Free

Compatible with all Playtex bottles: Playtex VentAire and Playtex Nurser with Drop-Ins Liners

Available in: Playtex Breastlike Nipple 2-pack, Playtex Nipple Variety Pack

Kiinde Active Latch Natural Feeding Nipples 2 Pack

Product Description

"Feed directly from Kiinde Twist Pouches!

Transfer-free, gas-free, and leak-free.

Active Latch nipples pop directly into Twist Pouches, eliminating the need to transfer milk from bags to bottles and back again.

Active Latch nipples are meant to be used with Kiinde Twist Pouches and the Kiinde Squeeze natural feeding bottle (sold separately).

For a complete transfer-free, hassle-free breastmilk collection, storage, preparation, and feeding system:

DIRECT-PUMP into Kiinde Twist Pouches, recyclable breastmilk storage pouches with twist-locking caps. Using Kiinde Direct-Pump twist-locking adapters, Twist Pouches twist-lock onto pumps from all major brands, for leak-free, transfer-free pumping.

STORE and organize pouches in the Kiinde Keeper breastmilk holder and organizer, and

THAW and WARM quickly and safely using the Kiinde Kozii breastmilk warmer and bottle warmer with steam-free SAFEheat technology."

Example Bottle Liners

Playtex Drop-Ins Bottle Liners

Product Description

Convenient and strong, each liner in this package is pre-sterilized, eliminating the need for time-consuming bottle sterilization. Each liner has a pre-formed shape that allows for one-hand holder

assembly. The Drop-Ins liner collapses as your baby feeds to provide a continuous flow of liquid, which can help reduce painful gas, colic and spitting up.

Features

Playtex Drop-Ins are specially designed for use with Playtex baby Nurser bottles

Convenient disposable liner collapses to keep air out of milk

Soft liner gently collapses like the breast for a more natural breathing and feeding rhythm - Clinically Proven

BPA Free

Available in 4 oz and 8-10 oz sizes

Playtex VentAire Replacement Disk 2 Pack

Product Description

Replacement disks for your standard or wide Ventaire bottles from Playtex.

Example Gift Sets & Starter Sets

Dr. Brown's BPA Free Infant Gift Set

Product Description

Introducing Dr. Brown's Options: The market's first convertible bottle that can be used with or without the vent system. The new vent system is designed to grow with baby, and we recommend using this system to experience all the health benefits of our bottle. It helps reduce feeding problems, helps digestion and helps preserve vitamins. Some moms and dads find removing the vent a convenient option as their baby's feeding becomes more developed. The nipple venting creates a paced flow, and provides a feeding experience similar to most nipple-vented bottles. Options bottles fit most breast pumps, and are BPA-free and made in the USA. The Power Of Choice This innovative bottle effectively and efficiently covers all parents' needs. Dr. Brown's Options grows with the needs of your baby and offers healthy benefits whether your little one is experiencing feeding challenges or not. Options gives you the power of choice. The Infant Gift Set comes with 3 - 8 ounce baby bottles with level 1 nipples; 2 - 4 ounce baby bottles with level 1 nipples; 2 - level 2 nipples; 2 - storage caps; 1 - Prevent Butterfly Pacifier, level 1; 2 - cleaning brushes.

Features

The market's first convertible bottle that can be used with or without the vent system.

Helps reduce feeding problems - Our bottles are known for reducing colic, spit-up, burping and gas

Helps preserve bottle milk nutrients - Vitamins C, A, and E are critical for health in infancy

Vacuum-free feeding helps digestion.

Avent Anti-colic Bottle All In One Set

Product Description

Philips Avent SCD397/01 BPA Free Anti-colic baby bottle All in One Set provides everything a new parent needs for safe, easy feeding and sterilizing. Each of the 4 BPA-free Anti-colic baby bottle bottles included in this kit features a clinically proven anti-colic valve for less air in baby's tummy and a more comfortable feeding experience. The set includes 2 Anti-colic baby bottle 9 Ounce/260 milliliter bottles with 2 Anti-colic baby bottle slow flow nipples, 2 Anti-colic baby bottle 4 ounce/125 milliliter bottles with 2 Anti-colic baby bottle newborn nipples, Microwave Sterilizer, Bottle Warmer, Formula Dispenser, Bottle Brush, My Anti-colic baby bottle Trainer and 2 Newborn Silicone Pacifiers. The ultra-fast and easy to use Microwave Sterilizer kills 99.9% of harmful germs and sterilizes 4 bottles in just 2 minutes. The Bottle and Baby Food Warmer heats up milk and baby food gently and evenly making it safe for baby. The Formula Dispenser holds 3 pre-measured portions of milk powder and is ideal for travel. The Bottle Brush's curved brush head and molded tip cleans hard to reach areas. The My Anti-colic baby bottle Trainer allows you to add handles to a familiar bottle and nipple and comes with a nipple and soft spout for easy training. The Newborn Silicone Pacifiers have soft, long-lasting silicone nipples and their orthodontic, flat, symmetrical shape respect the natural development of palate, teeth and gums.

Features

Clinically proven to reduce colic

Formula Dispenser holds enough powdered formula for 3 9 Ounce /260 milliliter feeds and is ideal for travel

Bottle and Baby Food Warmer is fast and easy to use and heats gently and evenly making it safe for baby

My Classic Plus Trainer features nipple and soft spout for easy training

The First Years Take and Toss 28 Piece Variety Bag

Product Description

Here's a variety of Take & Toss styles and colors to suit your family's busy life. With 28 pieces in all, the variety bag comes with bowls, snack containers, spoons, and sippy cups. All Take & Toss items are durable enough to use over and over, yet affordable enough to treat as disposables. Having the exact right item you need, right when you need it? It's like finding a pot of gold.

Joovy Boob PPSU Starter Set

Product Description

The PPSU material stands up to repeated sterilization and will not absorb odor or color. All items in this set are BPA and PVC free.

The CleanFlow Vent System provides an easy to clean, 1-piece vent ring. Air flows into the bottle through four evenly spaced openings ensuring proper venting regardless of how the bottle is held. Proper venting reduces air intake by your baby and prevents vacuum effects, reducing colic.

Our unique nipple shape allows you to better combine breast and bottle feeding. The large diameter base and nipple length allows baby to latch properly. We also take the extra step of baking our nipples. Baking strengthens the silicone to help prevent nipple collapse while providing constant softness. The nipples are available in 5 flow rates, allowing you to choose the perfect flow for your baby.

The Sealing Cap allows you to store and freeze breast milk or other liquids directly in the bottle. Our Revolving Brush and Nipple Brush are ergonomically designed for fast, simple and thorough cleaning of bottles, sippy cups and nipples.

Features

- (1) 9oz./260ml PPSU Bottle with stage 2 nipple
- (1) 5 oz./160ml PPSU Bottle with stage 1 nipple
- (1) Sealing Cap
- (2) CleanFlow Vents
- (2) Stage 0 nipples
- (1) Stage 1 nipple
- (1) Stage 2 nipple
- (1) Stage 3 nipple

- (1) Stage X nipple
- (1) Nipple Brush
- (1) Bottle Brush

Playtex Bottle & Nipple Gift Set -3 Months & Up

Product Description

Only Playtex lets you skip the trial and error process to give your baby the best feeding right from the start. The Playtex Bottle & Nipple Gift Set includes two different Playtex bottles and 4 distinct Playtex nipples to match your baby's unique preference.

1. Try a wide range of 4 nipples in different shapes and sizes to match your baby's unique preferences. Wide raised textured area is designed to promote proper latch-on for easy switching between breast and bottle. All Playtex nipples are BPA-free and compatible with all Playtex bottles.
 - a. NaturaLatch Nipple - Most like Mother
 - b. Breastlike Shape Nipple - Designed to mimic the breast
 - c. Fullsized Nipple - For wider mouths
 - d. Angled Nipple - For upright feeding
2. Offers 2 bottle types, to mix and match bottles and nipples for the perfect combination
 - a. Playtex VentAire bottle: Uniquely designed to reduce colic, use Playtex VentAire Bottle at home for a comfortable feeding with minimal parts to clean. Micro-channel vent keeps air at the back of the bottle so virtually no air mixes with the milk.
 - b. Playtex Nurser with Drop-Ins Liners bottle: Uniquely designed to reduce colic, use Playtex Nurser with Drop-Ins Liners Bottle System for on-the-go convenience. Disposable liners collapse like mom's breast to keep air out of milk.

Example Bottle Warmers & Sterilizers

Baby Brezza Formula Pro

Product Description

Say goodbye to the time and hassle of manually preparing baby's bottles. Introducing Baby Brezza Formula Pro, the revolutionary new way of preparing your baby's formula bottles. The Formula Pro uses worldwide patent-pending technology to measure and mix water and powdered formula to the perfect temperature (about 98 degrees) and consistency. With the push of a button, you can prepare a bottle within seconds that has no clumps or air bubbles. The water and formula powder are stored in airtight compartments right in the machine, so it's always ready for you when your baby gets hungry. The machine works with most bottle sizes and most formula brands and types. You can also choose the amount of formula you want to make: 2, 4, 6, 8 or 10 ounces. The easiest way to prepare baby's bottles is now right at your fingertips.

Features

Hassle free formula preparation: no measuring, no mixing, no fuss

Patent-pending mixing technology: mixes formula powder and water to perfect consistency without clumps or air bubbles

Temperature control: heats water to 98 degrees, the optimal temperature for feeding baby

Airtight formula storage: holds 700g of formula powder to prepare 20 8-ounce bottles

Removable water tank: easy to fill and clean

Versatile: Makes 2, 4, 6, 8 and 10 ounce bottles

Works with all bottle sizes

Works with most formula brands and types

Bottle preparation takes just seconds

Product Dimensions: 15.2" tall (38.6cm) x 8.65" deep (21.98cm) x 9.73" wide (24.72cm)

Evenflo Advanced Breast Milk Storage Bag Adapters - 2 pack

Product Description

No more crying over spilled milk! During the pumping process, it's easy to lose precious drops of pumped milk when transferring from a collection bottle to a storage bottle. That's where Evenflo's Advanced Milk Storage Bag Adapters come in. These innovative adapters allow you to pump directly into any brand of milk storage bags, helping you save time and simplify the pumping process. They are easy to use and provide a secure, tight grip to your milk storage bags. The adapter super secure clips keep milk storage bags in place, and the adapters work with most standard neck pumps. There are two adapters in each pack of Advanced Milk Storage Bag Adapters, to help make your pumping experience as seamless as possible. Start saving time and milk today!

Features

- Prevent spilling milk when transferring from collection bottle to storage bag
- Saves time by simplifying the pumping process
- Super secure clips keep bags in place
- Works with all styles of milk storage bags and most standard neck breast pumps
- 100% free of BPA, and made of FDA approved food grade material

- Large main compartment big enough for a sandwich, apple and juice box
- Interior mesh pocket for utensils, and more
- Zoo Lunchies coordinate with the entire line of Zoo Packs
- Top handle clips onto any backpack

Nuby First Solids Insulated Stainless Steel Food Jar with Folding Spoon

Product Description

The Nuby™ First Solids Food Jar is made of dual wall insulated stainless steel. It includes two separate compartments allowing dry foods to be stored separately from liquids. It also includes a folding spoon which fits inside the lid for easy feeding on the go. The stainless steel exterior stays cool to the touch even with warm foods and is sweat-proof so it does not leave water rings!

Example Sippy Cups

Avent 2 Pack 7 Ounce My Little Sippy Cup

Product Description

This Philips Avent SCF751/28 7oz My Little Sippy Cup is the ideal drinking solution for the growing toddler. The soft, angled silicone spout has a built in valve for spill-free drinking and is designed to help toddlers take their first sips easily without tilting their head back too much, allowing the little one to develop a natural drinking position. Trainer handles are seamlessly integrated into the cup's design and are there to help the toddler hold the cup and drink independently. These handles are not only shaped for little hands to grasp easily, they are also designed for anti-slip with soft touch grips. The My Little Sippy Cup is made from BPA free materials and includes a protective hygiene cap to keep the cup and its contents clean in between uses. For your convenience, this product is microwave/ dishwasher safe and is compatible with all Philips Avent bottles and cups (excluding glass bottles and My First Big Kid Cup) . Mix and match our bottle and cup parts, and create the product that works for you, when you need it!

Features

Soft spout sippy cup

Trainer handles with soft grips make it easy to hold for baby

Spill proof with built in one piece valve

BPA-Free and dishwasher safe

Mix and match Philips Avent bottle and cup parts. Compatible with all Philips Avent bottles (excluding glass) and cups (excluding My First Big Kid Cup)

Gerber BPA Free NUK Silicone Learning Cup

Product Description

NUK's Learner Cups will help you transition baby from breast or bottle to cup with ease. The parts are interchangeable to make it easy to mix and match and expand as your baby grows. Spill proof soft spout designed to be gentle on gums, and get baby used to drinking from spout. Easy grip handles ergonomically shaped with anti-slip soft grips make it easy for baby to hold. Extra wide neck for easier filling and cleaning.

Dr Brown's 9 Ounce Soft Spout Training Cup

Product Description

A natural next step in helping little ones learn to drink from a cup. Contoured, easy grip shape has no handles to make it simple for toddlers to hold this cup like a grownup. Features a one-piece, spill-proof silicone spout valve that makes sipping easy for tiny mouths, and is also removable for easy cleaning. Attached lid stays open when baby drinks and keeps spout clean when not in use. Easy to assemble and clean, this sippy cup is dishwasher safe and recommended for babies 9 months+. 9 oz./270 ml. Offered in a selection of fun colors with unique designs of recognizable images.

Features

Sip Activated Valve for a spill proof cup

A natural next step in helping little ones learn to drink from a cup

One-piece, spill-proof silicone spout valve that makes sipping easy for tiny mouths, and is also removable for easy cleaning

Attached lid stays open when baby drinks and keeps spout clean when not in use

Easy to assemble and clean and is dishwasher safe - 9 oz

Tommee Tippee 8 Ounce Trainer Straw Cup

Product Description

When your little one is ready for more than a meal time sip, this trainer straw cup with a 8 Ounce/230 Milliliter capacity comes in handy. It is designed for use from 7 months. The soft silicone straw is really easy to drink through, and they don't need to tip the cup as much as they do with a sippee cup. When you're out and about the straw flips down to stay clean and prevent spills, and the big handles are easy to hold on to as they begin to sit up and roll about. It's also easy to remove the handles so they can practice holding the cup directly, just like a grown-up! The soft straw on this cup is smooth and gentle on gums, even during periods of teething - and we're also smooth and gentle on you: all our cups are dishwasher safe (on the top shelf), can be sterilized, and have interchangeable parts!

Features

- Specially designed to help your little one develop grown-up drinking skills
- Super soft straw makes drinking easy and is gentle on gums
- Straw flips down between sips to stay clean and stop spills
- Removable easy-grip handles are perfect for little hands
- All tommeie tippee cups are BPA free, with swappable parts

Paw Patrol™ Miracle® 9 Ounce 360 Degree Sippy Cup

Product Description

Let's face it: toddlers are a messy bunch, especially when first navigating sippy cups. Now imagine a world in which drinks didn't spill at all not in your diaper bag, not on your nightstand, and not even onto your eager-to-learn child. No, it's not a miracle, exactly it's Munchkin's Miracle® 360 degree Cup. The first sippy cup invented with both parents and kids in mind, the Miracle® 360 Degree Cup eliminates messes and supports kids' dental health all at once. Drinking from anywhere around the rim, like a regular cup, helps support normal muscle development in a child's mouth. And with no extra spouts, straws or pieces, the Miracle® 360 degree Cup is easy to use and even easier to clean. Now available with your favorite heroic pups, making drinking from this cup even more fun!

Features

- Toddler cup with dentist recommended spoutless design and Paw Patrol™ characters
- 360 degree drinking edge eliminates spills completely
- Drink from any side of the cup. Simply tilt the cup and suck on the valve's edge. Do not bite.
- Cup automatically seals when child stops drinking
- Perfect cup for your nightstand doesn't spill when you're in bed

Nalgene Super Hero 12 Ounce Grip-n-Gulp Cup

Product Description

We've taken on Everest. Now we're ready for toddlers! Nalgene containers have stood up to some of the world's most extreme conditions. Small potatoes compared to small children. The Nalgene Grip'n Gulp™ is tough enough to survive being thrown from a moving minivan, spill proof enough to compel parents to blame the rug stains on the dog, and odor proof enough to allow leftover milk to go undetected under the couch. Most importantly, it's a great way for little kids to reach new heights.

Features

- Leakproof, dishwasher safe and BPA free
- Rubberized lid and smooth mouthpiece make drinking comfortable

Durable Tritan copolyester resists odors, stains, and residue
Made in USA
Manufacturer Guaranteed for life

Harry Potter "I solemnly Swear that I am up to No Good" 16 Ounce Tumbler

Product Description

Even when you're up to no good, this Harry Potter™ tumbler keeps your drinks magical longer than standard drinkware. Gift a true Potter fan this Tervis Wrap Tumbler, and its all-around design referencing the password to the famed Marauder's Map. Its double-wall insulation keeps hot drinks hot and cold drinks cold, and the lid helps prevent spills on the go.

Features

Great for both hot and cold.
Greatly reduces condensation and sweating.
Fits in most cupholders.
Microwave and dishwasher safe.
Made in America.
Wrap-around design with Potter-style text, map details, and of course, spectacles.
Double-wall construction reduces condensation and provides insulation.
Perfect for both hot and cold drinks.
Easy-to-carry shape fits most cup holders.
Large opening makes it easy to fill and add ice cubes.
Includes a plastic lid, perfect for on-the-go.

GAMAGO BPA Free Babychino Sippy Cup - 7 Ounce

Product Description

Designed to coordinate with mom and dad's own matching caffeinated beverage of choice, this sippy cup is a must-have accessory for the hip kiddo who's not a morning person either. While you sip on your java juice, pour some apple juice, milk, or formula for your bitty one and enjoy your morning routine together, or on-the-go!

Features

Prevent spillage by securing on the removable lid
Hand wash and BPA-free. Safe and easy to clean!
For ages 6+ months

CamelBak Eddy 0.4 Liter Kids Water Bottle – Unicorns

Product Description

The classic, spill-proof CamelBak Eddy™ bottle, designed specially for littler hands. The simplified straw is easy for kids to use, and the size makes it ideal for packing in bags and lunch boxes. All the parts are easy to remove for cleaning and child safe.

Features

Recommended for ages 3-8, the CamelBak Kids Eddy™ water bottle features a spill-resistant design and fun graphics to keep you and your kids happy.

Simple 1-piece bite valve is designed to be easy for young children to use; bite valve effectively limits drips and spills.

Redesigned cap and Big Bite valve provide faster flow than previous versions; just bite and sip, and your beverage flows through the valve. Dishwasher-safe, durable, BPA-free and BPS-free.

Carry the integrated handle in the crook of a finger, or connect it to a pack or waist belt with a small carabiner (not included).

Simply unscrew the cap to uncover bottle's wide-mouth opening for easy filling and cleaning; sleek shape fits easily in kids' hands and is compatible with most car cup holders.

Playtex Sipsters Stage 3 9 Ounce 2 Pack Insulated Straw Cups - Milk and Water

Product Description

Munchkin Snack Catcher

Product Description

Sometimes it seems all you have to do is follow a trail of crumbs to find your little one. Munchkin's best-selling Snack Catcher to the rescue! This lidded, portable snack bowl allows independent toddlers to self-feed with a bit more dexterity and a lot less mess. Kids love accessing snacks all by themselves through the soft, flexible flaps, and moms love that those same flaps help prevent food spills all over the house and car. Each spill-proof Snack Catcher cup has two handles designed for even the littlest hands to grasp easily, and a no-slip rubber bottom to keep it in place on the dinner table, in the high chair, or during lunchtime at school. Snack Catcher® food containers are a must-have for toddlers on the move. And because snacks come out only when they want them to, snacktime no longer means food everywhere except your child's mouth. Win-win for all!

Features

Toddler snack container with lid and soft flaps for easy food access
Fits most standard cup holders in cars, carseats, strollers, etc

BPA-free, top rack dishwasher-safe
12+ months
2016 Winner of The Cribbie's Coolest Snack Container Award

Despicable Me ZakSnak 10 Ounce Tumbler – Minions

Product Description

The carefully designed lid has a simple rotating cover that rotates open when you want to reach your snacks. The lid easily rotates closed when it's not being used. To help prevent spills, the screw-on lid has a secure fit and the cone-shaped tumbler design is easy for children to hold. The tumbler features threading on the inside so it can be used alone as a regular tumbler. The snack container portion can be fully removed for easy cleaning and can also be used on its own. Both pieces are easy to take apart and put back together for added versatility. This interactive drink ware item is made from durable plastic for long-lasting utility. The two-in-one zak!snak tumbler is approximately 3.5 inches in diameter and 7.1 inches tall from the base to the top of the straw. The tumbler portion holds about 10 ounces of your favorite beverage and the snack container holds about 4 ounces of snacks. The straw is removable for easy cleaning, and everything can be washed in the top rack of the dishwasher. It's BPA free, but not microwave safe. Recommended for children ages 3 and up.

Features

Lid rotates open when you want to reach your snacks.
Cone-shaped tumbler design is easy for children to hold
Tumbler can be used alone as a regular tumbler
Removable Straw for easy cleaning, top rack dishwasher. BPA free

The First Years Disney Baby Snack Bowl - Mickey Mouse

Product Description

Toddler snacks have a tendency to spill everywhere, which means mom and dad are constantly on pick-up duty. With characters your child will love, the Disney Spill-Proof Snack Bowl offers the perfect solution to end messy snacking. The one-piece, screw-on lid holds everything in place with soft flaps that allow your child to access snacks without spilling, even if dropped or tilted. Yay for noshing neatly.

Features

Tots can access their favorite snacks without spilling
One-piece lid screws on and features soft flaps to hold snacks in place
Easy grasp handles
Dishwasher safe and BPA free
Age Grade: 9 months and up

Munchkin White Hot Safety Spoons- 4-Pack

Features

Disney Mickey Mouse Utensil Set

Product Description

Mickey is giving your toddler a hand in self-feeding with these easy grasp fork and spoon. Rounded fork tines and deep spoon bowl help keep food on the utensil providing your child with a sense of accomplishment. Durable, BPA free plastic. Dishwasher safe.

Boon Pulp Silicone Feeder

Product Description

Chew on This. We don't mean to mouth off, but let's be real about how mesh feeders can be a real mess and difficult to clean. Our silicone teething feeder has some bite to it; allowing for easy feeding with its interior firm stem that forces food out where babies can get to it. It's simple to clean and more durable than mesh feeders. Boon totally has a handle on baby's snack time and when something is this good, we think it's okay to get a little mouthy about it.

Features

Soft-silicone cover allows baby to self-feed on fruits and vegetables through small holes

Can be used with chilled food for teething babies

Interior stem forces food towards feeder holes

Quick snap ring allows for easy assembly

Small handle is perfect for baby's grasp

Gerber NUK BPA Free Kiddy Cutlery Utensil Set

Product Description

Make the transition to using adult utensils easier with this Gerber NUK BPA-Free Kiddy Cutlery Toddler Spoons. Every piece of cutlery in this set is made with your toddler's dexterity in mind. The knife lets your little one safely practice cutting without the fear of cuts. The spoon bowl is deeper than adult spoons and the fork easily spears food. The longer, easy-to-grip handles give your toddler a more secure feeling. Best of all, it's BPA free so you can feel secure as well.

Features

A wonderful, safe way to teach toddlers how to use utensils

Fork easily spears food

Stainless steel tips and rubber easy-grip handles

Spoon bowl is deeper than adult spoons, so less spills

Includes 1 fork, 1 spoon and 1 knife

Nickelodeon Paw Patrol BPA Free Mealtime Set

Product Description

This set contains a PP tumbler (9 ounces), a melamine plate (8 inches), and a melamine bowl (5.5 inches) and bonus water bottle. Everything is packaged in an easy-to-wrap gift box, the perfect birthday or holiday present. It's a great addition to any household - kids love these durable and perfectly-sized dishes. The full-surface and wraparound character images are large and easy to see, adding fun and personality to every meal. Whether you're serving soup, salad, snacks, or anything in between, kids can

eat with their favorite characters. And they can stay healthy with Zactive Kids eating and exercise tips on the back of the box! This set is child safe (completely BPA free!) and dishwasher safe. Do not microwave. Recommended for children ages 3 and up.

Convenient carrying case makes this booster perfect for a day in the park, at the beach, or trip to a friends house

Includes 3-point safety harness and chair safety straps for use on adult chair.

OXO Tot Nest™ Booster Seat with Straps

Product Description

The OXO Tot Nest Booster Seat with Straps is a Booster Seat that will bring kids to the family table from as young as 9 months. The Nest Booster Seat was designed with a soft cushion, as well as a high back and sides to make any grown-up chair comfortable for your little one. It was also designed to be easy to clean and store, to make the after-meal clean up comfortable for you. The 3-point harness keeps even the wiggliest tot secure and is adjustable for growing kids. Two side release buckles keep kids securely strapped in (and keep them from escaping!). The back and bottom chair straps are adjustable for a secure fit on different chair styles and sizes and the non-slip feet keep the Booster Seat stable while protecting chairs from scratches.

Features

High back and sides cradle child for support and comfort on any grown-up chair; Boosts little ones to table height for family meals

3-point harness keeps even the wiggliest tot secure, and is adjustable for growing kids; Back and bottom chair straps are adjustable for a secure fit on different chair styles and sizes

Soft, comfortable cushion is stain, tear-resistant and is easy to wipe clean; Non-slip feet keeps Booster Seat stable while protecting chairs from scratches

Built-in handle for easy transport; Simple, sleek design complements any home decor

BPA, phthalate and PVC free; For ages 9 months and up; Holds up to 50 pounds

Zobo Deluxe Booster Seat

Product Description

The Zobo Deluxe Booster Seat is the ideal solution for keeping your toddler full and clean at home or on the go! The seat features a dishwasher-safe feeding tray that is removable when your child just needs a boost for playtime at the table! The seat height is adjustable to three heights and also features a comfortable 2-position seat back reclining feature that accommodates your growing child. Adjustable straps and rubber-grip feet firmly attach to almost any chair, and the safety harness keeps your child securely in the seat. Best of all, this booster folds compactly and features a shoulder strap for easy transportation!

Features

Booster seat is designed with three height positions to grow with your child
Adjusts to two different recline levels
Straps across waist and crotch hold your toddler securely in place
Straps and grip-feet attach to almost any chair
Detachable tray is dishwasher safe for easy cleaning

Phil & Teds Lobster Clip On Chair

Product Description

With the Phil & Teds lobster you can have lobster at the table every day. Get a taste of this. A smart & stylish portable highchair - the Phil & Teds Lobster Hook On Chair in Red.

The brushed stainless steel frame and robust, easy care fabrics are not only strong and durable, but so good looking you'll be turning heads at every bench and table top you latch your lobster onto! Flat-pack portability. Every lobster can be folded flat and transported easily in a purse or diaper bag. Snug & secure. There'll be no wriggling out of this one! Smaller children often have trouble sitting securely in most regular highchairs. The comfy padded shoulder straps and 5-point safety harness allow for wriggle room - not wriggle through! For ages 6mos (or sitting up) to 37lbs.

No need to subject your little angel to any more grubby restaurant high chairs! Breakfast, lunch and dinner will wipe right off the easy clean fabric. Or simply slide the seat out of the frame and handwash. Easy on. And off. And on again. The twist-on and twist-off mechanism is a piece of cake for adults, but not so easy for little hands. The firm finishing point of the turn lets you know it's secure. Fits a wide range of bench or table tops from .8" to 3.7" thick. Food tray. The wide, resilient food tray slides securely under the clamp grips, to protect the table surface from attack by food and colouring crayons. Illustrated tray insert included. Strong, secure and safety certified. Clamps on to almost any table with super-secure pincer-like clamps for a worry-free grip every time. Super fast setup and pack down. Feeding time is often challenging enough without adding an awkward and cumbersome high chair into the mix. Pick it up by the frame, and the lobster will literally fall into position. Once it's detached, flip the handles inwards and it folds neatly back onto itself so you can slide it back into your diaper bag or purse. Globally safety certified.

Inglesina Fast Table Chair

Product Description

For use at home, while traveling or at the restaurant, the 2014 Inglesina Fast is a must-have Table Chair that is as comfortable as it is convenient. Parents love the Fast because of its simple, twist-tight couplings and its compatibility with most types of tables (up to 3.5 Inches thick), leaving them scratch-free. Fast is ultra-light, collapsible and easy to carry comfortably in a large bag that comes with purchase (hidden underneath the seat pad). So no matter where you are - your child will be able to sit and act like an adult. Well, sort of. Fold-flat closing system for no-hassle use and easy transportation. Lifted backrest and firm seat for greater comfort of the baby. Handy rear pocket. Removable cover, hand washable at 86 Fahrenheit. Convenient, travel-friendly carrying bag included. In 2014 Inglesina is introducing a wider fabric that covers the tubes of the frame. Also, a convenient dining tray is now available as an optional accessory. The Fast you love got even better. Dimensions when open: 14 inches x 17 inches x 11 inches. Dimensions when closed: 14 inches x 17 inches x 4 inches.

CamelBak Eddy 0.4 Liter Kids Water Bottle

Product Description

The classic, spill-proof CamelBak Eddy™ bottle, designed specially for littler hands. The simplified straw is easy for kids to use, and the size makes it ideal for packing in bags and lunch boxes. All the parts are easy to remove for cleaning and child safe.

Features

Recommended for ages 3-8, the CamelBak Kids Eddy™ water bottle features a spill-resistant design and fun graphics to keep you and your kids happy.

Simple 1-piece bite valve is designed to be easy for young children to use; bite valve effectively limits drips and spills.

Redesigned cap and Big Bite valve provide faster flow than previous versions; just bite and sip, and your beverage flows through the valve. Dishwasher-safe, durable, BPA-free and BPS-free.

Carry the integrated handle in the crook of a finger, or connect it to a pack or waist belt with a small carabiner (not included).

Simply unscrew the cap to uncover bottle's wide-mouth opening for easy filling and cleaning; sleek shape fits easily in kids' hands and is compatible with most car cup holders.
