MASTER LEASE AGREEMENT
Between State of Oklahoma By and Through The Office Of Management and
Enterprise Services (“Lessee”)
And Insight Public Sector, Inc. (“Lessor”)
Dated: June 6, 2024

1. Scope.

This Master Lease Agreement (this “Agreement” or “MLA”), effective as of the Effective Date set forth above, is between the Lessor and the State of Oklahoma by and through the Office of Management and Enterprise Services. Capitalized terms have the meaning set forth in this Agreement.

Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor the Equipment described on each Lease Schedule (“Schedule”), which is a separate agreement executed from time to time by Lessor and Lessee under the terms of this MLA. The terms and conditions contained herein shall apply to each Schedule that is properly executed in conjunction with this MLA by a governmental entity of the State of Oklahoma that is authorized to use Oklahoma state contracts, which shall be considered a Lessee under this Agreement and under each Schedule to which it is a party. No Lessee hereunder shall have any obligation or liability for any other Lessee's obligations or liabilities under any Lease, and a default by one Lessee under a Lease shall not constitute a default by any other Lessee under any other Lease. The State of Oklahoma By and Through The Office Of Management and Enterprise Services and each Lessee has made an independent legal and management determination to enter into this MLA and each Schedule.

The State of Oklahoma by and through the Office of Management and Enterprise Services (“OMES”) has not offered or given any legal or management advice to the Lessor or to any Lessee under any Schedule. Lessee may negotiate additional terms or more advantageous terms with the Lessor to satisfy individual procurements, such terms shall be developed by the Lessor and Lessee and stated within an amendment to the MLA or the Schedule. To the extent that any of the provisions of the MLA conflict with any of the terms contained in any Schedule, the terms of the Schedule shall control, provided that any material change must be consented to by The Office of Management and Enterprise Services. It is expressly understood that the term “Equipment” shall refer to the Products and any related Services and discounts and/or pricing as allowed within SW1020 (the “Contract”) as described on a Schedule and any associated items therewith, including but not limited to all parts, replacements, additions, repairs, and attachments incorporated therein and/or affixed thereto, all documentation (technical and/or user manuals), operating system and application software as needed.

Any reference to "MLA" shall mean this MLA, including the Opinion of Counsel, and any riders, amendments and addenda thereto, and any other documents as may from time to time be made a part hereof upon mutual agreement by Lessee and Lessor.

As to conditions precedent to Lessor's obligation to purchase any Equipment, (i) Lessee shall accept the MLA terms and conditions as set forth herein and execute all applicable documents such as the MLA, the Schedule, the Acceptance Certificate, Opinion of Counsel (only required in connection with a Schedule of greater or equal to \$2,500,000.00), and any other documentation as may be required by the Lessor that is not in conflict with this MLA, and (ii) there shall be no material adverse change in Lessee's financial condition except as provided for within Section 7 of this MLA.

2. Term of MLA.

The term of this MLA shall commence on the Effective Date above and shall continue until (i) the obligations of Lessee under every Schedule are fully discharged, (ii) the full and final expiration date of the Contract, or (iii) either party terminates either this MLA or the underlying Contract. In regard to either the Contract expiration date or Contract termination date or the termination of this MLA, before all obligations of Lessee under every Schedule are fully discharged, such Schedules and such other provisions of the Contract and this MLA as may be necessary to preserve the rights of the Lessor or each Lessee thereunder shall survive said termination or expiration and remain in full force and effect.

3. Term of Schedule.

The term for each Schedule, executed under this MLA, shall commence on the date of execution of an Acceptance Certificate by the Lessee or twenty (20) days after the delivery of the last piece of Equipment to the Lessee ("Commencement Date"), and unless earlier terminated as provided for in the MLA, shall continue for the number of whole months or other payment periods as set forth in the applicable Schedule Term, commencing on the first day of the month following the Commencement Date (or commencing on the Commencement Date if such date is the first day of the month). The Schedule Term may be earlier terminated upon: (i) the Non-appropriation of Funds pursuant to Section 7 of this MLA, (ii) an Event of Loss pursuant to Section 18 of this MLA, or (iii) an Event of Default by Lessee and Lessor's election to cancel the Schedule pursuant to Section 24 of this MLA.

4. Administration of MLA.

- (a) For requests involving the leasing of Equipment, Lessee will submit its request directly to Lessor or such other vendor or manufacturer providing hardware, software, or services under this Agreement (collectively the "Vendor"). Vendor shall apply the then current Equipment pricing discounts as stated within the Contract or the price as agreed upon by Lessee and Vendor. Lessor shall submit the lease proposal and all other applicable documents directly to the potential Lessee and negotiate the Schedule terms directly with the potential Lessee.
- (b) Upon agreement by Vendor, Lessor and Lessee on pricing, availability and the like, Lessee may issue a purchase order in the amount indicated on the Schedule to Lessor for the Equipment and reference said Contract number Statewide1020 on the purchase order. Any pre-printed terms and conditions on

the purchase order submitted by the Lessee shall not be effective with respect to the lease of Equipment hereunder. Rather, the terms and conditions of this MLA, the terms of the Contract, and applicable Schedule terms and conditions shall control in all respects.

- (c) Nothing herein shall require the Lessor to use this MLA exclusively with Lessees. Further, this MLA shall not constitute a requirements Agreement and Lessor shall not be obligated to enter into any Schedule for the lease of Equipment with any Lessee.

5. Rent Payments.

During the Schedule Term and any renewal terms, Lessee agrees to pay Lessor Rent Payments. Rent Payments shall be the amount equal to the Rent Payment amount specified in the Schedule multiplied by the amount of the total number of Rent Payments specified therein. Lessee shall pay Rent Payments in the amount and on the due dates specified by Lessor until all Rent Payments and all other amounts due under the Schedule have been paid in full. If the Schedule Commencement Date is other than the first day of a month, Lessee shall make an initial payment on the Schedule Commencement Date in an amount equal to one-thirtieth of the Rent Payment specified in the Schedule for each day from the Schedule Commencement Date (including the Schedule Commencement Date) through the last day of such month (including that day). For example, if a scheduled payment amount is \$3,000 and the Scheduled Commencement date is the 15th of the month, a payment of \$1,500 will be made.

Any amounts received by Lessor from the Lessee in excess of Rent Payments and any other sums required to be paid by the Lessee shall be applied to the next scheduled Rent Payment due under the applicable Schedule, or if prohibited by law, the Lessor shall return the excess funds directly to Lessee. All Rent Payments shall be paid to the Lessor at the address stated on the Schedule or any other such place as the Lessor or its assigns may hereafter direct to the Lessee. Lessee shall abide by the terms and conditions provided for in this MLA regarding the leasing and financing of the Equipment and the underlying Contract, as applicable and to the extent Contract terms are not in conflict with the terms of this MLA regarding Lessee's

leasing and financing of the Equipment thereunder, this MLA and Schedule shall control. Any sum received by the Lessor later than allowed by applicable Oklahoma law will bear interest at the lesser of twelve percent (12%) per annum or the maximum rate allowed by Oklahoma law. To the extent allowed by applicable law, late charges, attorney's fees and other costs or expenses necessary to recover Rent Payments and any other amounts owed by Lessee hereunder are considered an integral part of this MLA.

Each Schedule is a net lease and except as specifically provided herein or in a Schedule, Lessee shall be responsible for all costs and expenses arising in connection with the Schedule or Equipment. Lessee acknowledges and agrees, except as specifically provided for in Section 7 of this MLA, that its obligation to pay Rent and other sums payable hereunder, and the rights of Lessor and Lessor's assignees, shall be absolute and unconditional in all events, and shall not be abated, reduced or subject to offset or diminished as a result of any event, including without limitation damage, destruction, defect, malfunction, loss of use, or obsolescence of the Equipment, or any other event, defense, counterclaim or recoupment due or alleged to be due by reason of any past, present or future claims Lessee may have against Lessor, Lessor's assigns, the manufacturer, vendor, or maintainer of the Equipment, or any person for any reason whatsoever.

“Price” shall mean the actual purchase price of the Equipment. Rent Payments shall be adjusted proportionately downward if the actual price of the Equipment is less than the estimate (original proposal), and the Lessee herein authorizes Lessor to adjust the Rent Payments downward in the event of the decrease in the actual Equipment price. However, in the event that the Equipment price is more than the estimate (original proposal), the Lessor may not adjust the Rent Payment without prior written approval of the Lessee.

6. Liens and Taxes.

Lessee shall keep the Equipment free and clear of all levies, liens and encumbrances. Pursuant to 1978 OK AG 256, 1988 OK AG 73.68 O.S. §§ 1352, 1356, and 1404, and other applicable law, Lessee is exempt from the assessment of sales, use and excise taxes and any taxes of any nature whatsoever payable by the Lessor shall not be reimbursed. **When and only if permitted by Oklahoma law,** Lessee shall be responsible for and pay as an addition to the Lease Payment or on-demand all present and future taxes and other governmental charges in connection with, or as a result of the purchase, ownership, delivery, leasing, possession or use of the System, or based upon the Lease Payments, including, without limitation, sales, use, property taxes and stamp taxes and license and registration fees, excluding all taxes computed upon the net income of Lessor.

7. Appropriation of Funds.

- (a) This paragraph applies only to Lessees designated as state agencies or other governmental entities authorized by Oklahoma law to utilize contracts awarded by the State of Oklahoma.

Lessee intends to continue each Schedule to which it is a party for the Schedule Term and to pay the Rent and other amounts due thereunder. Lessee reasonably believes that legally available funds in an amount sufficient to pay all Rent during the Schedule Term can be obtained. Lessee further intends to act in good faith to do those things reasonably and lawfully within its power to obtain and maintain funds from which the Rent may be paid. Notwithstanding the foregoing, in the event sufficient funds are not appropriated or received from an intended third party funding source to continue the Schedule Term for any Fiscal Period (as set forth on the Schedule) of Lessee beyond the Fiscal Period first in effect at the Commencement of the Schedule Term, Lessee may terminate the Schedule with regard to not less than all of the Equipment on the Schedule so affected. Lessee shall provide Lessor written notice within a reasonable time after which the Lessee has knowledge of such insufficiency and confirm the Schedule will be so terminated prior to the end of its current Fiscal Period. All obligations of Lessee to pay Rent due after the end of the Fiscal Period for which such termination applies will cease, all interests of Lessee in the Equipment will terminate and Lessee shall surrender the Equipment in accordance with Section 13 of this MLA. Notwithstanding the foregoing, Lessee agrees, without creating a pledge, lien or encumbrance upon funds available to Lessee in other than its current Fiscal Period, that it will use reasonable efforts to obtain appropriation of funds to avoid termination of the Schedule by taking reasonable and appropriate action including the inclusion in Lessee’s budget request for each Fiscal Period during the Schedule Term hereof a request for adequate funds to meet its obligations and to continue the Schedule in force. Lessee represents and warrants it has adequate funds to meet its obligations during the first Fiscal Period of the Schedule Term. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rent hereunder shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything

contained herein constitute a pledge of the general revenues, funds or monies of Lessee beyond the Fiscal Period for which sufficient funds have been appropriated to pay Rent hereunder.

8. Selection of Equipment.

The Equipment is the size, design, capacity and manufacture selected by Lessee in its sole judgment and not in reliance on the advice or representations of Lessor. No representation by the manufacturer or a vendor shall in any way affect Lessee's duty to pay Rent and perform its other obligations hereunder. Each Schedule is intended to be a "finance lease" as defined in Article 2A of the Uniform Commercial Code. Lessor has acquired or will acquire the Equipment in connection with this MLA. Lessor shall not be liable for damages for any reason, for any act or omission of the supplying manufacturer. Lessor hereby assigns, to the extent they are assignable, to the Lessee, without recourse to Lessor, any warranties provided to Lessor with respect to the Equipment during the Term of the applicable Schedule. Lessee acknowledges that neither its dissatisfaction with any unit of Equipment, nor the failure of any of the Equipment to remain in useful condition for the Schedule Term, nor the loss of possession or the right of possession of the Equipment or any part thereof by the Lessee, shall relieve Lessee from the obligations under this MLA or Schedule Term. Lessee shall have no right, title or interest in or to the Equipment except the right to use the same upon the terms and conditions herein contained. The Equipment shall remain the sole and exclusive personal property of the Lessor and not be deemed a fixture whether or not it becomes attached to any real property of the Lessee. Any labels supplied by Lessor to Lessee, describing the ownership of the Equipment, shall be affixed by Lessee upon a prominent place on each item of Equipment.

9. Inspection and Acceptance.

Promptly upon delivery of the Equipment, Lessee will inspect and test the Equipment, and not later than ten (10) business days following the Commencement Date, Lessee will execute and deliver either (i) an Acceptance Certificate, or (ii) written notification of any defects in the Equipment. If Lessee has not given notice within such time period, the Equipment shall be conclusively deemed accepted by the Lessee as of the tenth (10th) business day. Lessor, its assigns or their agents, shall be permitted free access at reasonable times authorized by the Lessee, the right to inspect the Equipment.

10. Installation and Delivery; Use of Equipment; Repair and Maintenance.

- (a) Except as provided otherwise in a Schedule delivery and installation costs associated with the Equipment shall be borne by the Lessee. Lessor is not and shall not be liable for damages if for any reason the manufacturer of the Equipment delays the delivery or fails to fulfill the order by the Lessee's desired timeframe. Any delay in delivery by the manufacturer shall not affect the validity of any Schedule. Lessee shall provide a place of installation for the Equipment.
- (b) Subject to the terms hereof, Lessee shall be entitled to use the Equipment in compliance with all laws, rules, and regulations of the jurisdiction wherein the Equipment is located. Lessee agrees to solely use the Equipment in the conduct of Lessee's business. Lessee agrees, at its expense, to obtain all applicable permits and licenses necessary for the operation of the Equipment, and keep the Equipment in good working order, repair, appearance, and condition (reasonable wear and tear is acceptable). Lessee shall not use or permit the use of the Equipment for any purpose, which according to the

specification of the manufacturer, the Equipment is not designed or reasonably suited. Lessee shall use the Equipment in a careful and proper manner and shall comply with all of the manufacturer's instructions, governmental rules, regulations, requirements, and laws, and all insurance requirements, if any, with regard to the use, operation or maintenance of the Equipment.

- (c) Lessee shall take good and proper care of the Equipment and make all repairs and replacements necessary to maintain and preserve the Equipment and keep it in good order and condition. . Lessor agrees that state agencies of Oklahoma may obtain internal maintenance services in lieu of a third-party maintenance agreement, so long as any such maintenance service does not void the Equipment manufacturer's or supplier's warranty. Except as provided otherwise in a Schedule, Lessee shall pay all costs to install and dismantle the Equipment. Lessee shall not make any alterations, additions, or improvements, or add attachments to the Equipment without the prior written consent of Lessor, except for additions or attachments to the Equipment purchased by Lessee from the original supplier of the Equipment or any other person approved by Lessor. If Lessee desires to lease any such additions or attachments, Lessee hereby grants to Lessor the right of first refusal to provide such lease financing to Lessee for such items. Subject to the provisions of Section 13B of this MLA, Lessee agrees to restore the Equipment to Return Condition prior to its return to the Lessor.

11. Relocation of Equipment.

Lessee shall at all times keep the Equipment within its exclusive possession and control. Lessee may permanently (rehome) relocate any or all of the Equipment to its business locations in the United States provided (i) Lessee gives Lessor prior written notice of the relocation, including a description of the Equipment, the Equipment serial numbers, the relocation date, the new location of the Equipment, and any other information Lessor may reasonably request, and (ii) Lessee remains the end user of the Equipment. For Equipment that is either a laptop computer, tablet or mobile device, Lessee may temporarily use and relocate such Equipment without notice to Lessor provided the relocation is the result of use in the ordinary course of business, temporary trips taken in the ordinary course of business and such Equipment is returned to its location of record.

12. Ownership.

The Equipment shall at all times be and remain the sole and exclusive property of Lessor. Lessee shall have no right, title or interest in the Equipment except a leasehold interest as provided for herein. Lessee agrees that the Equipment shall be and remain personal property and shall not be so affixed to realty as to become a fixture or otherwise to lose its identity as the separate property of the Lessor.

13. Purchase and Renewal Options; Location and Surrender of Equipment.

- (a) Not less than ninety (90) days prior to the expiration of the initial Schedule Term Lessor shall notify Lessee of options for continued use of Equipment. Lessee shall have the option to: (i) renew the Schedule as to all but not less than all of the Equipment, or (ii) purchase all but not less than all of the Equipment for cash or by the Lessor's acceptance of a purchase order from Lessee upon the last business day on or prior to the expiration of the Schedule Term thereof for a price equal to the amount set forth in the Schedule. If the Fair Market Value (FMV) Purchase Option was selected on the Schedule, the

FMV shall be determined on the basis of and shall be equal in amount to, the value which would be obtained in an arms-length transaction between an informed and willing buyer-user (other than a used equipment dealer), who would be retaining the Equipment as part of its current operations, in continuing and consistent use, and an informed and willing seller under no compulsion to sell, and in such determination, costs of removal from the location of current use shall not be a deduction from such value. If Lessee desires to exercise either option, it shall give Lessor irrevocable written notice of its intention to exercise such option at least sixty (60) days (and not more than 180 days) before the expiration of such Schedule Term. In the event that Lessee exercises the purchase option described herein, upon payment by Lessee to Lessor of the purchase price for the Equipment, together with all Rent Payments and any other amounts owing to Lessor hereunder, Lessor shall transfer to Lessee without any representation or warranty of any kind, express or implied, title to such Equipment. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, IF LESSEE FAILS TO NOTIFY LESSOR OF ITS INTENT WITH RESPECT TO THE EXERCISE OF THE OPTIONS DESCRIBED IN THIS SECTION 13 WITHIN THE TIME FRAMES CONTEMPLATED HEREIN, THE INITIAL SCHEDULE TERM SHALL BE TERMINATED ON THE DATE AS STATED IN THE SCHEDULE.

- (b) The Equipment shall be delivered to and thereafter kept in the possession of the Lessee specified in the Schedule and shall not be removed therefrom without Lessor's prior written consent and in accordance with this MLA. Upon the expiration, early termination as provided herein, or upon final termination of the Schedule, upon at least ninety (90) days prior written notice to Lessor, Lessee shall immediately disconnect, properly package for transportation and return all (not part) of the Equipment (including, without limitation, all service records and user manuals) to Lessor in good repair and working order, with no defects which affect the operation or performance of the Equipment ("Return Condition"), reasonable wear and tear excepted. Lessee shall, at Lessor's request, affix to the Equipment, tags, decals or plates furnished by Lessor indicating Lessor's ownership and Lessee shall not permit their removal or concealment. Except as provided otherwise in a Schedule, Lessee shall return the Equipment to Lessor at a location specified by Lessor, provided, however, such location shall be within the United States no farther than 500 miles from the original Lessee delivery location, unless otherwise agreed to on the applicable Schedule. If the Equipment is not in Return Condition, Lessee shall remain liable for all reasonable costs required to restore the Equipment to Return Condition. IF, UPON TERMINATION OR EXPIRATION OF THE SCHEDULE FOR ANY REASON, LESSEE FAILS OR REFUSES FORTHWITH TO RETURN AND DELIVER THE EQUIPMENT TO LESSOR, LESSEE SHALL REMAIN LIABLE FOR ANY RENT PAYMENTS ACCRUED AND UNPAID WITH RESPECT TO ALL OF THE EQUIPMENT ON THE SCHEDULE AND SHALL PAY RENT UP TO THE DATE THAT THE EQUIPMENT IS RETURNED TO THE ADDRESS SPECIFIED BY LESSOR, TO THE EXTENT SUCH AMOUNTS ARE NOT PAID TO LESSOR AS INSURANCE PROCEEDS.

14. Quiet Enjoyment.

During the Schedule Term, Lessor shall not interfere with Lessee's quiet enjoyment and use of the Equipment provided that an Event of Default (as hereinafter defined in Section 22 of the MLA) has not occurred and remains uncured after any applicable cure period.

15. Warranties.

Lessor and Lessee acknowledge that manufacturer Equipment warranties, if any, inure to the benefit of the Lessee. Lessee agrees to pursue any warranty claim directly against such manufacturer of the Equipment and shall not pursue any such claim against Lessor. Except as provided under Section 7, Lessee shall continue to pay Lessor all amounts payable under any Schedule under any and all circumstances.

16. No Warranties.

LESSEE ACKNOWLEDGES THAT LESSOR IS NOT THE MANUFACTURER OR LICENSOR OF THE EQUIPMENT. LESSEE AGREES THAT LESSOR HAS NOT MADE AND MAKES NO REPRESENTATIONS OR WARRANTIES OF WHATSOEVER NATURE, DIRECTLY OR INDIRECTLY, EXPRESS OR IMPLIED, AS TO THE SUITABILITY, DURABILITY, FITNESS FOR USE, MERCHANTABILITY, CONDITION, OR QUALITY OF THE EQUIPMENT OR ANY UNIT THEREOF.

17. Risk of Loss.

Commencing upon delivery of the Equipment and continuing throughout the Schedule Term, Lessee shall bear the risk of loss or damage in respect to any Equipment, whether partial or complete, from any cause whatsoever. In the event of loss, theft, destruction or damage of any kind to any item of Equipment, or if any Equipment is lost stolen, or taken by governmental action for a stated period extending beyond the Term of any Schedule (an "Event of Loss"), Lessee shall notify Lessor. Lessee shall, at its option: (a) immediately place the affected Equipment in good condition and working order, (b) replace the affected Equipment with identical equipment of at least equal value, in good condition and repair, and transfer clear title thereto to Lessor, or (c) to the extent permitted by law, pay to Lessor, within thirty (30) days of the Event of Loss, an amount equal to the Stipulated Loss Value ("SLV" as hereafter defined) for such affected Equipment, plus any other unpaid amounts then due under the Schedule to the extent such amounts are not paid to Lessor as insurance proceeds. If an Event of Loss occurs as to part of the Equipment for which the SLV is paid, a prorated amount of each Rent Payment shall abate from the date the SLV payment is received by Lessor. The SLV shall be an amount equal to the sum of all future Rent Payments from the last Rent Payment date to the end of the Schedule Term with such Rent Payments discounted to present value at the like-term Treasury Bill rate for the remaining Schedule Term in effect on the date of such Event of Loss, or if such rate is not permitted by law, then at the lowest permitted rate.

18. Insurance.

Lessor shall insure the Equipment. The cost to insure the Equipment shall be included in the Rent. With respect to the Equipment, (i) Lessor shall be responsible for its liability and shall not look to Lessee for recovery of any kind and (ii) Lessee shall be responsible for its liability as required under the Oklahoma Governmental Tort Claims Act (GTCA), 51 O.S. § 151, et seq. and shall not look to Lessor for recovery of any kind.

19. Representations and Warranties of Lessee.

Lessee represents and warrants for the benefit of Lessor and its assigns, and Lessee will provide an opinion of counsel (only required in connection with a Schedule of greater or equal to \$2,500,000.00) to the effect that, as of the time of execution of the MLA and each Schedule between Lessor and Lessee:

- (a) Lessee is an Oklahoma state agency and has made an independent legal and management determination to enter into this transaction;
- (b) This MLA and each Schedule executed by Lessee have been duly authorized, executed and delivered by Lessee and constitutes a valid, legal and binding agreement of Lessee, enforceable with respect to the obligations of Lessee herein, in accordance with its terms.
- (c) The entering into and performance under this MLA or any Schedule between Lessor and Lessee will not violate any judgment, order, law or regulation applicable to Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon assets of the Lessee or on the Equipment leased under any Schedule between Lessor and Lessee pursuant to any instrument to which the Lessee is a party or by which it or its assets may be bound;
- (d) The use of the Equipment is essential to Lessee's proper, efficient and economic operation, and Lessee will, upon request, sign and provide to Lessor upon execution of each Schedule between Lessor and Lessee hereto written certification to that effect; and
- (e) Lessee represents and warrants that (i) It has authority to enter into this MLA and any Schedule under this MLA, (ii) the person executing the MLA and all Schedules have been duly authorized to execute the MLA and Schedules on Lessee's behalf, (iii) all information supplied to Lessor is true and correct to the best of its knowledge and belief, including all credit and financial information and (iv) subject to the provisions of Section 7 above, it is able to meet all its financial obligations, including the Rent Payments hereunder.

20. Representations and Warranties of Lessor.

Lessor represents and warrants for the benefit of the Lessee:

- (a) Lessor is and shall remain an entity authorized and validly existing and is authorized to do business in Oklahoma, and is not in default as to taxes owed to the State of Oklahoma or any of its political subdivisions;
- (b) The MLA and each Schedule executed in conjunction to this MLA have been duly authorized, executed and delivered by Lessor and constitute valid, legal and binding agreements of Lessor, enforceable with respect to the obligations of Lessor herein in accordance with their terms.
- (c) No approval, consent or withholding of objection is required from any federal or other governmental authority or instrumentality with respect to the entering into or performance by Lessor of this MLA or any Schedule;

- (d) The entering into and performance of the MLA or any Schedule will not violate any judgment, order, law or regulation applicable to Lessor or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance upon the assets of the Lessor, including Equipment leased under the MLA and Schedules thereto, pursuant to any instrument to which the Lessor is a party or by which it or its assets may be bound;
- (e) To the best of Lessor's knowledge and belief, there are no suits or proceedings pending or threatened against or affecting Lessor, which if determined adversely to Lessor will have a material adverse effect on the ability of Lessor to fulfill its obligations under the MLA or any Schedule; and
- (f) Lessor represents and warrants that the person executing the MLA has been duly authorized to execute the MLA on Lessor's behalf.

21. Default.

Lessee shall be in default under a Schedule upon the occurrence of any one or more of the following events (each an "Event of Default"): (a) nonpayment or incomplete payment by Lessee of Rent or any other sum payable; (b) nonpayment or incomplete payment by Lessee of Rent or any other sum payable the latter of its due date or the date by which such sum is payable pursuant to applicable law; (c) failure by Lessee to perform or observe any other material term, covenant or condition of this MLA, the Schedule, or any applicable software license agreement, which is not cured within ten (10) business days after receipt of notice thereof from Lessor; (d) insolvency by Lessee; (e) Lessee's filing of any proceedings commencing bankruptcy or the filing of any involuntary petition against Lessee or the appointment of any receiver not dismissed within sixty (60) days from the date of said filing or appointment; (f) subjection of a substantial part of Lessee's property or any part of the Equipment to any levy, seizure, assignment or sale for or by any creditor or governmental agency; or (g) any material representation or warranty made by Lessee in this MLA, the Schedule or in any document furnished by Lessee to Lessor in connection therewith or with the acquisition or use of the Equipment being untrue when made; (h) there having occurred and be continuing a material adverse change. As used herein, a "material adverse change" is defined as circumstances that are or could reasonably be expected to be materially adverse to Lessee's ability to pay Rent Payments under the Schedule or perform its material obligations under the terms of the Schedule.

22. Remedies.

- (a) Upon the occurrence of an uncured "Event of Default" and as long as such Event of Default is continuing, Lessor may do any of the following provided, however, that Lessor may not recover value in excess of amounts as allowed under the terms of the Schedule and by applicable law: (i) After giving fifteen (15) days prior written notice to Lessee of default, during which time Lessee shall have the opportunity to cure such default, terminate the Schedule under which Lessor claims default of Lessee; (ii) without Lessee waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Oklahoma, Lessor may proceed by appropriate court action to enforce the performance of the terms of the Schedule and/or recover damages; (iii) whether or not the Schedule is terminated, upon notice to Lessee and with due process of law, take possession of the Equipment; (iv) by notice to Lessee, and to the extent permitted by law, declare immediately due and payable and recover from Lessee, as liquidated damages and not as a

penalty, the sum of (a) the present value of the Rent owed from the earlier of the date of payment by Lessee or the date Lessor obtains a judgment against Lessee until the end of the Schedule Term plus, to the extent the Lessor does not take possession, with due process of law, of the Equipment or the Equipment is not returned to Lessor, the present value of the estimated in-place fair market value of the Equipment as defined in Section 13 of MLA at the end of the Schedule Term as reasonably determined by Lessor, each discounted at the like-term Treasury Bill rate; and (b) all Rent and other amounts due and payable on or before the earlier of the date of payment by Lessee or the date Lessor obtains a judgment against Lessee; and (c) without Lessee and the state of Oklahoma waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Oklahoma, costs, fees, and expenses associated with collecting said sums.

- (b) Upon return or repossession, with due process of law, of the Equipment, Lessor may, upon notice to Lessee, use reasonable efforts to sell, re-lease or otherwise dispose of such Equipment, in such manner and upon such terms as Lessor may determine, so long as such manner and terms are commercially reasonable. Upon disposition of the Equipment, Lessor shall credit the Net Proceeds (as defined below) to the unpaid Rent and reasonable damages incurred by Lessee. Proceeds upon sale of the Equipment shall be the sale price paid to Lessor less the Stipulated Loss Value in effect as of the date of default. Without Lessee waiving the doctrines of sovereign immunity and immunity from suit, and to the extent allowed by the laws and Constitution of the State of Oklahoma, "Net Proceeds" shall be the proceeds of sale or re-lease as determined above, less all costs and expenses incurred by Lessor in the recovery, storage and repair of the Equipment, in the remarketing or disposition thereof, or otherwise as a result of Lessee's default. Lessee shall remain liable for the amount by which all sums, including liquidated damages, due from Lessee exceeds the Net Proceeds. Net Proceeds in excess thereof are the property of and shall be paid to Lessee.

23. Notices and Waivers.

All notices relating to this MLA shall be delivered to the Lessor as specified within the Contract, or to another representative and address subsequently specified in writing by the appropriate parties hereto. Lessee and Lessor intend and agree that a photocopy or facsimile of this MLA or a Schedule and all related documents, including but not limited to the Acceptance Certificate, with their signatures thereon shall be treated as originals, and shall be deemed to be as binding, valid, genuine, and authentic as an original signature document for all purposes. This MLA and each corresponding Schedule in conjunction herewith are a "Finance Lease" as defined in Article 2A of the Uniform Commercial Code ("UCC"). A waiver of a specific Event of Default shall not be a waiver of any other or subsequent Event of Default. No waiver of any provision of this MLA or a provision of a Schedule shall be a waiver of any other provision or matter, and all such waivers shall be in writing and executed by an officer of the Lessor or authorized representative of Lessee, with authorization of Lessee representative provided to and found acceptable by Lessor, as applicable. No failure to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

24. Delivery of Related Documents.

For each Schedule, Lessee will provide the following documents and information as required by and satisfactory to Lessor: (a) Certificate of Acceptance for accepted goods to be on lease with Lessor; (b) Opinion of Counsel (only required in connection with a Schedule of greater or equal to \$2,500,000.00); (c) financial statements or other financial information in lieu thereof as agreed to by Lessor's credit department in its sole judgment; (d) Incumbency Certificate; and (e) Other documents as reasonably required by Lessor.

25. Lessee's Waivers.

To the extent permitted by applicable law, Lessee hereby waives, with respect to Lessor, the following rights and remedies conferred upon Lessee by Article 2A of the UCC: to (i) cancel any Schedule under the MLA; (ii) repudiate any Schedule; (iii) reject the Equipment; (iv) revoke acceptance of the Equipment; (v) recover damages from Lessor for any breach of warranty by the manufacturer; (vi) claim a security interest in the Equipment in Lessee's possession or control for any reason; (vii) deduct all or any part of any claimed damages resulting from Lessor's default, if any, under any Schedule; (viii) accept partial delivery of the Equipment; (ix) "cover" by making any purchase or lease of or contract to purchase or lease equipment in substitution for the Equipment due from Lessor; (x) recover any special, punitive, incidental or consequential damages, for any reason whatsoever. Lessee agrees that any delay or failure to enforce Lessor's rights under this MLA or a Schedule does not prevent Lessor from enforcing any rights at a later time. This waiver of UCC rights does not include Lessee's right to terminate a lease subject to a non-appropriation of funds, pursuant to Section 7 above.

26. Security Interest and UCC Filings.

To secure payments hereunder, Lessor reserves and Lessee hereby grants to Lessor a continuing security interest in the Equipment and any and all additions, replacements, substitutions, and repairs thereof. When all of the Lessee's obligations under this MLA and respective Schedules have been fully paid and satisfied, Lessor's security interest shall terminate. Nothing contained herein shall in any way diminish Lessor's right, title, or interest in or to the Equipment. Lessor and Lessee agree that a reproduction of this MLA and/or any associated Schedule may be filed as a financing statement and shall be sufficient as a financing statement under the UCC. Lessee hereby appoints Lessor, its agents, successors or assigns its true and lawful attorney-in-fact for the limited purpose of executing and filing on behalf of Lessee any and all UCC Financing Statements which in Lessor's sole discretion are necessary or proper to secure Lessor's interest in the Equipment in all applicable jurisdictions. Lessee shall execute or obtain and deliver to Lessor, upon Lessor's request, such instruments, financing statements and assurances, as Lessor deems necessary or advisable for the protection or perfection of this Lease and Lessor's rights hereunder and will pay all costs incident thereto.
