

ATTACHMENT A

This Solicitation is a Contract Document and is a request for proposal in connection with the Contract awarded by the Office of Management and Enterprise Services as more particularly described below. Any defined term used herein but not defined herein shall have the meaning ascribed in the General Terms or other Contract Document.

PURPOSE

The Contract is awarded for Acquisition, Installation, and Use of Radar and Other hardware systems including detect-and-avoid systems and related sensors, AND airspace management provided by a third-party data service provider for the State of Oklahoma as a Statewide contract award which all agencies may utilize. The initial phase will be specific to Clinton-Sherman Airport and overseen by the Oklahoma Department of Aerospace and Aeronautics to support our initial CUSTOMER using current UAS operations to prove the safety case to the FAA. The flights to be supported by this project include testing of a high-speed, high-altitude UAS with potential defense applications (Group 4). The project is also intended to support other types of BVLOS UAS flight testing and operations.

In conjunction with ongoing testing of Unmanned Aircraft System using existing ConOps, use radar and other hardware systems, including detect-and-avoid systems and related sensors, AND airspace management provided by a third- party data service provider, to monitor designated airspace, proving safety case to obtain an FAA Waiver or Authorization for BVLOS Operations. We anticipate this project occurring in three phases. Prospective BIDDERS are encouraged to bid Phase I and II independently and encouraged to provide a consolidated bid for both phases, as long as the bids for each phase are identified separately. It is understood Phase III options are unavailable until Phases I and II are complete.

1. Contract Term and Renewal Options

The initial Contract term, which begins on the effective date of the Contract, is one year and there are four (4) one-year options to renew the Contract.

2. Requirements

Certain Contract requirements and terms are attached hereto as Exhibit 1 and incorporated herein.
