

This First Amendment to Oklahoma Statewide Contract No. 1014 (the “First Amendment”) is effective as of the date of the last signature below, between the State of Oklahoma by and through the Office of Management and Enterprise Services (“State”) and Granite Telecommunication, LLC (“Supplier”). This First Amendment supplements and amends the State of Oklahoma’s Statewide Contract No. 1014 with Granite Telecommunications entered into by the parties and effective on July 30, 2024, including all supplements and amendments thereto. Unless otherwise indicated, capitalized terms used in this First Amendment without definition shall have the respective meanings specified in the Contract.

For good and valuable consideration, the parties agree as follows:

1. Supplier and State desire to Amend the Contract to update Granite’s product and service offerings. The parties agree to delete attachment E-7 in the Contract and add Attachment E-7 attached hereto.
2. Except as expressly modified by this First Amendment, all terms or provisions of the Contract not addressed herein remain as executed by the parties and in full force and effect.
3. This First Amendment may be executed in multiple counterparts, each of which will be an original and together will constitute the same instrument.

Foot Notes

\*EPIC Includes 500 Mbps or 1GB LTE Plan per location, Access Fee, Granite Guardian - Wireless Managed Service, and standard installation fee. Standard Overage rate of \$15 per GB applies once the pooled rate is exceeded. Applicable taxes/fees/surcharges vary by location and use case; these will be priced separately at the quote level.

\*EPIC install Pricing includes: (1) a site survey of up to 2 hours on-site, if necessary, and (2) actual installation of up to 3 hours on-site. Additional time on-site will be charged at a rate of \$99.99 per hour and invoiced in 30-minute increments. Customer may elect to self-install without additional charge.

\*Internet access must be purchased separately. Applicable taxes/fees/surcharges vary by location and use case; these will be priced separately at the quote level.

\*Layer 2 Pricing applies for all zones.

\*Layer 2 and MPLS circuits are charged per a site.

\*Call center seats require HPBX, Emulated POTS or SIP Trunk service.

\*Carrier Surcharge Recovery is 7.25% of the circuits line charge.

\*Prices do not include Taxes, Fees, and Surcharges.

\*Architecture Engineering Level Resources require a minimum block of 10 Hours.

\*In an effort to provide the most competitive pricing structure based on its underlying costs, Granite has provided pricing for Carrier Services in two (2) Geographic Zones the wire centers associated with Zones 1 and 2 are provided on tabs Zone 1 and Zone 2, respectively.
