As with normal requests, United Rentals will field off-schedule requests through local territory representatives or our Government Customer Care Center. This will enable us to provide first-class service to Sourcewell members through our knowledgeable team. Our philosophy is that no request is unreasonable and will be investigated to the fullest. Our strategy will be to field requests and factor in rental patterns, demands for new technology or advances in equipment efficiencies, and enactment of new legislation, affecting equipment. If we see a spike in a certain category, we will ask Sourcewell to determine if the equipment can be added to our schedule. For Sourcewell members, we would like to propose a **NOT TO EXCEED markup of 24% on the total invoice cost from a 3<sup>rd</sup> Party Vendor for rentals and related services, including but not limited to equipment re-rents, labor, fuel and transportation costs.**
