## Who is AmTab?

AmTab creates modern, popular, and fun K-12 learning environments across the country with our award-winning furniture, graphics, and décor. Creating great and positive experiences is at the forefront of our mission as a company. Throughout the years, we have modernized over 10,000 schools, and as a result, the experiences of thousands upon thousands of students have changed. Adding different seating options, unique furniture selections, and more school branding all have a huge impact on students' happiness. The happier students are, the more they will want to participate in school meals, which in turn will increase participation. That's exactly what AmTab does so well within K-12 food courts: we create that amazing experience that makes students want to participate in breakfast and lunch programs.
