

## ABOUT US

RADgov, Inc. is a Minority and Women Owned Small Business Enterprise with a primary focus on providing services to government entities. We have proven experience and expertise in staff augmentation, Web technologies, Systems integration, IT consulting, project management, network and infrastructure management, and Custom Software development. RADgov is currently providing service to state, local, and federal agencies and Federal Contractors. We offer contingent labor force to augment various project needs for our clients to ensure that our staff fit into their existing team to successfully complete the project and the process is seamless.
