Saxum Hourly Services

Hourly Rates

Saxum has the following hourly rate structure that represents our preferred rate pricing for the state agencies:

Standard Rate	\$150
Senior Rate	\$215
Expert Rate	\$275
Crisis & Consultant Rate	\$350

Total budgets for each deliverable are calculated by the number of hours required from specific skill levels to produce the work according to the agreed upon scope. Saxum works closely with state agencies to ensure alignment on the details and scope of projects prior to finalizing pricing.
