

# Public procurement with Amazon Business

You now have access to a statewide contract to purchase IT Equipment, Accessories and Peripherals from Amazon Business. To participate, state agencies/buyers must email [amazonportal@omes.ok.gov](mailto:amazonportal@omes.ok.gov) to be added to the State's Amazon Business account and non-state entities must email [oklahoma-contract@amazon.com](mailto:oklahoma-contract@amazon.com) simply requesting to have your organization's IT equipment and peripherals purchases tied to SW1020AZ.

## Eligible categories

- Monitors
- Drives
- Power
- Laptop accessories
- Tablet accessories
- Wireless bluetooth
- Computer components
- Networking
- Memory
- Wireless accessories
- Hardware
- Cables
- Business connected devices
- Accessories
- Computer peripherals
- PC performance
- Portable electronics

## Learn more about the benefits

### Simplify operations

- Streamline shopping, comparing and purchasing of compliant IT equipment and accessories across thousands of sellers in the Amazon Business online store.

### Compliance management

- Create preferred products, suppliers, reorder lists and guardrails to ensure compliance with your organization's requirements

### Reduce your costs

- Stretch your budget with quantity discounts starting at 2 units on eligible products, negotiable pricing on high-volume purchases with Request for Quote, and free shipping on eligible products.

### Drive purchasing efficiency

- Access or create custom detailed reporting on purchases from Amazon Business with Business Analytics and Spend Analysis.

To adopt SW1020AZ, state agencies/buyers must email [amazonportal@omes.ok.gov](mailto:amazonportal@omes.ok.gov) to be added to the State's Amazon Business account and non-state entities must email [oklahoma-contract@amazon.com](mailto:oklahoma-contract@amazon.com) requesting to have your organization's IT equipment and peripherals purchases tied to SW1020AZ.
