

Your Partner in Public Health

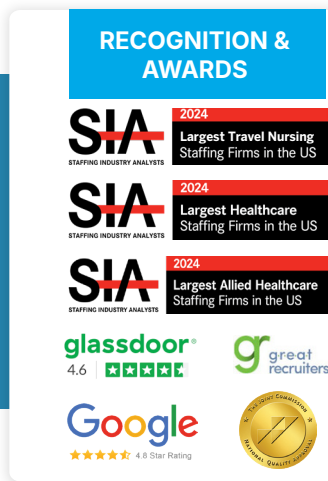

Overview

HSP was founded in 2006 and built from the ground up with a foundation rooted in integrity, strong work ethic, collaboration, inclusion, and a commitment to client success. As a trusted provider of both long-term temporary and permanent staffing solutions, HSP, Inc. leverages innovative technology and a dedicated team to connect organizations with top-tier talent. Over the years, HSP has developed a deep appreciation for the vital work performed by Public Health Departments nationwide.

NAICS CODES: 56132, 561320, 561312, 561311, 561330

Impressive Industry Reputation

HSP, Inc. has built a inclusive talent pool that can span across sectors, but its unique focus is within Healthcare. Over 75% of positions directly provide healthcare related services, and non-clinical placements provide support within healthcare clients.

Company Highlights

✓ Industry-Leading Growth

323% top line revenue growth from 2019-2021 with a 5-year combined average growth rate of 82%

- Recognized by SIA in 2024 as *Largest Healthcare and Allied Healthcare Staffing Firms in the US*

✓ Differentiated Service

Ability to execute on significant staffing challenges for public and private clients through their solution-based client engagement and account management approach

- +98% fill rate (excluding backfill/new roles, 88% with inclusion) in recent large government contract
- Proven ability to staff hard-to-find talent (ex. Epidemiologists) and the ability to flex resources to staff en masse for clients (*500 clinical staff in 45 days*)

✓ Strong Brand Recognition

Creation of significant brand awareness and recognition through marketing efforts focused on candidate acquisition and business development

- Social Media presence across LinkedIn, Instagram, Twitter, and Facebook drives *over 500 Candidate Applications each month*

✓ Stable of Marquee Clients

Cultivation of a diverse set of high-quality clients across federal, state, and local government agencies, national hospital systems, institutes of higher-learning, and Fortune 1000 companies

- Placed *over 1,000 candidates with these clients in traditional healthcare positions* as well as in non-clinical roles supporting Research, IT, Finance and Administration

✓ Culture Driven, Socially Conscious

Management team has built a culture based on personal accountability, empowerment, and teamwork focused on client success and giving back to the communities it supports

- A performance-driven culture inspires employees to run at full speed in support of our clients.

Client Projects

Local Public Health

- Supported COVID19 Response and Recovery efforts with over 1,000 staff onboarded including, Epidemiologists, IT Support Staff, Data Scientists, Scientific Writers, Public Health Investigators, Grant Managers, Accountants, Document Translators, Community Health Workers, and POD Support Personnel.
- Procured technology to automatic and track job requisitions, facilitate electronic timecards, and took on Live Scan onboarding processes to ensure timely start of our employees.

Federal COVID19 School Testing Program - 6 States

- Onboarded over 500 Clinical Support Staff in 45 Days to administer COVID19 Tests in K-12 across 6 States.
- Managed Full Recruitment, Credentialing and complex scheduling requirements for all personnel

Public Health – Additional Program Support

- Substance Abuse Prevention and Control, Violence Prevention, Lead Paint Remediation, Help Me Grow, Pedestrian Safety, Environmental Gas Study, Whole Person Doula Program, Health Equity Initiative, Ending HIV Epidemic, Perinatal Equity, Emergency Preparedness, School Safety Transformation, Enhanced Care Management, Bird Flu Crisis, Tobacco Retail Licensing Enforcement
