Visitation Hours

Visiting days are as follows:

- Visiting days normally include Saturdays (or) Sundays (and) all state recognized holidays.
- State recognized holidays that fall on Monday through Friday will be a “free” visiting day. The number of hours an offender may visit on the free visiting day will be in accordance with the offender’s level. That day will not count on the total number of hours per visiting privilege level. If the holiday falls on Saturday or Sunday, then the hours will count on the total visiting privilege level hours.

Visiting hours are as follows:

- **Level one** offenders who are eligible for one hour of visitation per week may begin visiting at 9:00a.m. on Friday.
- **Level two** offenders who are eligible for two hours of visitation per week, visitors may begin the check in process at 12:30p.m. on either Saturday or Sunday. These offenders will be given the opportunity for four, two hour visits.
- **Level three** offenders who are eligible for four hours of visitation per week may begin visiting at 11:00a.m. on either Saturday or Sunday, each weekend.
- **Level four** offenders who are eligible for six hours of visitation per week may begin visiting at 9:00a.m. on either Saturday or Sunday, each weekend.
- Offenders who visit for any length of time during a scheduled visit period will be considered to have visited the entire visiting period, regardless of when the visitor arrived.
- On state recognized holidays, visiting hours are 9:00a.m. until 3:00pm. according to assigned level.
- Visitors for offenders who are eligible to begin visiting at 9:00a.m. may begin the check in process at 8:30a.m.
- Visitors must arrive one and half (1 ½) hours prior to the end of visiting in order to gain admittance.
- Count times: 10:00a.m. and 2:00p.m. Movement freezes 10 minutes prior to count time. All offender movement will cease in and out of the visiting room. Visitors may exit the visiting room during the 10:00a.m. count for the restroom but will not be allowed to re-enter until count clears. Visitors who leave the visiting room during the 2:00p.m. count time will not be allowed to return to visiting and the visit will be considered ended.
