Welcome to Inside Corrections

This special edition of Inside Corrections is presented not only to the family of our fallen officer, Jeffery McCoy, Central District Probation and Parole Officer III, but also to all of our correctional family. The expression of support contained herein – condolences, assistance, prayers and a host of other offers – is a reminder of the tremendous recognition received and conveyed to the family from fellow public servants and many others for the loss of Officer McCoy.

Words are always too limited to truly express the feelings, emotions, and support for the tragic and senseless death of Officer McCoy on May 18, 2012. It is a reminder to all staff of the dangers our employees face every day in this profession. However, by sharing a sampling of correspondence received from across the nation, we can immortalize Officer McCoy's memory and contribution not only to the Department of Corrections, but also to the state.

Heartfelt thanks are extended to all employees who came together during this tragedy to assist Officer McCoy's family through prayers, donations, or other types of support. We will never forget his loss and will always consider the McCoy family as part of our extended corrections family.

IN TRIBUTE

Jeffery M. McCoy
October 31, 1979 - May 18, 2012

OBITUARY

Jeffery Matthew McCoy, age 32, of Norman, Oklahoma, died in the line of duty on Friday, May 18, 2012, in Midwest City, Oklahoma. Funeral services will be held on Wednesday, May 23, 2012, 2:00PM, at CrossPointe Church, 2601 24th Avenue Southeast, Norman, OK. Pastor Glenn Quirk will be presiding. The interment will be at Sunset Memorial Park Cemetery, 2301 East Indian Hills Road, Norman, OK. Jeff was born on October 31, 1979, in Norman, OK. His parents, Pat and Genese McCoy, felt very blessed to have been given such an amazing son, who grew up to become a wonderful husband to his wife and role model to his children. His older brother, Tony McCoy, was his confidant and co-conspirator in childhood antics, while his big sister, Kelli McCoy Nelmark, adored and spoiled him. His grandfather, Bill Benge, encouraged Jeff to become experienced at fishing and together they enjoyed doing anything in the outdoors. Jeff also shared his love of the outdoors with his Granny, Allie Benge. He attended Nobel Elementary School, Irving Middle School in Norman, and was active in the Boy Scouts of America. He attended Norman High where he met the love of his life, his future wife, Megan Elizabeth McKinley. Following graduation from high school, he served in the U.S. Navy, aboard the USS Vella Gulf (CG 72) from 1998-2002. He and his comrades served during the conflicts in Kosovo and were later deployed to the Persian Gulf following the tragedies of September 11, 2001. He attended the University

of Central Oklahoma, where he graduated with a Bachelor's of Science in Criminal Justice. He and Megan were married on March 13, 2004, at First Baptist Church of Norman, OK, the church he grew up in and was baptized. Jeff began his career as a Parole and Probation Officer for the Oklahoma Department of Corrections in 2005 and that same year, on March 13, 2005, he became a father with the birth of his son, Alexander Clinton McCoy. Three years later, on April 29, 2008, his daughter, Allie Elizabeth, was born. Jeff was devoted to his family and dedicated to serving Cub Scout Pack 777. He enjoyed all aspects of hunting and fishing. But most of all Jeff enjoyed spending time with his family and friends. Jeff was preceded by his grandparents, Patrick and Elizabeth McCoy, of Wheaton, MD. He is survived by his wife, Megan, and his children, Alex and Allie McCoy, of Norman; parents, Pat and Genese McCoy, of Norman; brother, Tony McCoy, of Norman; and sister, Kelli McCoy Nelmark and husband Scott, of Norman; grandparents, Bill and Vivian Benge, and grandmother, Allie Benge, of Nobel. Pallbearers for the service are: Ray Aldridge, Nate Brown, Francis Hanish, Easton Hayes, Kris Lowe, and Austin Roesler. The family wishes to express their deep appreciation to all the various law enforcement agencies for their support and assistance, especially the Fraternal Order of Police, Local 147.

THANK YOU FROM THE MCCOY FAMILY

Thank you seems so inadequate for everything our DOC family has done and continues to do to honor Jeff's life and assist us in taking care of his wife Megan and their children Alex and Allie. Additionally, the love and support you have shown Pat and I is so greatly appreciated. The pain we all feel is horrific, but we are praying for God's grace, which is beyond measure, to comfort and heal us. We know we are not grieving alone; his brother and sister, grandparents, family and friends grieve along with those of you that knew and loved him; and also with those that know Pat and I and grieve for our loss.

From the Director on down, support has been there for us from day one and continues to be there. The funeral service celebrating Jeff's life

was amazing with the perfect balance of his Christian faith, love for his family and friends, and his sense of honor and duty.

Law enforcement organizations from across America have stepped in to offer support and assistance. If you wish to continue to honor and uphold Jeff's memory, there are several organizations that you can choose to support. Specifically, we'd like to mention the Oklahoma Correctional Employee Memorial Foundation at www.ocemf.org and the Correctional Peace Officers Foundation at www.cpodf.org

Thank you again for everything you have done for all of us. Please continue to pray for us as our family tries to heal and hopefully someday to find our "new normal."

Sincerely,
Genese McCoy & Family

My thoughts and prayers are extended to you and your department after the tragic loss of P.O. McCoy. From what I've read, he meant so much to so many and was very kind. He truly made the ultimate sacrifice.

My father was shot and killed in the line-of-duty when I was 7 years old so I know the pain and sorrow a line-of-duty death brings.

Please be there for the family so they know they are not forgotten.

Please know you and your officers are not forgotten either.

I pray for healing to be upon your agency.

In PURSUIT! MINISTRIES

PROVIDING BIBLICAL CHAPLAINS TO LAW ENFORCEMENT,
FIRE, EMS, AND MILITARY ACROSS THE NATION

I was deeply saddened to hear about last Friday's line of duty death of Probation/Parole Officer Jeffrey McCoy. As a street officer in southern California back in the 1970's and 80's, and now as a law enforcement Field Chaplain, I have attended the funerals of my share of partners. I want to give you and your officers and agents some real hope beyond this, Officer McCoy's last and *ultimate* act of service.

Officer McCoy died while courageously engaged in his *calling* to serve the State of Oklahoma as a *peace officer*, an *ordained minister of God's own institution of civil government*. He knew the risks up front which come with wearing the badge, but he chose to wear it and he did so with *true courage and professionalism*.

While we hurt for our fallen brother, please remember that God is in sovereign control of all things. Those of you who remain to continue in the battle against evil and crime on your streets must each be prepared in the event that you are called upon as well to give that ultimate sacrifice. Please visit www.ipministries.org and you will find helpful and *encouraging* information about how to prepare your soul for eternity.

If there is ever any way I can *confidentially* assist you or any of Officer McCoy's partners, please feel free to call or email me at any time. As a *ministry*, there is never any charge for my services. Know that I am praying for you and that Officer McCoy did *not* die in vain.

WITH DEEPEST SYMPATHY...

DEPARTMENT OF THE NAVY Headquarters

On behalf of the Naval Criminal Investigative Service, please accept our sincerest condolences on the recent loss of Probation/Parole Officer Jeffery McCoy.

As law enforcement and security professionals, we understand the tremendous responsibilities and risk our officers face each day and yet, we are humbled by their dedication to community, commitment and service to others, and the example they set. Jeffery was certainly a shining example of a modern day hero - a volunteer who protected the citizens of his community by serving with the Oklahoma Department of Corrections for seven years.

As Arthur Ashe once said, *"True heroism is remarkably sober, very undramatic. It is not the urge to surpass all others at whatever cost, but the urge to serve others at whatever cost."* Probation/Parole Officer McCoy truly epitomized this commitment with his life's work. Please know that our thoughts and prayers are with your Department and the McCoy family. If we can be of any assistance, please let us know.

Sincerely,

Mark D. Clookie
Director

OUR HEARTFELT CONDOLENCES...

On behalf of the South Carolina Department of Corrections, I want to send my deepest sympathies to you, the staff of the Oklahoma Department of Corrections and, most especially, to the family of Officer Jeff McCoy on the untimely passing of this officer. It is my understanding that Officer McCoy was killed while he was conducting a routine home visit when he was shot and killed by a non-offender.

As I am sure you and our fellow colleagues in the correctional family across the nation will attest, when one officer falls it touches us all. Officer McCoy's tragic death is just another sobering reminder of the dangers and risks the men and women of our correctional forces face every day on the job in order to protect our citizens. There is no higher sacrifice than to give one's life in the line of duty.

Our thoughts and prayers are with Officer McCoy's loved ones during this trying time.

-Brian Byars, Director, South Carolina Department of Corrections

State of South Carolina Department of Probation, Parole and Pardon Services

On behalf of the South Carolina Department of Probation, Parole and Pardon Services, I would like to express my sincere condolences to the family and friends of fallen Probation/Parole Officer Jeffery McCoy and to the Oklahoma Department of Corrections. We were very saddened to hear of such a senseless act that claimed the life of an officer while in the line of duty.

Community Correction officers are asked to put their lives in jeopardy every day as they conduct office and field contacts with criminal offenders. Danger and risk are realities we have learned to accept. Officer McCoy's family legacy in law enforcement must have played a great role in his decision to serve in the military and then in community corrections.

As a seven-year veteran of the Oklahoma Department of Corrections, his service to the justice community should be a reminder to all of us of unpredictability of our line of work and how officer safety should be our first priority. Officer McCoy's sacrifice is shouldered by every community corrections officer in South Carolina and the country.

As you and your staff try to understand and adjust to this terrible loss, please know that your extended law enforcement family grieves with you. If any of us at the South Carolina Department Probation, Parole and Pardon Services may be of any assistance to you, please do not hesitate to contact us.

Sincerely,

Last Inspection

The Officer stood and faced his God, which must always come to pass. He hoped his shoes were shining, just as brightly as his brass. "Step forward now, how shall I deal with you? Have you always turned the other cheek? To my Church have you been true?" The Officer squared his shoulders and said, "No, Lord, I guess I ain't, because those of us who wear the Badge can't always be a Saint. I've had to work most Sundays, and at times my talk was rough, and sometimes I've been forceful, because the streets are awfully tough. But I never took a penny, Lord, that wasn't mine to keep, though I worked a lot of overtime when the bills got just too steep. And I never passed a cry for help, though at times I shook with fear. And sometimes, God forgive me, I've wept unmanly tears. I know I don't deserve a place Lord among the people here. They never wanted me around except to calm their fear. If you have a place for me here, Lord, it needn't be so grand. I never expected or had too much and if you don't...I'll understand." There was silence all around the throne where the Saints had often trod. As the Officer waited quietly, for the judgment of his God. "Step forward now, Officer, You've borne your burden well, come walk a beat on Heaven's streets, you've done your time in Hell."

SHARING YOUR LOSS...

On behalf of the Seminole County Probation Division, we send our deepest condolences in the loss of a fellow Probation/Parole family member Jeff McCoy. It has become all too often that the law enforcement community must bid farewell to one of its own brothers or sisters, not from a fulfilled tour of duty, but in tragic loss. Society often overlooks the men and women of probation and parole, with little or no understanding or comprehension for the dedication and professionalism displayed in the daily task of community supervision and public safety. It takes a special person to dedicate his life to the well-being of the communities in which we live, while seeking every opportunity to rehabilitate an otherwise lost soul.

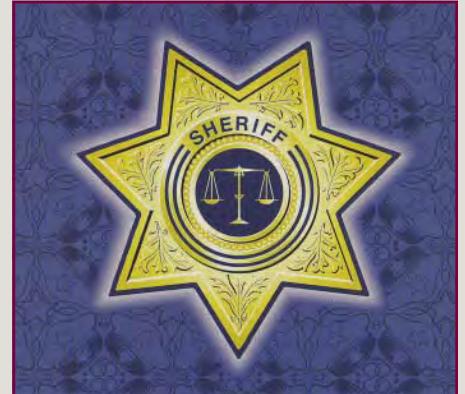

Today we offer our gratitude and the highest of praises for Officer McCoy as he made the ultimate sacrifice for the law enforcement community. We often mourn in loss, and forget to celebrate the person, the officer, the father, the husband, and the child. We ask that you garner strength in your community, your department, and your friends reflecting on Officer McCoy, taking comfort in the difference he made until his last call of duty. This moment will inevitably make our mission even clearer, as we all forge ahead with the continued goal to serve and protect, and to provide a safer life for those who choose the right from the wrong.

"Blessed are the peacemakers, for they will be called Sons of God."

Again, we are deeply saddened by the loss of a fellow Probation Officer, and hope that our words give you comfort during this time of grieving. Our gratitude from Officer McCoy's work as a probation officer is held in the highest regard. May God Bless the McCoy family and his fellow officers.

Sincerely,

Buckeye, Arizona

I wish to express my deepest sympathy surrounding the tragic loss of Probation/Parole Officer Jeffery McCoy. At a time such as this, words afford little comfort. I want you to know that the Harris County Sheriff's Office employees and I share your department's sense of loss. Our thoughts and prayers are with you and the McCoy family.

Officer McCoy's life, deeds and memories will provide the inspiration for those of us who carry on this endeavor. He will not be forgotten by those who carry on in the law enforcement profession.

Again, my condolences and if I can ever be of assistance to you in the future, please do not hesitate to contact me.

With sincerest regards,

Adrian Garcia, Sheriff
Harris County Sheriff's Office
Harris County, Texas

Dear Friends I Go

*Dear friends I go, but do not weep
I've lived my life, full and deep
Throughout my life, I gave my best.
I earned my keep, I've earned my rest
I never tried to be great or grand
I tried to be a helping hand.*

*If I helped in a team,
if I helped on my own
it was more than repaid
by good family and friends I have known.
And if I went the extra mile,
I did it with pleasure
It was all worthwhile.*

*If I brightened your path,
then let it be
A small contribution
from my loved ones and me,
Now sadly I leave you
and travel alone
Through a mystic veil
to the great unknown.*

*With such beautiful memories
That will forever be
the way that I hope
You'll remember me.*
