**Description of Amendment:**

- a. The following was made. An answer to the request is below.

A request that the referenced PICS certification requirement be imposed after the bid and "only" incurred upon the Awardee or Awardee's. To clarify further, should a submittal be the apparent low bid, would they then be required to submit and incur the \$900.00 expense for the PICS certification?

If DPS intends to award to a bidder, prior to award, proof of PICS certification will need to be sent to the contracting officer.
