Description of Amendment:

- a. The following questions were asked. Answers are indicated next to each question

Question #1 –

The display boat, since the boat is permanently mounted to the trailer, will the trailer fender wells be wrapped with graphics?

Also please verify the measurements below the attached swim platform. Will the boat be permanently mounted to the trailer prior to installation of the graphics?

Is the boat exterior surface smooth?

Answer #1 –

The display boat fender wells will not be wrapped.

Measurements below swim platform are 68" x 20 ½ ". There is 9 ¼ " at the bottom. We suggest to square it up to the 68"x20 ½".

The boat surface should be smooth enough for a wrap.

Question #2 –

Referred to as "Patrol Unit", will there be graphics on the windows requiring perforated window film?

Answer #2 –

There will be no film on the windows.

Question #3 –

Referred to as "Trailer 1", will the fender wells be wrapped with graphics?

Answer #3 –

The fender wells will not be wrapped.

Question #4 –

Referred to as "Trailer 2", will the fender wells be wrapped with graphics?

Answer #4 –

The fender wells will not be wrapped.
