

CARROLL FISHER
INSURANCE COMMISSIONER
STATE OF OKLAHOMA

BULLETIN NO. PC 2002-03 (Amended 12/18/02)

TO: ALL PROPERTY & CASUALTY INSURERS LICENSED IN OKLAHOMA
ATTENTION: STATE FILING DIVISION
RE: VOLUNTARY EXPEDITED FILING PROCEDURES FOR
EXCLUSIONS RELATED TO ACTS OF TERRORISM
FROM: CARROLL FISHER, INSURANCE COMMISSIONER
DATE: July 29, 2002

Background

There has been much uncertainty in the markets for commercial lines property and casualty insurance coverage in light of the substantial losses experienced by the industry on September 11, 2001. Soon after the events, many reinsurers announced that they did not intend to provide coverage for acts of terrorism in future reinsurance contracts. This led to a concerted effort on behalf of all interested parties to seek a temporary federal backstop to calm market fears over future terrorists attacks and the ability of the insurance industry to allocate capital to provide coverage for these unpredictable and potentially catastrophic events. Unfortunately, Congress has been unable to reach agreement on the terms of a temporary federal solution. As a result, insurance regulators find themselves having to consider approval of certain coverage exclusions for acts of terrorism or risk possible serious solvency concerns in the insurance industry.

The intent of this bulletin is to inform you of the decision in this state to approve certain limited exclusions for acts of terrorism and to provide a voluntary procedure for insurers to use to expedite the filing and timely review of these limited exclusions. As Commissioner I was involved in recent discussions at the National Association of Insurance Commissioners (NAIC) related to this issue. In a conference call the members of the NAIC adopted a motion that "if the Congress adjourns without enacting federal terrorism legislation, the states should grant conditional approval to commercial lines endorsements that exclude coverage for acts of terrorism consistent with the exclusion framework developed by ISO. Terrorism exclusions, manual rules or rates approved after December 1, 2001 and prior to the enactment of the Federal Terrorism act, may need to be revised, amended or withdrawn to be consistent with the Act. By this bulletin, I am informing you of my intent to act in a manner consistent with the recommendation from the NAIC membership. I believe this to be the best course of action as it balances the need of insurers to have some certainty related to solvency concerns with the business consumer's concerns that their businesses not be subject to uninsured events.

To date many unacceptable exclusions have been filed by insurers to be attached to commercial lines insurance products. These endorsements will be disapproved for use in this state as inconsistent with the interests of public policy and inconsistent with the following provisions of law:

Instead of approving the very broad total exclusions of coverage for acts of terrorism, this state intends to grant approval to exclusions that mirror the series of optional endorsements developed by the Insurance Services Office, Inc. (ISO). These endorsements include the following:

COMMERCIAL PROPERTY INTERLINE ENDORSEMENT: IL 09 40 01 02
COMMERCIAL PROPERTY INTERLINE ENDORSEMENT: IL 09 42 01 02
COMMERCIAL GENERAL LIABILITY ENDORSEMENT: CG 21 69 01 02
COMMERCIAL GENERAL LIABILITY ENDORSEMENT: CG 31 42 01 02
COMMERCIAL GENERAL LIABILITY ENDORSEMENT: CG 31 43 01 02

BUSINESSOWNERS ENDORSEMENT: BP 05 13 01 02

BUSINESSOWNERS ENDORSEMENT: BP 05 13 07 02 (Effective July 1, 2002)
FARM LIABILITY ENDORSEMENT: FL 10 30 01 02
FARM UMBRELLA LIABILITY ENDORSEMENT: FB 10 31 07 02 (Effective July 1, 2002)

In an unprecedented move in recognition of the seriousness of the situation, ISO has indicated that it will permit the use of its copyrighted language by any insurer, including one that is not a current licensee of ISO for policy forms. Insurers that are current licensees of ISO for policy forms can use the new language pursuant to their current ISO agreements and approval by this state of its forms. If you are properly affiliated with ISO, and have given them authorization to file on your behalf, no further action is needed on your part.

Any insurer that does not have a license agreement in effect with ISO for policy forms is required to execute a short, limited license agreement that authorizes the use of the new language. ISO has indicated that there will be no fee for this limited license. You may contact ISO's Customer Service department directly for more information at 1-800-888-4ISO(4476) using option 2. You may also contact ISO at "info@ISO.com." You will be responsible for assuring compliance with this state's filing requirements, however, you may find that the expedited approval process outlined in this bulletin to be helpful in receiving prompt approval of your filing.

Lines of Insurance Not Addressed By The ISO Forms Previously Listed

Oklahoma will not approve terrorism exclusions for lines of insurance other than those addressed by the approved ISO forms. However, any insurer that is able to demonstrate an actual threat to its solvency from possible terrorist attacks based on the amount, location and type of risks it has written in Oklahoma, may apply to the Insurance Department for consideration of an exclusion for a line of insurance not addressed by the ISO forms listed in this bulletin. The company will be expected to demonstrate that 1) it has lost terrorism reinsurance coverage, 2) it cannot obtain terrorism reinsurance coverage, 3) terrorism reinsurance coverage is obtainable only at a cost that is so great as would make the primary types or lines of insurance unmarketable; or 4) the inability to exclude the risk of terrorism will adversely affect the company's solvency. Questions regarding this matter should be directed to Kathie Stepp at kathiestepp@insurance.state.ok.us.

Explanation and Instructions for Expedited Review

The policy exclusions filed by ISO and approved by this state have some significant limitations that provide coverage for acts of terrorism under certain circumstances. For policies providing property insurance coverage the following limitations apply:

- Exclusion for acts of terrorism only apply if the acts of terrorism result in industry-wide insured losses that exceed \$25,000,000 for related incidents that occur within a 72 hour period;
- Exclusions for acts of terrorism are not subject to limitations above if:
 - The act involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination;
 - The act is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
 - Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

For policies providing liability insurance coverage the following limitations apply:

- Exclusion for acts of terrorism only apply if the acts of terrorism result in industry-wide insured losses that exceed \$25,000,000 for related incidents that occur within a 72 hour period; or
- Fifty or more persons sustain death or serious physical injury. For purposes of this provision serious physical injury means:
 - Physical injury that involves a substantial risk of death;
 - Protracted and obvious physical disfigurement; or
 - Protracted loss of or impairment of the function of a bodily member or organ.
- Exclusions for acts of terrorism are not subject to limitations above if:
 - The act involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination;
 - The act is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
 - Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

This state will accept the following definition of acts of terrorism or definitions that are more liberal to policyholders:

Terrorism means activities against persons, organizations or property of any nature:

1. That involve the following or preparation for the following:
 - a. Use or threat of force or violence; or
 - b. Commission or threat of a dangerous act; or
 - c. Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and
2. When one or both of the following applies:
 - a. The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
 - b. It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or to express opposition to) a philosophy or ideology.

For an insurer to receive expedited approval of its exclusions for commercial lines insurance coverages, the exclusionary endorsements must comply with the terms and conditions set forth in this bulletin and be submitted in accordance with the instructions specified below. Further, you must certify that you are either using the ISO endorsements or using an endorsement that provides coverage at least as broad as the approved ISO endorsements.
