

Earthquake Insurance :30

Did you know that a standard homeowner's policy doesn't cover earthquake damage? I'm Oklahoma Insurance Commissioner John Doak. Oklahoma has experienced a wave of stronger earthquakes recently. And after they strike, you may have to wait days or even weeks to add earthquake coverage. Most Oklahomans' largest financial asset is their home. Make an informed decision.

Call the Oklahoma Insurance Department at 1.800.522.0071 to learn more, or go to oid.ok.gov.
