(a) **History.** The Oklahoma Tax Commission, from its inception in 1931, has been responsible for the collection and administration of various tax sources and the apportionment of these revenues to state funds which provide monies for education, transportation, recreation, social welfare, and the myriad of other services provided for the citizens of Oklahoma.

710:1-3-45. Definitions

The following words and terms, when used in this Part, shall have the following meaning, unless the context clearly indicates otherwise:

"Involuntary payment" means any payment received by the Commission as a result of or in connection with any distraint, levy, seizure, attachment or garnishment, or any other legal proceeding or administrative action wherein the Commission seeks to collect or enforce the collection of a tax liability or to file a claim therefor. Such proceedings and actions include, but are not limited to, bankruptcy proceedings, the filing and forwarding of tax warrants directing the levy and sale of property, and any administrative action or proceeding wherein the Commission proposes to revoke, cancel, suspend or deny any license, permit or privilege because of an outstanding tax liability. Payments made pursuant to an installment or "payout" agreement entered into as a result of or subsequent to the institution of any of the above collection measures are deemed involuntary payments.

"Liability period" means the reporting period of a delinquent tax or tax liability, or, in the case of tax liabilities determined as a deficiency, all reporting periods included in the assessment of such deficiency. For purposes of determining the earlier of two or more liability periods, the beginning date of each liability period is used.

"Partial payment" means any payment to or receipt by the Commission of an amount less than sufficient to pay in full all tax liabilities of the taxpayer.

"Tax liability" means delinquent taxes and tax amounts determined as a deficiency, and includes all penalties, interest, service charges and fees accrued and accruing in relation thereto.

"Voluntary payment" means a payment made prior to or in the absence of any legal proceeding or administrative action in or by which the Commission seeks to collect or enforce the collection of a tax liability. Payments made pursuant to an agreement voluntarily entered into between the taxpayer and the Commission prior to such legal proceeding or administrative action will continue to be deemed as voluntary payments only so long as the taxpayer remains in full compliance with the terms of such agreement.

[Source: Added at 10 Ok Reg 3819, eff 7-12-93]

710:1-3-46. Partial payment of tax liabilities; allocation to taxes, penalties, interest, service charges, and fees

(a) **Voluntary payments.** Voluntary partial payments of tax liabilities will be applied to such liabilities in the manner designated by the taxpayer, where the taxpayer provides specific written instructions for the application of such payments. If the taxpayer fails to give specific written instructions for the application of a voluntary partial payment, the Commission will allocate and apply such payment in the same manner as provided for involuntary payments.

(b) **Involuntary payments.** The taxpayer has no right to direct or designate the allocation or application of an involuntary payment. In all instances, the Commission will allocate and apply involuntary partial payments in the manner which, in the discretion of the Commission, will best serve the interests of the State. Generally, unless the Commission determines that a different allocation will better serve the State's interests, involuntary partial payments will be allocated and applied in the following manner:

- (1) First, to the tax portion of non-trust fund tax liabilities, beginning with the earliest such liability period, and then to the tax portion of each succeeding liability period until all non-trust fund taxes are paid;
- (2) Next, to the tax portion of all trust fund tax liabilities, beginning with the earliest such liability period, and then to the tax portion of each succeeding liability period until all trust fund taxes are paid;
- (3) Next, to the interest, penalties, service charges, and fees, in that order, associated with non-trust fund tax liabilities, beginning with the earliest such liability period, and then in the same order for each succeeding liability period(s) until all interest, penalties, service charges, and fees associated with non-trust fund tax liabilities have been paid;
- (4) Next, to the interest, penalties, service charges, and fees, in that order, associated with trust fund tax liabilities, beginning with the earliest such liability period, and then in the same order for each succeeding liability period(s) until all interest, penalties, service charges, and fees associated with trust fund tax liabilities have been paid.

710:1-3-47. Payment under protest

In any case where a taxpayer files a written protest to a proposed assessment as provided by 68 O.S. §221, the taxpayer may pay the tax amounts proposed to be assessed and designate such payment as being made under protest. Such payment will stop the accrual of interest on the amounts so paid. If the Commission sustains the protest, in whole or in part, the amount determined by the Commission not to be due shall be refunded to the taxpayer, without interest, except as otherwise provided by law.

[Source: Added at 10 Ok Reg 3819, eff 7-12-93]

710:1-3-48. Payment of taxes by credit card

(a) "**Nationally recognized**" credit card means any instrument or device, whether known as a credit card, credit plate, charge plate or by any other name, issued with or without fee by an issuer for the use of the cardholder in obtaining goods, services or anything else of value on credit which is accepted by over one thousand merchants in this state. The Oklahoma Tax Commission shall determine which nationally recognized credit cards will be accepted for payment of taxes. Currently Discover is accepted.

(b) Implementation of payment by credit card will be phased in over a period of time as determined by the Commission.

- (1) Initially, payment of taxes by credit card will only be allowed at the current designated receiving points or by designated agents.
- (2) When tax return forms are modified to include credit card information in a designated area on the form, payment by this method will be accepted when the tax return document is submitted.
- (c) The Tax Commission will verify that sufficient credit is available before acceptance of credit card to insure that no loss of state revenue will occur by the use of such card.
 - (1) If a taxpayer is at a designated receiving point and credit is not available, the taxpayer then has the opportunity to pay by other methods accepted by the Commission.
 - (2) If the taxpayer mails in the credit card information with their return and credit is not available, the return will be handled as a document with no remittance and a bill will be forthcoming.
- (d) The Tax Commission may add an amount equal to the amount of the service charge incurred, not to exceed four percent (4%) of the amount of such payment as a service charge for the acceptance of such credit card.
- (e) Credit card payments should not be mixed with other type payments, i.e. checks, cash.
- (f) The Commission will contract a third party to process credit card transactions who will place monies received into the Commission's account with the State Treasurers Office and report such payments to the Commission.
- (g) Taxpayers wishing to pay by credit cards must be willing to submit normally required credit card information to the Commission. This includes, but is not limited to: card type (VISA, etc.), card number, card expiration date and card holder name as shown. The Commission assumes no liability for unauthorized use of this information.

PART 9. EXECUTION OF TAX WARRANTS

710:1-3-50. Purpose

The intent of this Part is to provide an efficient system for the collection of taxes evidenced by tax warrants and to provide for the prompt disbursement to sheriffs of fees and expenses authorized by law. [See: 68 O.S. §231.1]

710:1-3-51. Execution on tax warrant and collection of sheriff's penalty

The Sheriff shall execute all warrants as provided by law. All monies so collected shall be made payable to the Oklahoma Tax Commission. The Sheriff's office is entitled under the law to an amount of money equal to an additional penalty of Fifteen Dollars (\$15.00), or an amount equal to Ten Percent of the total amount of tax, penalty, and interest collected in the execution of a tax warrant, whichever amount is greater, but not to exceed \$200.00, to be paid to the County Sheriff's Office after collection of the amounts due by the Sheriff, Undersheriff, or Deputy Sheriff.

- (1) The penalty imposed shall not be assessed or collected more than once for the execution of a tax warrant in each county.
- (2) The penalties paid to the sheriff are to be used by the sheriff's department to increase efforts to locate tax debtors and their property, to execute upon tax warrants, and to collect delinquent taxes.

[Source: Amended at 10 Ok Reg 3819, eff 7-12-93; Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-3-52. Execution and collection duty; return of voucher

Tax warrants for delinquent tax, penalty and interest will be issued by the Oklahoma Tax Commission.

Once issued by the Commission, the warrants will be filed by the county clerk and forwarded to the county sheriff. The sheriff is to actively pursue collection of each warrant delivered.

710:1-3-53. County sheriff Collection duty

In execution of tax warrants, and to qualify for collection fee disbursement pursuant to this Rule, the county sheriff's activity shall include, but not be limited to: phone contacts, letters, and personal visits. The sheriff must be able to document the date and type of contact made for each tax warrant for which the sheriff is claiming a fee.

710:1-3-54. Release of tax warrants

A tax warrant issued by the Oklahoma Tax Commission shall only be released by the Commission, after a determination by the Warrant Office of the Account Maintenance Division of the Oklahoma Tax Commission that:

- (1) The tax, penalty and interest to date has been paid in full.
- (2) The penalty imposed by law and all other fees authorized by law have been paid in full.
- (3) Such release shall be processed under Commission procedures, after clearance by the Warrant Office of the Account Maintenance Division.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-3-55. Procedures for remittance and deposit of collections; apportionment; recordkeeping

- (a) All tax warrants collected upon by a county sheriff must be returned monthly, attached to a tax warrant summary sheet. Each tax warrant collection summary sheet must have a check attached for the total collected, including collection fee.
- (b) All collections shall be deposited within 48 hours of collection to a separate account in the county, maintained by each sheriff and used exclusively for these deposits.
- (c) Each month, the sheriff will forward a check, attached to a collection summary sheet, to the Commission.
- (d) The Commission shall process, account for and disburse the funds as provided by law. The checks transferred to the Commission shall be deposited in the Oklahoma Tax Commission Fund.
- (e) The sheriff's fee shall be apportioned and returned to the sheriff as soon as practicable after deposit and verification that payment of tax, penalty, interest and fees has been made in full.
- (f) Sheriffs shall maintain records of deposits made to the Oklahoma Tax Commission fund. Such records shall be kept on forms prescribed by the Commission and be submitted in the manner specified by the Commission for verification of disbursements.

710:1-3-56. Collection fee attaches to tax warrant

A sheriff's collection fee will attach to the tax warrants and accrue for payment on a case-by-case basis. If the taxpayer remits the face amount of the warrant directly to the Commission, the Commission will determine whether the collection fee has attached and either release the warrant, or request the sheriff to pursue additional collection efforts to collect the fee. Any discrepancy shall be resolved by the Commission, and will be final and binding on the sheriff and the taxpayer. If a sheriff is aggrieved, the sheriff may ask the Commission to adjust its determination.

710:1-3-57. Collection fee subject to audit

All sheriff's collection fees are subject to audit.

710:1-3-58. Time limit for collection and return of warrant

Sheriffs shall collect and return warrants assigned to them within 60 days after filing of the warrant.

710:1-3-59. Taxpayer bankruptcy

If a sheriff, during execution of a warrant, learns that the taxpayer has filed bankruptcy and has not yet been discharged, the sheriff shall write the bankruptcy case number on the warrant and return it to the Commission.

710:1-3-60. Verification of discrepancies

In some cases, the amount to be collected on a warrant will be less than the amount shown on the face of the warrant, due to partial payment or an intercepted refund claim. In these cases, the sheriff shall verify the correct amount due with the Warrant Office.

710:1-3-61. Validity of tax warrant

Any questions about the validity of a tax warrant, (i.e. wrong name, wrong business, incorrect address, etc.) should be referred to the Warrant Office of the Account Maintenance Division.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-3-62. Instructional material available to sheriffs

Each sheriff's office will be provided with a detailed instruction packet and forms approved and distributed by the Commission.

PART 11. PUBLIC RECORDS

710:1-3-70. Records in general

(a) **Confidentiality of records.** Generally, the law provides that the records and files of the Oklahoma Tax Commission are **confidential** except as specifically provided otherwise by statute. [See: 68 O.S. § 205]

(b) **Classes of exceptions to the general rule of non-disclosure.** Certain documents are available to the public by specific exception to the general law set out in (a) of this Section. In addition, some documents are considered public in nature, pursuant to the Open Records Act. [See: 68 O.S. § 205-205.3; 51 O.S. § 24A.4]

(c) **Records available under specific provisions of law.** By specific statutory mandate and by exceptions to the general rule of confidentiality set out in 68 O.S. § 205, there are a number of sources of information available to the public and maintained by the Commission.

(1) **List of income tax filers.** A list of persons who filed Oklahoma Income Tax Returns is prepared annually and made available for inspection at the Taxpayer Assistance Division during normal business hours.

(2) **Register of tax warrants filed.** A register of current outstanding tax warrants issued is maintained and updated monthly by the Taxpayer Assistance Division of the Commission. The tax warrant register may be inspected at the M. C. Connors Building, Room 4-18, 2501 North Lincoln Boulevard, Oklahoma City, Oklahoma, during normal business hours.

(3) **Oklahoma aircraft registry.** A list of aircraft registered with the State is maintained and available for public inspection at Aircraft Section of the Taxpayer Assistance Division, 409 N.E. 28th Street, Oklahoma City, Oklahoma, during normal business hours).

(4) **Decedents list.** A list of decedents within the state, county of probate, and probate number is

maintained by the Compliance Division Estate Tax Section. The decedents list may be inspected at the offices located on the third floor at 409 N.E. 28th Street, Oklahoma City, Oklahoma, during normal business hours.

(5) **Permits, licenses, exemptions.** Information regarding the issuance or revocation of licenses and permits and documents evidencing exemption are available for most applicable tax types. The elements or items of information available regarding permits, licenses and exemptions may vary by tax type. In addition, the format in which a particular record is available may be limited to that normally used by the agency. Items of permit-related information may include permit number, permittee name, name of business, and business address. Inquiries should be made to the Taxpayer Assistance Division.

(d) **Limited disclosure in some instances.** Some records and information from records maintained by the Commission may be accessible only by certain persons, or for certain limited uses. In these instances, the release of information must be one permissible by statute. The Commission may require that the request be written and may require supporting documentation or identification, if the release of information sought is one statutorily limited in scope.

(e) **Requesting records; fees.** Where a person desires the Commission to make photocopies of public records, the request should be made in writing, specifying the record requested. The Commission may collect a fee for the copying of records, as well as other fees required by statute, and may structure the manner of response to requests so as to protect the normal business of the agency from undue disruption or delay. [For specific fee information, see Appendix A of this Chapter, Schedule of fees.]

710:1-3-71. Rules of the Oklahoma Tax Commission

(a) **Rules described.** "Rules" of the Oklahoma Tax Commission are formal statements of policy which set out procedures to be followed in the administration of various tax levies and fees. Rules describe broad interpretations of the tax laws, often prescribe forms, and may set out informal and formal procedures for filing, remitting, registering and objecting to the various taxing provisions. Rules may also prescribe procedures for the granting, denial, suspension, renewal, or revocation of various permits and licenses administered by the Commission. Rules are subject to the provisions of Article I of the Oklahoma Administrative Procedures Act (APA), 75 O.S. §§ 250-308.2, and must be promulgated under the terms of the APA before they are considered effective. Rules which have been promulgated have the full force and effect of law and continue in effect until amended or revoked under APA provisions.

(b) **Availability.** Current Rules, both permanent and emergency, of the Oklahoma Tax Commission are available on the Oklahoma Tax Commission website at <http://www.oktax.state.ok.us> or from Taxpayer Assistance Division, M. C. Connors Building, 2501 North Lincoln Boulevard, Oklahoma City, Oklahoma, during normal business hours.

[Source: Amended at 22 Ok Reg 1515, eff 6-11-05]

710:1-3-72. Decisions of the Oklahoma Tax Commission

(a) **Decision defined.** A "decision" of the Oklahoma Tax Commission means a final determination in an adversarial hearing on an individual tax protest or claim, including a Commission order in writing which is made, entered, and mailed to a taxpayer pursuant to the provisions of the Uniform Tax Procedure Code (68 O.S. § 201, et seq.). Decisions initially rendered from individual tax hearings are considered confidential records. However, decisions from individual tax hearings are available to the public under the grant of

authority set out in 68 O.S. § 221(g) and the mandate of Section 302(A)(4) of Title 75 of the Oklahoma Statutes (Administrative Procedures Act).

(b) **Confidentiality.** To protect the identity of individuals, the Decisions of the Oklahoma Tax Commission available for examination by the public utilize fictitious names or have had names and identifying features removed, leaving intact the factual statement, the statement of applicable law, the findings of the Commission, and the disposition of the protest or claim.

(c) **Applicability.** Decisions of the Oklahoma Tax Commission may be broadly categorized into two groups: Precedential and Non-precedential. A Precedential decision is one in which the findings are applicable to a broad spectrum of taxpayers and in which the interpretation of law embodied in the holding may appropriately be relied upon prospectively by the Commission and by the public. A non-precedential decision is generally one in which the rule of law expressed is unique to the fact situation of the particular case.

(d) **Availability.** Decisions are available from the Administrative Proceedings Section, 3700 North Classen Boulevard, Suite 260, Oklahoma City, Oklahoma, during normal business hours and may be accessed through the Tax Commission website at <http://www.oktax.state.ok.us>.

[Source: Amended at 10 Ok Reg 3819, eff 7-12-93; Amended at 16 Ok Reg 2628, eff 6-25-99; Amended at 22 Ok Reg 1515, eff 6-11-05; Amended at 24 Ok Reg 1688, eff 6-11-07]

710:1-3-73. Opinions and letter rulings

(a) **Opinions not issued by the Commission.** An "**opinion**" is a formal document, generally prepared by legal counsel, expressing conclusions that interpret or apply the law to a set of assumed facts. As so defined, the Oklahoma Tax Commission does not issue **Opinions**. However, legal counsel may prepare such a document to advise the Commission or a taxing Division within the Commission.

(b) **"Opinion" defined.** Thus, an "**opinion**," with respect to the Oklahoma Tax Commission, means a written communication embodying formal legal advice, upon which the Commission may base, in whole or in part, administrative decisions, decisions in individual tax proceedings, or prospective policy decisions. Opinions, being advisory to the Commission, do not constitute authority by any party for challenging any matter pending before the Commission.

(c) **Opinion may impact policy, rulemaking.** To the degree that a policy of Commission, based upon such a legal opinion, impacts broad segments of taxpayers and is to be given future effect by the Commission, such policy may be promulgated as a Rule of the Commission.

(d) **Availability of opinions.** Such opinions as may be made available to the public, pursuant to the provisions of Section 302(A)(4) of Title 75, as further defined and limited by the terms of Section 24A.1, et seq. of Title 51, will be limited to those which are, or will be embodied in policy of the Commission.

(e) **"Letter ruling" described.** Tax Policy and Research Division and the Office of the General Counsel draft and issue letter rulings, which are informal written statements of policy or treatment of specific fact situations under Oklahoma tax law. Such a letter ruling may generally be relied upon only by the taxpayer to whom it is issued, provided that all facts have been accurately and completely stated, and that there has been no change in applicable law.

(f) **Requests for letter rulings.** Requests by individuals or groups of taxpayers for letter rulings will be honored by the Commission, at its discretion, and in consideration of the time and resources available to respond to such requests. Requests for letter rulings should be made to the Tax Policy and Research Division, Oklahoma Tax Commission, 2501 N. Lincoln, Oklahoma City, OK 73194.

(g) **Letter ruling may initiate rulemaking.** To the degree that a letter ruling impacts broad segments of taxpayers and is to be given future effect by the Commission, such letter ruling may become the basis for a

Rule of the Commission.

(h) **Availability of letter rulings.** **Letter rulings** may be viewed at the Taxpayer Assistance Division at the M. C. Connors Building, 2501 North Lincoln Boulevard, Oklahoma City, Oklahoma, during normal business hours.

PART 13. OTHER POLICY PROVISIONS

710:1-3-80. Procedures for partial release of tax warrant or lien

(a) Partial Release of a Tax Warrant or Lien may be issued under the following circumstances:

- (1) Whenever the application and evidence in support thereof shows:
 - (A) That for the legal reasons described in paragraphs (2), (3) or (4) of this subsection, there exists no likelihood of collection or enforceability of a Tax Warrant against a particular parcel of realty;
 - (B) That the denial of the Partial Release would result in an undue expense or hardship on the requesting party; and
 - (C) That the request for the Partial Release has been made by the entity which meets a requirement in paragraph (2), (3) or (4) of this subsection;
- (2) Where the lien of an outstanding Tax Warrant is unenforceable or uncollectible due to the existence of a prior outstanding mortgage lien(s) held by the requesting party on the parcel of realty, and the amount of the outstanding mortgage lien(s) exceeds the amount such property would bring at a foreclosure sale;
- (3) Where the mortgage lien(s) as described in paragraph (2) of this subsection has been foreclosed in an action in a District Court but where there has been a failure to name the State of Oklahoma ex rel, Oklahoma Tax Commission as a party defendant in the foreclosure action; or
- (4) Where the holder of such a mortgage lien(s) as described in paragraph (2) of this subsection has taken a deed in lieu of foreclosure.

(b) For purposes of this Section, under the situations described in subsection (a), **"adequate consideration"** for a Partial Release is defined as follows:

- (1) Payment of ten percent (10%) of the Tax Warrant inclusive of interest and penalty, provided such an amount is not less than Five Hundred Dollars (\$500.00).
- (2) Notwithstanding paragraph (1) of this subsection, in any case where the Commission shall determine that the amount prescribed by paragraph (1) of this subsection shall be either excessive or inadequate, then adequate consideration shall be such amount as the Commission shall prescribe.

In the case of the nonresident contractor entering into one or more contracts subsequent to the posting of the original bond, but prior to the sending of a Notice of Completion of the original contract, the bond required shall be in an amount equal to three times the sum of the estimated tax liabilities for all contracts on which a Notice of Completion has not been filed.

SUBCHAPTER 5. PRACTICE AND PROCEDURE

[Authority: 68 O.S. §203; 75 O.S. §§302(A)(2), 305, 307]

PART 1. GENERAL PROVISIONS**710:1-5-1. Purpose**

The provisions of Subchapter 5 have been promulgated for the purpose of compliance with the Oklahoma Administrative Procedures Act, 75 O.S. §§302, 305, and 307. The various procedural processes, both

formal and informal, by which a party aggrieved by any action of the Commission in the performance of its functions may seek a remedy are described in Subchapter 5.

- (1) The provisions of Part 3 are intended to **describe** the various procedures, both formal and informal, by which a taxpayer may seek redress of a grievance or seek to have a particular suggestion or complaint considered by the Commission, pursuant to the various remedial avenues provided by statute.
- (2) The provisions of Part 5 of this Subchapter **prescribe** the formal Rules of Practice and Procedure before the Office of the Administrative Law Judges, particularly with respect to protests of tax assessments and protests of denials of claims for refunds of taxes paid.
- (3) The provisions of Part 7 govern the procedures for the consideration and disposition of a request for an abatement or adjustment of an alleged erroneous tax assessment.
- (4) Finally, Part 9 of this Subchapter addresses procedures which govern the administrative proceedings dealing with the granting, suspension, and revocation of various permits and licenses which fall within the administrative purview of the Commission.

[Source: Amended at 10 Ok Reg 3819, eff 7-12-93]

PART 3. DESCRIPTION OF ADMINISTRATIVE REVIEW AND HEARINGS

710:1-5-10. Tax protests and claims for refund

- (a) A **protest** may be described as a formal, written challenge to a proposed tax assessment or to the denial of a claim for refund of taxes paid. The statutory requirements for perfecting a protest or claim for refund are governed, generally, by the provisions of the Uniform Tax Procedure Code (68 O.S. §§ 201 et seq.), except in the areas of Income Tax (Article 23 of Title 68 of the Oklahoma Statutes) and Estate Tax (Article 8 of Title 68 of the Oklahoma Statutes) which have additional, and in some instances, superseding, statutory requirements.
- (b) There are several routes available, both formal and informal, to a taxpayer in objecting to an assessment. Prior to the filing of a protest, the issues may be resolved by further discussion with the assessing tax division. Challenged assessments or audits may be amended or adjusted by the tax Division involved, upon reasoned grounds and adequate documentation. Should issues remain unresolved after consulting with the assessing division, the taxpayer may file written protest with the taxing division. A protest must be "timely filed." That is, it must be filed on, or before, the statutory time provided for filing protests, to insure that the protestant-taxpayer preserves his legal rights to a full hearing of the matter and a route for appeal if the disposition of the protest is not resolved in his favor. In the absence of a formal written extension of time within which to file a protest, **proposed assessments which are not protested within the time prescribed by statute are considered final.** Any finally assessed tax in such a case which is paid to or collected by the Tax Commission is not subject to a claim for refund or hearing thereon, to the extent provided in 68 O.S. § 227(f). Thus, a taxpayer who receives a notice of proposed assessment of tax from the Tax Commission should not assume that it can be challenged later by way of a claim for refund, if a protest of the proposed assessment is not timely filed and the proposed assessment then becomes final. However, a taxpayer who fails to file a timely protest may, within one (1) year of the date the assessment becomes final, request the Tax Commission to adjust or abate the assessment pursuant to 68 O.S. § 221(e) and the provisions of Part 7 of this Subchapter.
- (c) The following is a brief description of a typical protest that would take place within the framework of the Oklahoma Tax Commission administrative proceedings process.
 - (1) Initially, an audit is conducted by one of the various taxing Divisions of the Oklahoma Tax Commission pursuant to 68 O.S. § 221(a). Thereafter, a proposed assessment is issued to the taxpayer.

If, in fact, the taxpayer disagrees with the proposed assessment, a protest may be filed, generally within sixty (60) days of the date of the assessment, pursuant to the provisions of 68 O.S. § 221(c).

(2) Except for the initial filing of a protest, which may be made with the taxing division, with the Office of the General Counsel, or with the office of the Administrative Law Judges, the office of the Administrative Law Judges serves as the "Court Clerk" for the administrative hearing process. The Administrative Law Judges are appointed by the Commissioners of the Oklahoma Tax Commission and act independently of the taxing Divisions and the Office of the General Counsel.

(3) Once a protest is received by the taxing Division, the Division will generally review the proposed assessment to determine whether further adjustments are appropriate. Additional discussion between the taxpayer and the Division may be requested in this regard. If issues still remain unresolved at the conclusion of this process, the protest is forwarded to the Administrative Law Judges' Office, where the protest is docketed and a Pre-Hearing Conference is scheduled between the taxpayer, the General Counsel's Office attorney who represents the taxing Division and an Administrative Law Judge.

(4) At this time, a case may be resolved through discussion and negotiation with the staff attorney and the protest or claim is formally withdrawn from the docket, at the request of the parties. This informal resolution may be described as either a withdrawn assessment or a withdrawn protest, depending upon the manner in which the issues were resolved.

(5) Generally, the manner in which a case is to be submitted is decided by the parties at the Pre-Hearing Conference. Other matters decided at this conference are the legal issues of the case and the manner of evidence or witnesses (or both) to be presented at any hearing. Taxpayers are urged to respond to letters; appear or make alternate arrangements at scheduled pre-hearing conferences and hearings; file required briefs or position letters in a timely fashion; and in all respects pursue their legal rights diligently.

(6) Following the Pre-Hearing Conference, and assuming the case is not resolved, it is set for hearing. The Administrative Law Judge will preside at the hearing, wherein testimony and exhibits are received and a record is made. After consideration of the merits, the Administrative Law Judge will issue Findings, Conclusions and Recommendations.

(7) Following the issuance of the Findings by the Administrative Law Judge, the Commissioners may either adopt the Finding, or modify it, in part, or in whole. If the taxpayer has requested an en banc hearing, the Commission may grant it at this time. Once the Order of the Commission is issued, the Taxpayer has thirty (30) days within which to file an appeal with the Oklahoma Supreme Court.

(8) Detailed procedural rules governing a tax **protest** may be found in 710:1-5-21 through 710:1-5-49, which set out rules of Practice and Procedure before the Office of the Administrative Law Judges.

710:1-5-11. Petitions for abatement

(a) A **petition or request for abatement or adjustment** of a tax assessment is a procedure by which a taxpayer may request relief from an assessment which has become **final**, but which the taxpayer may show, by a preponderance of the evidence, that the assessment contested was clearly erroneous. The determination of such a petition or request is within the sole discretion of the Commission pursuant to the provisions of 68 O.S. § 221(e) and is not subject to appeal.

(b) The procedures for the filing, consideration, and disposition of **petitions for abatement or adjustment of a tax assessment** are set out in 710:1-5-70 through 710:1-5-78.

(c) Procedures governing an abatement or adjustment request are exclusive and must be clearly distinguished from the procedures required for filing a timely protest of a proposed tax assessment or a protest of a denial of a claim for refund of taxes. Tax **protest procedure** is governed by the provisions of 710:1-5-21 through 710:1-5-49, which set out general rules of Practice and Procedure before the Office of the Administrative Law Judges.

710:1-5-12. Petitions for waiver of interest or penalty (or both)

Waiver of interest or penalty associated with a tax assessment or failure to file a return or report is within the discretionary authority of the Commission pursuant to the provisions of 68 O.S. § 220. Requests for waiver of penalty or interest should be in writing, and addressed to the division which originated the tax assessment or liability notification.

710:1-5-13. Settlement of claims or protests

Settlement of **disputed, unliquidated** tax claims or assessments is within the discretionary authority of the Oklahoma Tax Commission pursuant to the provisions of 68 O.S. § 219. Request for settlement or offer of settlement proposal should be made to the taxing division which initiated the disputed assessment. Settlements of final liabilities pursuant to 68 O.S.Supp.2002, § 219.1 are governed by the provisions of Part 8 of this Subchapter.

710:1-5-14. Criminal tax prosecution and referral

The Commission has the authority to pursue criminal prosecution in appropriate cases pursuant to the provisions of 68 O.S. §260. Such efforts are conducted by a special tax enforcement unit and may include investigation and initiation of criminal actions for violation of state tax laws. The prosecution of an action authorized by this section may be by an attorney of the special enforcement unit or by a district attorney.

710:1-5-15. Requests for rulemaking action

(a) Any interested person may petition the Commission, requesting the adoption, amendment, or revocation of an existing Rule of the Oklahoma Tax Commission. Such a request need not take any particular form, but must be written and include the following information:

- (5) A statement describing in detail the interest of the petitioner in making the proposal. This description shall include a statement as to whether the proposal is intended to affect the tax consequences of any transaction or transactions entered into or contemplated by the petitioner, its vendors, customers, clients,

or any person upon whose request or upon whose behalf the proposal is made, the taxability of which are known by the petitioner to be the subject of an inquiry, audit, refund, or assessment proceeding by the Commission and shall contain an explanation of the circumstances surrounding the inquiry, audit, refund, or assessment proceeding, if any.

(b) The Commission shall consider each request for rulemaking action which is filed in conformity with this Section and, at its discretion, direct that rulemaking proceedings be initiated in response thereto or deny the request. The Commission may also, at its discretion and with a view to agency resources, direct the rulemaking action be deferred until the next regularly scheduled rulemaking proceedings are commenced. If the rulemaking request is denied, the Commission shall timely so notify the requesting party, in writing, stating the reason(s) for denial. The determination of rulemaking requests shall be solely within the province of the Commission, and no individual proceeding shall be afforded any party in conjunction therewith.

(c) Pursuant to the terms of Section 305 of Title 75 (The Oklahoma Administrative Procedures Act, "APA") any petition for which rulemaking action has not commenced within 30 calendar days is deemed to be denied.

(d) Requests may be made to the Tax Policy and Research Division, 2501 N. Lincoln, Oklahoma City, Oklahoma, 73194.

710:1-5-16. Rulemaking procedure and hearings

(a) **"Hearing" for rulemaking purposes defined.** Rulemaking hearings of the Oklahoma Tax Commission are a forum in which interested parties may express views, make suggestions, and generally have input into the process by which the Commission formulates policy set out in proposed rules. The "hearing" in a rulemaking action consists of:

- (1) a period for public comment, during which written submissions are accepted (will be "heard") by the Commission for the Rulemaking actions previously announced; and,
- (2) a meeting at which interested persons may attend and express opinions, give views, make suggestions, or argue orally.

(b) **Who may appear.** Any persons interested or affected by proposed rulemaking actions may appear at a rulemaking hearing. An appearance may be made individually, or by a representative.

(j) **Contents of a declaratory ruling.** A written response from the Commission or from any employee or agent of the Commission to an inquiry from a taxpayer may not be construed to be a declaratory ruling unless made in conformity with this Subsection. A declaratory ruling must contain:

PART 5. ADMINISTRATIVE PROCEEDINGS RELATED TO TAX PROTESTS

710:1-5-20. Purpose and general overview of taxpayer protest procedure

(a) The purpose of this Part is to give the taxpayer, or the taxpayer's representative, a reasonable way to have the case considered fairly, and to give the taxpayer an opportunity to resolve disagreements with the Tax Commission or one of its various divisions without having to go through a formal hearing.

(b) The provisions of this Part are provided to taxpayers who wish to challenge a tax liability assessed by the Oklahoma Tax Commission, or to seek a refund of taxes. They are available at the Oklahoma Tax Commission, M. C. Connors Building, 2501 Lincoln Boulevard, Oklahoma City, Oklahoma 73194, and are

routinely mailed to a taxpayer or his authorized representative when a case is docketed.

(c) If a case cannot be resolved informally, the provisions of this Part provide for a formal hearing before the Administrative Law Judge, who is independent of the various tax divisions of the Tax Commission and the General Counsel's Office. The Administrative Law Judge makes proposed Findings, Conclusions and Recommendations which are reviewed and acted on by the Commission.

(d) The taxpayer retains the right to seek relief by way of appeal to the Commission en banc or Supreme Court of Oklahoma from an Order of the Oklahoma Tax Commission.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-5-21. Intent, scope and construction of rules

The Rules of Practice and Procedure before the Office of the Administrative Law Judges set out in this Part shall govern all contested proceedings before the Oklahoma Tax Commission or its delegated Administrative Law Judge. These Rules shall be given the most reasonable meaning, taken in their total context, and will be construed to secure due process in the proper resolution of every controversy. They shall not be construed to limit legal rights or obligations of any party.

710:1-5-22. Commencement and numbering of a protest

(a) Protests must be commenced by filing a timely written protest with the office of any Commissioner, the director of the division out of which the controversy arose, the office of the Administrative Law Judges, or the office of the General Counsel. In order for a protest to be considered timely, it must be filed, pursuant to Oklahoma Statutes, within sixty (60) days after the date of the mailing of the assessment, unless an extension is granted within the sixty (60) day period.

(b) The Administrative Law Judges' Office assigns a case number of a protest of proposed assessment or protest to denial of claim for refund (both called "protest" herein), creates a court file, assigns a Judge and sets a day for a pre-hearing conference between the parties and the Administrative Law Judge.

[Source: Amended at 20 Ok Reg 2580, eff 7-11-03]

710:1-5-23. Protests in writing and timely filed; applications for hearings

All tax protests must be in writing and must be timely filed according to the applicable statute. If an oral hearing is desired, an application or request therefor must be made in writing. No protest hearing will be set without a written application or request therefor.

710:1-5-24. Protests to denials of claims for refunds

A claim for refund has to be denied by the tax division before a taxpayer can file a protest. Once a claim is denied and the taxpayer files a protest with the Tax Commission, the Administrative Law Judge shall set a hearing within sixty (60) days after the filing of the protest. The taxpayer shall be duly notified of time of the hearing. Protests to denials of claims for refund have priority status and shall be set for hearing at the earliest practicable date.

710:1-5-25. Content of protests and applications for hearing

Protests and applications for hearing shall be filed and signed by the taxpayer, or an authorized representative, and shall set out therein:

- (1) The name, address and employer's identification number, if applicable;
- (2) A statement of the amount of the deficiency as determined by the Division in the proposed

assessment, the nature of the tax and the amount thereof in controversy;

(3) A clear and concise assignment of each error alleged to have been committed;

(4) The argument and legal authority upon which each assignment of error is made; provided, that the applicant shall not be bound or restricted in such hearing, or on appeal, to the arguments and legal authorities contained and cited in said applications;

(5) A statement of the relief sought by the taxpayer;

(6) A verification by the taxpayer or his duly authorized agent that the statements and facts contained therein are true; and

(7) In a refund claim, an assertion as to whether the basis for the claim request is due to a mistake of law or a mistake of fact with a brief statement of the mistake.

All pleadings filed with the Oklahoma Tax Commission shall be duplicated on letter size, 8 ½ " x 11" paper.

710:1-5-27. Representation and participation in administrative proceedings

(a) **Representation.** In an administrative proceeding the taxpayer may represent himself at any stage of the proceeding or may be represented by:

(1) an attorney;

(2) an accountant;

(3) an enrolled agent; or

(4) a representative who has been approved by the Commission to represent the taxpayer.

(b) **Proper showing may be required.** If a taxpayer wants to be represented by someone other than himself, an attorney, an accountant, or an enrolled agent, the Administrative Law Judge may require that such person, before being recognized as a representative of the taxpayer, make a proper showing that he or she is of good character and in good repute and possessed with necessary qualifications to enable the representative to render such services to the taxpayer. Upon such showing by the representative, the Administrative Law Judge will certify the representative.

(c) **Proof of authority.** Any person representing a taxpayer in any matter may be required at any time to show written proof, in a form satisfactory to the Commission, of his or her authority to represent such taxpayer in that matter.

(d) **Confidentiality of proceedings; participation of others.** Proceedings are not open to the public unless confidentiality has been waived by the taxpayer or his representative. Any person who is not a party, not employed by a party, or not called as a witness, must obtain the permission of the Administrative Law Judge before observing or participating during any stage of the proceeding. Under provisions of Title 68 O.S. § 205, the taxpayer has the right to enforce the confidentiality of the proceedings.

(e) **Ex parte communication.** Communication with the office of the assigned Administrative Law Judge regarding scheduling and procedural matters is permitted. The taxpayer(s) and/or their representative(s), the taxing division and their attorney(s) shall have no ex parte communication on the substance of a pending case with the assigned Administrative Law Judge.

710:1-5-28. Pre-hearing conference

(a) **General provisions.** A pre-hearing conference notice is sent to the parties, usually within sixty (60) days of the filing of the protest. The purpose of the pre-hearing conference is to get the parties together before the Administrative Law Judge to attempt to resolve the case or parts of it, early in the progression of the case, to discuss the facts, identify the legal issues, present discovery requests, make all appropriate stipulations, and to propose a procedural schedule. However, the pre-hearing conference should not serve as the parties introduction to the case. Rather, the parties are to make contact and discuss the merits of the case prior to the scheduled pre-hearing conference.

(b) **Rulings; pre-hearing conference order.** During the pre-hearing conference, the Administrative Law Judge makes all necessary rulings. After the pre-hearing conference, the Administrative Law Judge issues a pre-hearing conference order which reduces to writing the agreements reached at the pre-hearing conference.

(c) **Failure to appear.** If a party fails to appear at the scheduled pre-hearing conference or to timely respond to the notice of pre-hearing conference, but has previously submitted a written request for a hearing on the protest, then a hearing will be set. If a hearing has **not** been requested, then the Division will be directed by the Administrative Law Judge to file a response to the protest, verified by the Division and signed by the attorney representing the Division. If a party files a reply to the Division's Verified Response, and requests a hearing therein, then the Administrative Law Judge may set the matter for hearing on the merits of the protest, and thereafter, enter recommendations to the Commission in accordance with the findings. If a party files a reply to the Verified Response and does **not** request a hearing, then the Administrative Law Judge will consider the reply in making a recommendation to the Commission. If a party fails to file a reply to the Verified Response, then the Administrative Law Judge will issue Findings, Conclusions and Recommendations. Any party aggrieved by the recommendation may proceed pursuant to 710:1-5-40.

710:1-5-29. Notice of hearing

If a case is not fully resolved at the pre-hearing conference, the case is set for formal hearing before the Administrative Law Judge. Notice of the time, date and location of the hearing is sent to the parties. The parties are directed to file briefs or position letters (or both) in support of their positions.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-5-30. Continuances or extensions

A party seeking an extension or continuance shall direct the request to the Administrative Law Judge, with notice to opposing party, and for good cause shown, a continuance or extension will be granted.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-5-31. Administrative law judge to hear case

Hearings will be conducted by an Administrative Law Judge, who must be a licensed attorney at law, who has been appointed by the Oklahoma Tax Commission. The Administrative Law Judge shall have authority to conduct hearings, to examine witnesses, to rule upon motions, to rule upon the admissibility of evidence, to continue or recess any hearing, to control the record, and to make recommendations to the Oklahoma Tax Commission. If for any reason an Administrative Law Judge cannot continue on a case, the Commissioners shall designate another Administrative Law Judge with the above qualifications, who will become familiar with the record and perform any function remaining to be performed without the necessity of repeating any

previous proceedings.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-5-32. Conduct of hearing

Administrative proceedings are conducted by the Oklahoma Tax Commission pursuant to the following procedures:

- (1) **Appearances; motions; preliminary matters; oaths.** The burden of proof is generally on the taxpayer. The hearing will be convened by the Administrative Law Judge, appearances noted, and any motions or preliminary matters will be considered. The Administrative Law Judge shall administer oaths or affirmations to the witnesses.
- (2) **Argument; witnesses; evidence.** Each party shall have the opportunity to present its case, to make opening statements, to call and examine witnesses, to offer documentary evidence into the record and to make closing arguments. Each party shall also have the opportunity to cross-examine opposing witnesses on matters covered in direct examination and, in the discretion of the Administrative Law Judge, upon matters relevant to the issues even though not covered in direct examination. Any objection to testimony or evidentiary offers should be made, and the basis of the objection stated on the record.
- (3) **Discretion of Administrative Law Judge in certain matters.** The Administrative Law Judge may question any party or any witness. The Administrative Law Judge shall establish the order of proceeding, but regardless of the order, the taxpayer is entitled to open and conclude in arguments. The Administrative Law Judge is responsible for closing the record, and may hold it open for stated purposes. Parties may submit proposed Findings, Conclusions and Recommendations at any time after notice of the hearing, but prior to closing of the record. Parties may request that the record be held open for this or other purposes.

710:1-5-33. Discovery

- (2) **Subpoenas; costs; fees; service.** When a witness is required to appear or to produce documentary evidence, a subpoena shall be issued under the seal of the Secretary of the Tax Commission. The party requesting the subpoena shall fill it in before issuance. The subpoena may be served by certified mail with return receipt requested or it may be hand delivered. The party requesting the subpoena shall bear the cost of serving it. 710:1-5-34. Rules of evidence

(a) **Rules governing; admissibility; objections.** The rules of evidence as applied in non-jury, civil cases in the district courts of this State shall be followed in administrative proceedings related to tax protests except when it is necessary to ascertain facts not reasonably susceptible of proof under those rules. In that event, evidence not admissible under the Rules of Evidence may be admitted, if it is of a type commonly relied on by reasonably prudent persons in the conduct of their affairs. The Administrative Law Judge shall give effect to the rules of privilege recognized by law. Objections to evidentiary offers may be made and shall be noted in the record. Subject to these requirements, part or all of the evidence may be received in written form if the hearing will be expedited and the interest of the parties will not be substantially prejudiced.

(b) **Certification of issues.** A party to the proceedings who objects to a ruling of the Administrative Law Judge may request and obtain certification of the issue to the Commission for a decision prior to the issuance of Findings, Conclusions and Recommendations by the Administrative Law Judge. The signatures of the taxpayer's representative, the tax division attorney and the Administrative Law Judge must be upon the certification.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-5-36. Evidence by official notice

(a) The Administrative Law Judge in an administrative proceeding may, regardless of whether requested by the parties, take official notice of matters which the judges of district courts of Oklahoma can judicially notice and of facts within the scope of personal knowledge or within the specialized knowledge of the Tax Commission. Such official notice must be stated on the record, and the parties must have an opportunity to contest the material noticed. A party requesting the official notice must state upon the record sufficient information to enable the Administrative Law Judge to comply with the request.

(b) If an Administrative Law Judge receives any document or other evidence from a party in connection with an administrative proceeding which has not been provided to the other party, the Administrative Law Judge shall give notice of such receipt to the party not receiving the document or other evidence and advise such party of its right to receive a copy of the document or other evidence.

710:1-5-38. Submission of case on briefs

When a taxpayer in an administrative proceeding does not request an oral hearing, or the parties agree that an oral hearing is not needed, the Administrative Law Judge will base the Findings, Conclusions and Recommendations on the position letters and briefs submitted by the parties. The Administrative Law Judge will mail notice of a date certain for each party to submit a position letter or brief setting out therein the statement of facts, issues to be determined, contentions and statutory and case law relied upon to support his contentions. The Administrative Law Judge may schedule a conference between the parties if it is deemed necessary to clarify the positions of the parties.

710:1-5-38.1 Motion for summary disposition

A party may file a motion for summary disposition on any or all issues on the ground that there is no substantial controversy as to any material fact. The procedures for such motion are as follows:

- (1) The motion for summary disposition shall be accompanied by a concise written statement of the material facts as to which the movant contends no genuine issue exists and a statement of argument and authority demonstrating that summary disposition of any or all issues should be granted. The moving party shall verify the facts to which such party contends no genuine controversy exists with affidavits and evidentiary material attached to the statement of material facts.
- (2) If the protest has been set for hearing, the motion shall be served at least twenty (20) days before the hearing date unless an applicable scheduling order issued by the Administrative Law Judge establishes an earlier deadline. The motion shall be served on all parties and filed with the Office of the Administrative Law Judge.
- (3) Any party opposing summary disposition of issues shall file with the Administrative Law Judge within fifteen (15) days after service of the motion a concise written statement of the material facts as to which a genuine issue exists and the reasons for denying the motion. The adverse party shall attach to the statement evidentiary material justifying the opposition to the motion, but may incorporate by reference material attached to the papers of the moving party. All material facts set forth in the statement of the movant which are supported by acceptable evidentiary material shall be deemed admitted for the purpose of summary disposition unless specifically controverted by the statement of the adverse party which is supported by acceptable evidentiary material.
- (4) The affidavits that are filed by either party shall be made on personal knowledge, shall show that the

affiant is competent to testify as to the matters stated therein, and shall set forth matters that would be admissible in evidence at a hearing. A party challenging the admissibility of any evidentiary material submitted by another party may raise the issue expressly by written objection or motion to strike such material.

(5) If the taxpayer has requested a hearing, the Administrative Law Judge will issue a notice to the parties scheduling the motion for a hearing limited to oral argument. If the taxpayer has not requested a hearing, the Administrative Law Judge will rule on the motion based on the submission of the parties, including the motion, opposition to the motion, and attachments thereto.

(6) If the Administrative Law Judge finds that there is no substantial controversy as to the material facts and that one of the parties is entitled to a decision in its favor as a matter of law, the Judge will grant summary disposition by issuing Findings of Fact, Conclusions of Law, and Recommendations. Such Findings of Fact, Conclusions of Law and Recommendations are subject to review by the Commission pursuant to *OAC* 710:1-5-10, 710:1-5-40 and 710:1-5-41. If a motion for summary disposition is denied, the Administrative Law Judge will issue an order denying such motion.

(7) If the Administrative Law Judge finds that there is no substantial controversy as to certain facts or issues, the Judge may grant partial summary disposition by issuing an order which specifies the facts or issues which are not in controversy and directing that the action proceed for a determination of the remaining facts or issues. If a hearing of factual issues is required, evidentiary rulings in the context of the summary procedure shall be treated as rulings in limine. Any ruling on partial summary disposition shall be incorporated into the Findings of Fact, Conclusions of Law, and Recommendations issued at the conclusion of the proceedings before the Administrative Law Judge.

710:1-5-39. Findings, conclusions and recommendations

(a) **Issuance.** When the record in an administrative proceeding is closed and submitted, the Administrative Law Judge will issue Findings, Conclusions and Recommendations to the Tax Commission for its consideration. The Findings, Conclusions and Recommendations will include a statement of facts, the issues and contentions, conclusions based on the findings of fact and applicable law, and recommendation to the Tax Commission. The parties to the proceeding will be mailed copies of the Administrative Law Judge's Findings, Conclusions and Recommendations.

(b) **No appeal.** No appeal may be based upon the Findings, Conclusions and Recommendations issued by the Administrative Law Judge, since only the Tax Commission may issue the final order from which an appeal may be brought.

710:1-5-40. Options available to parties after action by Administrative Law Judge

The following options are available to parties to an administrative proceeding related to a tax protest after issuance of an unfavorable recommendation:

(1) **Motion for rehearing or motion for reconsideration; content; replies; time limitations.** Within fifteen (15) days following mailing of the Findings of Fact, Conclusions of Law and Recommendations of the Administrative Law Judge, any party to the proceedings may file a motion for rehearing or a motion for reconsideration with the Administrative Law Judge. The opposing party may reply to a motion for rehearing or a motion for reconsideration within fifteen (15) days after mailing of the motion for rehearing or motion for reconsideration. A party's request shall be reviewed on the basis of the content

presented therein and not solely on the style of the party's motion.

(2) **Rehearing procedure.** If a party elects to file a motion for rehearing, that party will be precluded upon rehearing, should the motion be granted, from raising as error any issue not set forth in the motion.

If a motion for rehearing is granted, the proposed Findings of Fact, Conclusions of Law and Recommendations of the Administrative Law Judge are vacated pending rehearing. If the motion is overruled, the original proposed Findings of Fact, Conclusions of Law and Recommendations of the Administrative Law Judge shall be deemed issued on the date the motion is overruled. If a rehearing is granted, notice will be issued to the parties setting out the date, time and place of the hearing.

(3) **Reconsideration procedure.** A motion for reconsideration must specify each ground upon which the party alleges the findings to be erroneous. If a motion for reconsideration is granted, the original proposed Findings of Fact, Conclusions of Law and Recommendations of the Administrative Law Judge are vacated. If the motion is overruled, the original proposed Findings of Fact, Conclusions of Law and Recommendations of the Administrative Law Judge shall be deemed issued on the date the motion is overruled.

(4) **Grounds for granting motion for rehearing.** A motion for rehearing may be granted on any of the following, although such list is illustrative and not exclusive:

(A) Newly-discovered evidence which could not, with reasonable diligence, have been discovered and produced at the hearing on the matter.

(B) Need for additional evidence to develop the facts essential to proper decision.

(C) Additional evidence necessary to address conclusions of law not contemplated prior to the Findings of Fact, Conclusions of Law and Recommendations of the Administrative Law Judge being issued.

(5) **Grounds for granting motion for reconsideration.** A motion for reconsideration may be granted on any of the following, although such list is illustrative and not exclusive:

(A) Need for further consideration of the issues and the evidence.

(B) A showing that issues not previously considered ought to be examined in order to properly dispose of the matter.

(C) Need for application of statute, rule or caselaw to the facts.

(6) **Application for en banc hearing before Commission.** If a motion for rehearing or reconsideration is denied, the aggrieved party may, within fifteen (15) days following mailing of such denial, file an application for oral argument before the Tax Commission en banc. If a motion for hearing en banc is granted, the case will be heard by the Commissioners sitting together as a decision making body.

(7) **En banc hearing procedure.** Any party may apply for a hearing en banc before the Commissioners whether or not he/she moved for rehearing or reconsideration before the Administrative Law Judge. If a motion for rehearing or reconsideration before the Administrative Law Judge is not filed, any party requesting a direct appeal to the Commission en banc, must file said motion for a hearing en banc within fifteen (15) days of the mailing of the Administrative Law Judge's findings. The application must specify each ground upon which the party alleges the Findings, Conclusions and Recommendations to be erroneous. The opposing party may reply to a motion for hearing en banc within fifteen (15) days after mailing of the motion for hearing en banc. Should the application be granted, the moving party will be precluded from raising as error any issue not set forth in the application for a hearing en banc.

(8) **Granting of hearing en banc; filing of briefs; time limitations.** If such application for oral argument is granted, the Commissioners will set a date, time and place for the hearing and notice will be given to each side by mail at least twenty (20) days in advance of the hearing. Typewritten briefs must be submitted to the Commissioners at least fourteen (14) days prior to such hearing, or as otherwise directed by the Commission. Time limits for oral arguments will be set by the Commissioners at the time of the

hearing.

(9) **Exhaustion of administrative remedies.** Although taxpayers must exhaust all administrative remedies before appealing to the Oklahoma Supreme Court, or if appropriate to a Federal court, it is not necessary to move for reconsideration or rehearing or to apply for a hearing en banc to exhaust administrative remedies. All that is necessary for exhaustion is to pursue a protest until the Commissioners issue a final decision in the form of an order.

(10) **Commission decision commences appeal time.** Neither a motion for rehearing or reconsideration nor an application for a hearing en banc will be granted after a final decision has been made and an order issued. Therefore, a motion for rehearing or reconsideration or an application for a hearing en banc will not serve to stay the time to appeal to the Supreme Court.

710:1-5-41. Decision and order of the Oklahoma Tax Commission

The Tax Commission will issue a written order in each case whether or not application for oral argument is made. The Tax Commission may, in its discretion, vacate, modify, or affirm, in part or whole, the recommendations of the Administrative Law Judge.

710:1-5-42. Appeals from orders of the Oklahoma Tax Commission

(a) If a taxpayer is aggrieved by any order, ruling, or finding of the Tax Commission, the taxpayer may appeal therefrom directly to the Oklahoma Supreme Court. The appeal must be perfected within thirty (30) days of the mailing of the order by filing a petition in error with the clerk of the Supreme Court of the State of Oklahoma and by filing a designation of the record with the Secretary of the Tax Commission at the same time the petition in error is filed.

(b) In lieu of an appeal to the Supreme Court, any taxpayer aggrieved by a final order of the Tax Commission assessing a tax or an additional tax or denial of a claim for refund may opt to file an appeal for a trial de novo in the district court of Oklahoma County or the county in which the taxpayer resides. An appeal for trial de novo in district court must be filed in the district court within thirty (30) days of the mailing of the Tax Commission order. A district court order resulting from such a trial shall be appealable directly to the Supreme Court of Oklahoma by either the taxpayer or the Tax Commission. Such appeal shall be taken in the manner and time provided by law for appeal to the Supreme Court from the district court in civil actions. The provisions of this subsection shall be applicable for tax periods beginning after January 1, 2014. Provided, if the order applies to multiple tax periods which begin before and after January 1, 2014, the appeal provided by this subsection shall be available to the aggrieved taxpayer.

710:1-5-43. Exceptions to the requirement for exhausting administrative remedies

The taxpayer must exhaust the administrative remedies prescribed by law prior to appealing to the Supreme Court from an order of the Tax Commission, except in cases involving Constitutional issues as outlined in Title 68 O.S. § 226(c). (See, **Cimarron Industries, Inc. v. Oklahoma Tax Commission**, 621 P.2d 539 (Okla. 1980).)

710:1-5-44. Computation of time

When filing documents in an administrative proceeding related to a tax protest, the following provisions apply:

- (1) **General provisions.** In computing any period of time, begin on the day after the act, event, or default and conclude on the last day of the computed period, unless it be a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day which is neither a Saturday, Sunday nor legal holiday.
- (2) **Filing; evidence of filing.** Documents required to be filed are considered filed on the date of personal service of such documents or upon the date of the postmark showing date mailed on the envelope containing such documents and must show a date on or before the last day of filing as defined hereinabove.
- (3) **Use of certified or registered mail.** If the document is sent by United States registered mail, the date of registration of the document shall be treated as the postmarked date. If the document is sent by United States certified mail and the sender's receipt is postmarked by the postal employee, the date of the United States postmark on such receipt shall be treated as the postmark date of the document. Thus, the risk that the document will not be postmarked on the day that it is deposited in the mail may be overcome by the use of registered mail or certified mail.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-5-45. Service of documents

Service of any document in an administrative proceeding may be accomplished by personal delivery or by mailing such document addressed to the party or his authorized representative at the last known address, postage prepaid. The document shall indicate on its face by Certificate of Service or of Mailing that copies have been served on parties of record.

710:1-5-46. Dismissal of case

- (a) **Voluntary dismissal.** A protestant may dismiss his or her protest, or the tax division whose action or proposed action has been protested may withdraw its action or proposed action, without a motion therefor, at any time prior to the entry of a final order by the Commission.
- (b) **Dismissal for mootness.** "Moot", for purposes of this Subchapter means that a case presents no actual controversy or that the issues have ceased to exist. A protest that is or has become moot may be dismissed by the Commission or by the Administrative Law Judge on their own motion or on the motion of a party. At least fifteen (15) days' notice of the motion or intent to dismiss shall be given to all parties, who shall have the opportunity to respond and show cause why the protest should not be dismissed. A dismissal by the Administrative Law Judge is appealable to the Commission in the same manner as appeals from other rulings by the ALJ.
- (c) **Dismissal for lack of jurisdiction.** The Tax Commission is without jurisdiction to consider a protest that is not filed within the time provided by statute. The question of the Commission's jurisdiction to consider a protest may be raised at any time, by a party, the Administrative Law Judge, or the Commission itself. Questions as to the authority, propriety, or timeliness of the tax division's action or proposed action shall not be raised by a motion to dismiss, but shall be raised as defenses to such action or proposed action, as a part of or addition to the protest.

(d) **Motion to dismiss.** A motion filed by a party to dismiss a protest for lack of jurisdiction, or a notice by the Administrative Law Judge or the Commission of intent to dismiss a protest on jurisdictional grounds, shall state the reasons therefore, shall be filed in the case, and shall be mailed to all parties or their authorized representatives. The motion or notice of intent to dismiss shall be set for hearing, which shall not be less than fifteen (15) days after the filing of such motion or notice of intent, at which time any party opposing such motion or notice of intent may appear and show cause why the protest should not be dismissed. Notice of the date, time and place of the hearing shall be mailed to the parties or their representatives along with the motion or notice of intent to dismiss.

710:1-5-47. Burden of proof

In all administrative proceedings, unless otherwise provided by law, the burden of proof shall be upon the protestant to show in what respect the action or proposed action of the Tax Commission is incorrect. If, upon hearing, the protestant fails to prove a prima facie case, the Administrative Law Judge may recommend that the Commission deny the protest solely upon the grounds of failure to prove sufficient facts which would entitle the protestant to the requested relief.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-5-48. Effective date of the Part

The provisions of this Part govern all proceedings and cases commenced after they take effect, and also all further proceedings in cases then pending, except to the extent that in the opinion of the Commission or the Administrative Law Judge, their application in a pending case would not be feasible or would work an injustice.

710:1-5-49. Survival and abatement of protests

No protest pending before the Tax Commission shall abate by the death of the protestant. Consideration of such a protest shall proceed according to the following:

- (1) **Death of protestant where no hearing has been requested.** If a taxpayer dies subsequent to the filing of a protest and no oral hearing has been requested, the Commission shall proceed without further notice to examine the merits of the protest and enter an order in accordance with its findings.
- (2) **Death of protestant prior to hearing.** If a taxpayer has requested a hearing as provided by law but dies before such hearing, and the Commission is apprised of such death, notice of the proceedings and any upcoming hearing shall be mailed to taxpayer's address as last given in connection with the protest proceeding, and addressed to taxpayer, taxpayer's estate, or taxpayer's personal representative. Taxpayer's personal representative or persons who demonstrate a legal interest in taxpayer's estate shall be given a opportunity to appear and to be heard in connection with the protest proceedings. If, after such notice, there is no appearance or substitution by such persons in the protest proceedings, the protest shall not be dismissed or decided as by default, but the merits of the protest shall be examined and an order confirming, modifying, or vacating the prior action or proposed action shall be entered, as in a case where no hearing has been requested.
- (3) **Death of protestant after hearing or submission of case.** If a taxpayer dies after a requested hearing or after the matter has been submitted for decision, findings, conclusions and a recommendation as to the final disposition of taxpayer's protest may be entered by the Administrative Law Judge, and a

final order may be entered by the Commission, although the personal representative of the taxpayer or other person has not been substituted as a party to the proceeding. Notice of the findings, conclusions and recommendation of the Administrative Law Judge and of the Commission's final order shall be given to the taxpayer's personal representative or other such person who has demonstrated a legal interest in the estate of the deceased taxpayer and who has requested such notice.

(4) **Substitution of personal representative.** Taxpayer's personal representative may be substituted for the taxpayer on motion of a party with notice to the representative, and shall be substituted for the taxpayer upon application by the representative. [See: OTC Order No. 96-02-13-017]

PART 7. ABATEMENT OF ERRONEOUS TAX ASSESSMENT

710:1-5-70. Purpose

The provisions of this Part are provided to taxpayers who wish to request adjustment or abatement of an assessment of the Oklahoma Tax Commission which has already become final. [See: 68 O.S. § 221(e)]

[Source: Amended at 20 Ok Reg 2580, eff 7-11-03]

710:1-5-71, When an assessment becomes final

(a) In the event the person to whom a proposed assessment is issued acquiesces in the changes reflected on the proposed assessment, or fails to file a written protest within the sixty (60) days after the mailing of the proposed assessment (or any extensions allowable by Statute that have been granted by the Division), the proposed assessment becomes final.

(b) In cases in which an extension has been granted for filing a protest, the proposed assessment becomes final at the expiration of the period as extended by the Division if no protest is filed.

[Source: Amended at 20 Ok Reg 2580, eff 7-11-03]

710:1-5-72. Request for adjustment or abatement

(a) **Untimely "protest" construed as request for abatement.** Every written statement "protesting" a proposed assessment which is received after the expiration of sixty (60) days from the mailing of the proposed assessment, or after the expiration of any extension granted by the Division, shall be treated as a request for an adjustment or abatement of the assessment.

(b) **Manner in which timeliness determined.** Timeliness of the filing of a request for adjustment or abatement of the assessment shall be determined by the date of the first filing with the Director of the Division out of which the controversy arose, the office of the Administrative Law Judges, the office of the General Counsel, or the Commission.

(c) **Abatement request does not extend period in which proposed assessment may be timely protested.**

A request for adjustment or abatement of an assessment does not extend the time in which a written protest can be timely filed. No request for adjustment or abatement of an assessment filed after a proposed assessment becomes final will be construed as amending the time in which a protest can be filed and a request for hearing submitted.

710:1-5-73. Initial review, determination of abatement request

(a) **Division to review.** All requests for adjustment or abatement of an assessment shall be forwarded to the Division which issued the proposed assessment to determine whether the request was timely filed. Should it be determined that the request was timely filed, the Division will determine whether the assessment is clearly erroneous.

(b) **Division may adjust or abate clearly erroneous assessment.** If the Division determines that the assessment, or some portion thereof, is clearly erroneous, the Division shall issue a document, signed by the Division Director, or a designee, adjusting or abating the assessment, a copy of which shall be mailed to the applicant.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-5-74. Notification of initial disposition of abatement request; procedure upon denial by Division

Should the Division not agree that the evidence presented demonstrates that the assessment, or some portion thereof, is clearly erroneous, the Division shall notify the taxpayer of its determination. The notification letter shall state prominently that should taxpayer disagree with the Division's determination, taxpayer must make written request for a review of the determination, to the General Counsel's office within thirty days of the mailing of the Division notification. Failure of taxpayer to seek review within thirty days of the mailing of the Division's notification shall constitute abandonment of the request.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-5-75. Docketing of abatement request

The General Counsel's office assigns a case number to a request for adjustment or abatement of a proposed assessment which has become final, creates a file, assigns an attorney, and notifies the taxpayer of the assignment.

710:1-5-76. Presentation of abatement request to Commission

(a) Once docketed, the assigned attorney shall review the evidence submitted in support of taxpayer's request, prepare a fact sheet for presentation to the Commission at a regularly scheduled meeting, and notify the taxpayer of the day said request will be presented. The taxpayer may appear before the Commission and present documentary evidence and testimony in the form of affidavit(s).

(b) No hearing other than the appearance of taxpayer at a regularly scheduled meeting of the Commission will be held. No transcript of the appearance before the Commission will be prepared.

(c) Should taxpayer desire a transcript or record of taxpayer's appearance before the Commission, the taxpayer will need to contact a certified court reporter, and make the necessary arrangements for the presence of the reporter at the Commission meeting, and the cost thereof. The cost of transcribing will be borne by the taxpayer who must furnish the original of the transcript to the Commission.

[Source: Amended at 16 Ok Reg 2628, eff 6-25-99]

710:1-5-77. "Preponderance of the evidence" and "clearly erroneous" defined; burden of proof for tax abatement purposes

(a) In order to have the assessment adjusted or abated, the taxpayer must demonstrate, by a preponderance of the evidence, that the assessment or some portion thereof is clearly erroneous.

(b) For purposes of Section 221(e) of Title 68 of the Oklahoma Statutes and Part 7 of this Subchapter, "**preponderance of the evidence**" means the evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; evidence which as a whole shows that the fact sought to be

proved is more probable than not.

(c) For purposes of Section 221(e) of Title 68 of the Oklahoma Statutes and Part 7 of this Subchapter, "**clearly erroneous**" means unsupported by substantial evidence; contrary to clear weight of evidence or induced by erroneous view of the law.

(d) In order to sustain the burden of demonstrating that the assessment or some portion thereof is clearly erroneous, taxpayer must show evidence that the assessment deviates from the law and is therefore invalid or is unsupported by the evidence, or both.

710:1-5-78. No appeal; no stay of collection proceedings as a result of abatement request

No appeal to the Supreme Court of the State of Oklahoma may be taken from an Order denying taxpayer's request to adjust or abate an assessment. 710:1-5-82. Grounds for settlement

(a) **General provisions.** Except for a trust fund tax, the Commission may settle an Oklahoma tax liability for any of the following reasons:

- (1) Collection of the tax with interest and penalties would reasonably result in the taxpayer declaring bankruptcy;
- (2) The tax liability is uncollectible due to the insolvency of the taxpayer resulting from factors beyond the control of the taxpayer or other similar factors; or,
- (3) The tax liability is the result of actions of a person other than the taxpayer and to hold taxpayer liable for the tax liability would be inequitable.

(b) **Uncollected trust fund taxes.** If the tax liability for which settlement is sought is a "trust fund tax", the applicant must show:

- (1) That the tax was not collected; and,
- (2) That applicant had a good faith belief that collection of the tax was not required.

(c) **Unremitted trust fund taxes.** Trust fund taxes collected, but not remitted to the Commission, may not be abated.

710:1-5-83. Eligibility requirements for settlement

(a) **General requirements.** Before a taxpayer becomes eligible for settlement pursuant to this program, the following general requirements must be met:

- (1) Tax liability must be final.
- (2) All administrative remedies and appeals must have been exhausted.
- (3) Taxpayer must be current with all returns filed or required to be filed with the Commission.
- (4) Taxpayer must not be currently the subject of an open bankruptcy proceeding.
- (5) Taxpayer must not be currently the subject of a State tax-related criminal investigation or criminal prosecution.

(b) **Bankruptcy or insolvency.** If settlement is sought on the grounds of bankruptcy or insolvency:

- (1) Taxpayer must demonstrate that the ability to make payment in full any time in the foreseeable future is unlikely.
- (2) Taxpayer must be without sufficient resources or unable to apply present or future resources to paying the outstanding tax liability.

- (3) Taxpayer must be reasonably unable to dispose of assets or borrow against assets to pay the tax liability.
- (4) Taxpayer must demonstrate that monthly income is insufficient to fully pay the tax liability through reasonable installment payments.

710:1-5-84. Application for a Settlement Agreement

- (a) **Application.** The forms necessary to make application for a Settlement Agreement may be obtained from the Account Maintenance Division, 2501 Lincoln Boulevard, Oklahoma City, OK, 73194. Completed Settlement Agreement Applications and any documents in support thereof must be submitted to the same address.
- (b) **When a Power of Attorney is Required.** Applications being tendered on behalf of a taxpayer by an attorney, CPA, or other person, must be accompanied by a properly acknowledged Power of Attorney Form, signed by the taxpayer, authorizing the person to act on behalf of the taxpayer.
- (c) **Additional information.** The Account Maintenance Division may request additional financial or other information deemed necessary to supplement the Settlement Agreement Application.
- (d) **Presentation of the application.** The Account Maintenance Division shall present a completed application to the Commission during a regularly scheduled meeting of the Commission.
- (e) **Notice of the determination of the application.** The Account Maintenance Division shall notify the applicant in writing of the decision of the Commission and make any required adjustments to the applicant's account.
- (f) **Withdrawal of application.** An application for a Settlement Agreement may be withdrawn by the taxpayer at any time prior to its acceptance.

710:1-5-85. Effect of Offer in Compromise by the Internal Revenue Service

- (a) Acceptance of an Offer in Compromise by the Internal Revenue Service does not automatically guarantee acceptance by the State. An application for a Settlement Agreement tendered to the Commission will be reviewed and evaluated on its own merits.
- (b) The federal "Offer in Compromise" form cannot be substituted for the Oklahoma Settlement Agreement Application. However, other documents such as the current financial statements included in a compromise offer submitted to the Internal Revenue Service may also be submitted to the State in support of an application for a Settlement Agreement.

710:1-5-86. Review by Commission

- (a) **Unanimous vote required.** A unanimous vote of the members of the Commission is required for approval of a Settlement Agreement.
- (b) **Discretionary act.** The determination of settlement is within the sole discretion of the Commission.
- (c) **Facts and other considerations.** In making its decision, the Commission will consider, but not be limited to, the following matters:
 - (1) The likelihood of collection of the debt;
 - (2) The amount of the debt;
 - (3) Efforts made by the applicant to pay a part of the debt prior to filing an application for settlement;

- (4) The taxpaying record of the applicant;
 - (5) Applicant's current and possible future earning capacity;
 - (6) The portion of the tax itself which would be paid under the terms of the proposed Settlement Agreement;
 - (7) The composition of the balance of tax, penalty, and interest due;
 - (8) The percentage of the tax debt proposed to be settled;
 - (9) The Applicant's age and health;
 - (10) The Applicant's net worth;
 - (11) The acceptance by the Internal Revenue Service of an Offer in Compromise and the amount;
 - (12) The age of the debt;
 - (13) The existence of liens;
 - (14) Current operating status of any business;
 - (15) Bankruptcy status;
 - (16) The amount determined to be collectible. This amount is generally based upon the Commission's evaluation of the reasonable collection potential of the taxpayer's assets and revenue. The collectible amount is one factor used to determine if an offer is reasonable.
 - (17) Other liable parties;
 - (18) Whether tax debt due is a trust tax collected by Applicant but not remitted to the Commission;
 - (19) What other persons are liable,
 - (20) Whether the Applicant is located within Oklahoma or not;
 - (21) The accuracy and veracity of the Applicant's representations to the Commission;
 - (22) The recommendations of the Account Maintenance Division; and
 - (23) The expense and time expended in future collection efforts by the Commission on the Applicant's debt.
- (d) **Other circumstances which may be considered.** In addition to the factors set out in (c) of this Section, the Commission may consider any other aggravating or mitigating circumstances contributing to the request for settlement, including, but not limited to:
- (1) Good faith efforts made by taxpayer to comply with the tax laws of this state.
 - (2) Benefit received by taxpayer from nonpayment of the tax.
 - (3) Involvement of taxpayer in economic activity which gave rise to tax liability.
- (e) **No appeal of denial.** The decision by the Commission to decline a proposed Settlement Agreement is final and is not appealable.
- (f) **Court approval required.** If the amount of the tax liability to be abated exceeds Ten Thousand Dollars (\$10,000.00), the Settlement Agreement requires the approval of a judge of the district court of Oklahoma County.
- (g) **Resubmission of application.** If a taxpayer has previously submitted an application for a Settlement Agreement and that application was not accepted, the taxpayer may apply at a later date if financial conditions have changed, or to submit additional information not previously provided for review by the Commission.

710:1-5-88. Effect of a Settlement Agreement

(a) Effect of pending Settlement Agreement.

(1) Filing an application for settlement does not constitute the filing of a protest of a proposed assessment, or extend the time to protest a proposed assessment. Filing an application for settlement does not constitute the taking of an appeal to the Oklahoma Supreme Court, nor extend the time to take an appeal to the Supreme Court. Filing an application for settlement does not place a taxpayer in compliance for purposes of renewing a professional license.

(2) If taxpayer is on an existing repayment plan, the taxpayer must continue to make payments until the application for a Settlement Agreement is either accepted or denied. Payments made pursuant to an existing repayment plan will not be considered a part of the amount offered in the agreement.

(3) Collection activities may continue during the review process, however, the Commission may suspend its collection efforts if the interests of the State will not be compromised. If there is any indication that the taxpayer filed the settlement offer simply to delay collection of the tax or that the delay would interfere with collecting the tax, the Commission will immediately resume collection efforts.

(4) Interest and penalty will continue to accrue on any unpaid tax debt while the settlement is being considered.

(b) Effect of accepted Settlement Agreement.

(1) A Settlement Agreement relates to the entire liability of the taxpayer and all questions of such liability are conclusively settled thereby.

(2) Neither the Commission nor the taxpayer shall, upon acceptance of the proposed Settlement Agreement, be permitted to revise the agreement except by reason of the following:

(A) Falsification or concealment of facts or assets by the taxpayer; or

(B) Mutual mistake of a material fact concerning the basis for a Settlement Agreement; or

(C) Assets were fraudulently transferred prior to the agreement or were liquidated during the review process; or

(D) Taxpayer failed to comply with the terms of the agreement.

(3) Settlement of a civil liability does not constitute a settlement of a criminal liability concerning the tax period in question.

(4) Tax liens will be released only after an application for a Settlement Agreement is accepted and the amount offered is paid in full. If the amount of the tax liability to be abated exceeds Ten Thousand Dollars (\$10,000.00), the taxpayer is also required to provide to the Commission a certified copy of Oklahoma County District Court approval of the Settlement Agreement before tax liens will be released.

710:1-5-89. Payment

(a) No payment is required to be paid when the Settlement Agreement Application is submitted to the Commission.

(b) Full payment of the amount offered in settlement of the tax liability must be made within thirty (30) days from date of notification that the proposed Settlement Agreement has been accepted. Payment of the accepted settlement amount by cash, cashier's check, money order, or charged to an approved credit card

must be made by the payment due date indicated on the acceptance notice. [See: [www://oktax.state.ok.us/oktax/gnpayopt.html](http://www.oktax.state.ok.us/oktax/gnpayopt.html) or Call: 1-800-2PAY-TAX]

(c) Any payment made with the application will not be returned to Applicant, even if the Settlement Agreement is declined or withdrawn. The retained payment will be applied to Applicant's outstanding tax liability in accordance with Section 710:1-3-46 of this Chapter.

(d) In appropriate circumstances, the Commission may consider proposed Settlement Agreements that provide for payments to be made over a period of time based on future income.

(e) The Settlement Agreement becomes void if taxpayer defaults on payment under the agreement.

(f) The Settlement Agreement becomes void if the agreement was obtained by fraud or misrepresentation of a material fact.

710:1-5-90. If the proposed Settlement Agreement is declined

(a) If the application for a Settlement Agreement is declined, the taxpayer will be notified by the Account Maintenance Division in writing.

(b) Taxpayer should immediately contact the Commission to arrange payment of the entire liability. If immediate payment of the entire liability is not possible, the taxpayer may request payment through the regular collection procedures.

710:1-5-91. Return of Settlement Agreement Application

The Commission may reject the Settlement Agreement Application as not processible for any of the following reasons:

- (1) The applicant is not adequately identified (name, address, ID#, etc.) or required signatures are not provided.
- (2) The settlement offer includes an amount already collected or subject to refund.
- (3) The tax liability is not adequately identified.
- (4) The Settlement Agreement Application does not show a reason or a statement supporting the reason for the settlement offer has not been provided.
- (5) Financial statements or other documentation have not been included, or are incomplete or do not present a complete and accurate representation of the taxpayer's financial condition.
- (6) The Commission's records indicate noncompliance with filing of required returns.
- (7) The applicant is currently under bankruptcy court jurisdiction.
- (8) Power of Attorney Form (if indicated) has not been included.

710:1-5-92. Exclusivity of request for settlement of tax liability

Procedures governing settlement of final tax liabilities, pursuant to this Part, are exclusive and must be clearly distinguished from procedures required for the filing of a timely **protest** of a proposed tax assessment or a protest of a denial of a claim for refund of taxes as set out in 710:1-5-21 through 710:1-5-49. The procedures for the filing, consideration, and disposition of **petitions for abatement or adjustment of a tax assessment** pursuant to the provisions of 68 O.S. § 221(e) are set out in 710:1-5-70 through 710:1-5-78.

Procedures for settlement of disputed, unliquidated tax claims or assessments are set out in 710:1-5-13.

PART 9. PROCEEDINGS RELATED TO PERMITS AND LICENSES

710:1-5-100. Show cause hearings

When a Tax Division contests the taxpayer's compliance with State tax laws or Commission Rules, the Division may cause notice to be issued to the taxpayer requiring him to appear before the Administrative Law Judge or an Administrative Hearing Officer to show why his license or permit should not be cancelled.

The notice shall contain a date certain for the hearing. Failure to appear at the hearing may result in the cancellation of license or permit. The taxpayer may represent himself or be represented by an attorney, an accountant or other representative approved by the Commission. The taxpayer is to bring all reports and payments for delinquent taxes, penalty and interest to the hearing. Evidence and testimony of witnesses may be presented at the hearing.

PART 10. BUSINESS COMPLIANCE PROCEEDINGS

710:1-5-110. Definitions

The following words and terms, when used in this Part, shall have the following meaning, unless the context clearly indicates otherwise:

"Business day" means a day on which State offices are open for regular business.

"Noncompliant taxpayer" means any taxpayer who, within any consecutive twenty-four-month period, has failed to file two (2) reports or remit tax due for any two (2) months, as required for sales taxes under the Oklahoma Sales Tax Code.

[Source: Added at 30 Ok Reg 1850, eff 7-11-13]

710:1-5-111. Noncompliant taxpayer determination and advisory notice

For tax periods occurring after October 31, 2012, should a taxpayer fail to file two (2) reports or remit sales tax due for two (2) months within a twenty-four-month period, the taxpayer is deemed to be noncompliant and will be issued an advisory notice that a third delinquency in reporting or remitting sales taxes occurring prior to payment of identified tax delinquencies within the twenty-four-month period will result in closure of taxpayer's business. The advisory notice provided pursuant to this Section will be sent certified by the U.S. postal service to the taxpayer's last-known address shown on taxpayer's most recent sales tax return filed with the Tax Commission or will be hand delivered to the taxpayer's business address.

[Source: Added at 30 Ok Reg 1850, eff 7-11-13]

710:1-5-112. Commencement of twenty-four (24) month period and examples

(a) **Commencement of twenty four month period.** Beginning November 1, 2012, a taxpayer's initial sales tax delinquency begins commencement of the twenty-four (24) month period for purposes of the business compliance proceedings.

(b) **Examples.** The following examples illustrate the application of the twenty-four (24) month period.

(1) A taxpayer is delinquent for November and December of 2012, but does not incur another delinquency until January 2015; no pending business closure notice will be issued. Taxpayer's January 2015, delinquency begins commencement of a new twenty-four (24) month period.

(2) A taxpayer is delinquent for November and December of 2012 and pays the tax, interest, penalty and fees due before incurring an additional delinquency in May 2013. A pending business closure notice will not be issued. The May 2013 delinquency begins a new twenty-four (24) month period.

[Source: Added at 30 Ok Reg 1850, eff 7-11-13]

710:1-5-113. Pending business closure notice

(a) **Applicability.** When a taxpayer deemed noncompliant fails to report or pay sales tax for a third month within a twenty-four-month period a Pending Business Closure Notice will be issued.

(b) **Contents of pending business closure notice.** The notice will outline the outstanding reports and tax payments and will advise the noncompliant taxpayer that the business will be closed unless taxpayer within five (5) business days from the delivery or attempted delivery of the notice exercises one of the following options:

(1) Provides proof to the satisfaction of the Tax Commission that the delinquent sales tax reports and/or sales tax payments have been previously filed and/or paid.

(2) Files all outstanding sales tax reports and remits the delinquent sales tax including any accrued interest, penalty and fees.

(3) Pursuant to the terms outlined in Section 710:1-5-115, enters into an installment payment agreement approved by the Tax Commission to satisfy the delinquent sales tax, interest, penalty and fees due.

(4) Objects to the business closure by filing a written protest and request for an administrative hearing, pursuant to the terms outlined in Section 710:1-5-117.

(c) **Notice requirements.** Pending Business Closure Notices will be sent certified by the U.S. postal service to the taxpayer's last-known address shown on taxpayer's most recent sales tax return filed with the Tax Commission or hand delivered to the taxpayer's business address.

[Source: Added at 30 Ok Reg 1850, eff 7-11-13]

710:1-5-114. Closure Order

If a noncompliant taxpayer fails to timely and fully exercise one of the options to avoid business closure outlined in paragraphs (1) through (4) of subsection (b) of Section 710:1-5-113, or to comply with the terms of an installment payment agreement pursuant to Section 710:1-5-115, the Tax Commission will issue a Closure Order.

[Source: Added at 30 Ok Reg 1850, eff 7-11-13]

710:1-5-115. Installment payment agreements

(a) **Eligibility and terms of installment payment agreements.** Noncompliant taxpayers owing sales tax delinquencies of Five Hundred Dollars (\$500.00) or less are not eligible for an installment payment

agreement. Installment Payment Agreements (IPA) for sales tax delinquencies over Five Hundred Dollars (\$500.00) require a down payment equal to or greater than one-fourth (1/4) of the sales tax, interest, penalty and fees owed. The agreement shall not exceed twelve (12) months. A tax warrant for the delinquent sales tax, interest, penalty and fees will be filed by the Tax Commission to protect the State's interest.

(b) Installment payment agreement conditions.

(1) Taxpayer must file all delinquent sales tax returns prior to entering into an installment payment agreement.

(2) Taxpayer must make installment payments when due by cashier's check, money order, or credit card accepted by the Tax Commission.

(3) Taxpayer must remain in compliance, filing and paying in full all sales tax returns that come due during the term of the installment payment agreement.

(c) Execution and form of installment payment agreement. The installment payment agreement must be in writing and signed by both the taxpayer and a Tax Commission representative.

(d) Default. Taxpayers failing to abide by the requirements set out in subsection (b) of this Section will be considered in default. Once in default, a Closure Order will be served immediately without further notice to the defaulting taxpayer and a placard will be affixed to all entrances to the business pursuant to Section 710:1-5-122. While a taxpayer being or becoming delinquent for taxes other than sales tax during the pendency of an approved installment agreement does not constitute default, the Tax Commission is not precluded from taking any action to collect these taxes including setting the matter for show cause hearing pursuant to Section 710:1-5-100.

(e) Exceptions to terms of and eligibility for installment payment agreements. A taxpayer may request an installment payment agreement outside the parameters of subsection (a) of this Section. Requests by taxpayers with hearings scheduled pursuant to Section 710:1-5-117 may be made to the Hearing Officer. Otherwise, such requests should be made to the Executive Director of the Oklahoma Tax Commission. In the event the request for an extended installment agreement is denied by the Hearing Officer or Executive Director the taxpayer may make the request at a regularly scheduled meeting of the Tax Commissioners.

[Source: Added at 30 Ok Reg 1850, eff 7-11-13]

710:1-5-116. Interest and penalty waiver requests

(a) Waiver requests. In the event, a taxpayer prior to business closure by affixing of a placard as provided in Section 710:1-5-122, pays the delinquent sales tax in full and requests, in writing, a waiver of interest and penalty, the waiver request will be treated as a stay to the business closure and a hearing will be scheduled in the same manner as hearings to business closures in Section 710:1-5-120.

(b) Consideration of the request. Before the scheduled hearing date, the waiver request must be considered by the applicable Division or Tax Commissioners, dependent upon the amount requested to be waived, and the taxpayer advised regarding approval/disapproval of the request.

(c) Applicability of waiver request. If the waiver request is approved, the hearing will be stricken from the docket and the taxpayer will be deemed compliant for purposes of the business closure proceedings. If the waiver request is not approved or only partially approved, the taxpayer will be afforded the opportunity, prior to or at the hearing, to pay in full the outstanding interest, penalties and fees or enter into an installment agreement to pay the outstanding amounts subject to the provisions of Section 710:1-5-115.

[Source: Added at 30 Ok Reg 1850, eff 7-11-13]

710:1-5-117. Hearing request by noncompliant taxpayer

(a) **Contents and form of protest and request for hearing.** The protest and request for hearing must be made in writing, signed by the taxpayer or an authorized representative, and should outline therein:

- (1) Taxpayer's name, address and employer's identification number, if applicable;
- (2) Taxpayer's sales tax permit or other identification number issued by the Tax Commission;
- (3) The sales tax reporting periods at issue; and
- (4) That an administrative hearing is requested including the manner in which the taxpayer desires the hearing to be held whether in person, by telephone, upon written documents furnished by the noncompliant taxpayer, or upon written documents and evidence produced by the noncompliant taxpayer at hearing.

(b) **Rule applicability.** The tax protest procedure outlined in 710:1-5-21 through 710:1-5-49 is not applicable to the business closure protest proceedings which are solely governed by the provisions of 710:1-5-117 through 710:1-5-121.

[Source: Added at 30 Ok Reg 1850, eff 7-11-13; Amended at 32 Ok Reg 1330, eff 8-27-15]

710:1-5-118. Timely filing of protest and applications for hearing

In order for the hearing request to be considered timely it must be filed within five (5) business days after the date of delivery or attempted delivery of the pending business closure notice.

[Source: Added at 30 Ok Reg 1850, eff 7-11-13]

710:1-5-119. Defenses to business closure

The only defenses to business closure are proof that the noncompliant taxpayer:

- (1) Filed all delinquent returns and paid the delinquent sales tax due including interest, penalty and fees;
- or
- (2) Has entered into a payment agreement pursuant to Section 710:1-5-115 to satisfy the sales tax due including interest, penalty and fees.

[Source: Added at 30 Ok Reg 1850, eff 7-11-13]

710:1-5-120. Hearing procedures governing hearing requests to pending business closure notice

(a) **Hearing schedule.** The date, time, and place for the hearing will be set by the hearing officer and provided to the noncompliant taxpayer by mail at least five (5) days in advance of the hearing.

(b) **Administrative hearing.** The administrative hearing will be conducted by a hearing officer appointed by the Tax Commission. The administrative hearing will be held within fourteen (14) calendar days of receipt by the Tax Commission of the noncompliant taxpayer's request for hearing. Subject to the approval of the hearing officer, the administrative hearing may be held in person, by telephone, upon written documents furnished by the noncompliant taxpayer, or upon written documents and any evidence produced by the noncompliant taxpayer at an administrative hearing. A noncompliant taxpayer who requests an administrative hearing based upon written documents is not entitled to any other administrative hearing regarding the matter prior to the date a decision is rendered by the hearing officer. The noncompliant taxpayer may be represented by an authorized representative who may present evidence in support of the position of the noncompliant taxpayer.

(b) **Complaint and initial investigation.** The Commission may, upon its own initiative, or upon receiving a written complaint filed with the Secretary-Member, cause the complaint to be investigated and a determination made as to whether good cause exists for initiating a disqualification proceeding. If it is determined that no violation has occurred, or if there is insufficient evidence to support the allegation, the investigation will be terminated. If a determination is made that good cause exists for initiating a disqualification proceeding, such proceeding will be promptly commenced.

(c) **Commencement of proceeding.** Upon the initiation of a disqualification proceeding, the matter shall be set for hearing before a hearing examiner or an Administrative Law Judge assigned by the Commission. The respondent who is the subject of the proceeding, and the Office of the General Counsel who shall prosecute the matter, shall be provided notice of the hearing, at least thirty (30) days prior to the hearing

date.

(d) **Notice.** Notice to respondent shall be made by certified mail, return receipt requested, postage prepaid, to the last known address, and shall contain a summary of the complaint, the name of the Administrative Law Judge or hearing examiner assigned to the matter, and the time and date of the hearing.

(f) **Burden of proof.** The Office of the General Counsel shall have the burden of establishing, by a preponderance of the evidence, that a violation of Section 236 has occurred such that respondent should be disqualified from practice before the Commission. Notice of the final disposition of the disqualification proceedings will be provided respondent.

(g) **Scope of action.** The respondent may be found qualified to practice and the proceeding dismissed on the merits; or the respondent may be disqualified from practice before the Commission for a stated period of time, or indefinitely. The Commission may provide notice of the determination of the disqualification proceeding to other agencies, boards, or Commissions who exercise jurisdiction or regulatory authority over the respondent or the activities involved in the violation. Nothing in this Section shall preclude the Commission from seeking any other remedies or legal proceedings available at law to enforce its orders, rules, or the provisions of 68 O.S. § 236.
